Rediscovering Gay History:

Rediscovering Gay History John Boswell, **The Boswell Thesis** Mathew Kuefler, 2006-03 Few books have had the social cultural and scholarly impact of John Boswell's Christianity Social Tolerance and Homosexuality Arguing that neither the Bible nor the Christian tradition was nearly as hostile to homoeroticism as was generally thought its initial publication sent shock waves through university classrooms gay communities and religious congregations Twenty five years later the aftershocks still reverberate The Boswell Thesis brings together fifteen leading scholars at the intersection of religious and sexuality studies to comment on this book's immense impact the endless debates it generated and the many contributions it has made to our culture The essays in this magnificent volume examine a variety of aspects of Boswell's interpretation of events in the development of sexuality from Classical Antiquity through the Middle Ages including a Roman emperor's love letters to another man suspicions of sodomy among medieval monks knights and crusaders and the gender bending visions of Christian saints and mystics Also included are discussions of Boswell's career including his influence among gay and lesbian Christians and his role in academic debates between essentialists and social constructionists Elegant and thought provoking this collection provides a fitting twenty fifth anniversary tribute to the incalculable influence of Christianity Social Tolerance and Homosexuality and its author **Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R.

Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology *Origins of Sexuality and*

Homosexuality John Dececco, PhD, Michael Shively, 2014-04-04 This well documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories *Bisexual and*

Homosexual Identities John P. De Cecco, Michael G.
