Rediscovering Church Lynne Hybels, Bill Hybels, 2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine Illinois movie theater to its present Sunday morning attendance of 15 000 Bill Hybels and his wife Lynne tell about Willow Creek's beginnings its struggles the philosophy behind its success and the strategies that have made it a model for church growth The first half of the book written by Lynne Hybels explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community In the second half of Rediscovering Church Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission From mission statements to developing leadership making sound financial decisions and handling growth Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world to be the body of Christ in real and tangible ways Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology its vision and values The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration encouragement and a means of uncovering the pattern for their own unique mission and ministry

Rediscover Church Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a Christian in trouble Since a global pandemic abruptly closed places of worship many Christians have skipped church life even neglecting virtual services But this was a trend even before COVID 19 Polarizing issues including political and racial strife convinced some people to pull away from the church and one another Now it's time to recommit to gathering as brothers and sisters in Christ In Rediscover Church Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission Through biblical references and personal stories they show readers God's true intention for corporate gathering to spiritually strengthen members as individuals and the body of Christ In an age of church shopping and livestreamed services rediscover why the future of the church relies on believers gathering regularly as the family of God Published in partnership with the Gospel Coalition and 9Marks

Rediscovering the Church Fathers Michael A. G. Evangelicals, Worship and Participation Alan Rathe, 2016-04-22 In discussions of worship the term participation covers a lot of ground It refers not only to concrete acts in gathered liturgy but also to some of the loftiest claims of Christian theology In this book Alan Rathe probes the ways in which North American evangelicals have in recent years regarded the landscape of participation Rathe presents a broad review of evangelical worship literature through a lens borrowed from medieval theology This brings into surprising focus not only evangelical understandings but also evangelical identities and the historical traditions they reflect and offers fresh perspectives on such current theological concerns as God's triunity missio Dei and the practical theology of participation Offering a fresh contribution to a young but important discipline the liturgically informed study of evangelical worship practice this book reconnects the evangelical tradition to the Great Tradition and in the process re appropriates classic concepts that are full of promise for contemporary ecumenical dialogue

Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required

to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic Soul Winners David Clary,2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In Soul Winners journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party s most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation s landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary s narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought evangelicalism into the highest precincts of business and politics Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life *Rediscovering Church* Ian Mayer,2025-02-12 What if we could recapture the dynamic transformative power of the early Church in today s world Acts 2 42 47 provides us with a remarkable blueprint of a thriving Christian community one marked by devoted discipleship authentic fellowship radical generosity and daily transformation Rediscovering Church will help close the gap between the church we see and the church we dream of Drawing from the timeless wisdom of the New Testament and filled with real world examples this practical guide will equip you with the tools and strategies you need to cultivate communities marked by authentic relationships transformative teaching passionate worship and sacrificial care You ll discover how to Create environments where genuine discipleship happens naturallyBuild meaningful fellowship that goes beyond surface level relationshipsDevelop prayer cultures that expect and experience God s powerStructure leadership that empowers rather than controlsPlan gatherings that foster authentic communityImplement programs that serve real needsFoster generosity that transforms lives and much more than you can ask or imagine The future of the Church depends not on our programs or
