Meister Eckhart, Teacher and Preacher Meister Eckhart, Bernard McGinn, 1986 Bargains in books are rare today but one would be hard put to find in American publishing anything superior to these in content and format The Parish Visitor Meister Eckhart Teacher and Preacher edited by Bernard McGinn with the collaboration of Frank Tobin and Elvira Borgstadt preface by Kenneth Northcott When this temple is thus free of all obstacles namely possessiveness and ignorance then it sparkles so beautifully and shines so purely and bright above everything that God created and through everything that God

created that no one can be compared to it in brightness but the uncreated God alone If the soul of a man still living in time were standing on the same level as the highest angel this person could reach immeasurable higher in his free capability above the angel in ever now new beyond number that is and beyond manner and above the manner of the angels and any created intellect Meister Eckhart c 1260 1327 Here are the texts that illustrate the diversity of one of the most enigmatic and influential mystics of the Western Christian tradition Eckhart the teacher is represented by the Commentary on Exodus and by selections from six other commentaries including the Commentary on Wisdom 7 14 the Commentary on Ecclesiasticus 24 29 and the Commentary on John 14 8 Eckhart s ministry as a preacher was an equally important part of the man and thus his sermons from both the Latin and the Middle High German manuscripts are included What emerges is a comprehensive picture of the works of this great speculative theologian Together with Meister Eckhart The Essential Sermons Commentaries and Treatises this work form the most extensive corpus of Eckhart s writings in English

inspiring Huston Smith author of *Why Religion Matters* *The World's Religions* etc *The Darkness of God* Denys Turner, 1998-11-05 For the medieval mystical tradition the Christian soul meets God in a cloud of unknowing a divine darkness of ignorance This meeting with God is beyond all knowing and beyond all experiencing Mysticism of the modern period on the contrary place mystical experience at the centre and contemporary readers are inclined to misunderstand the medieval tradition in experientialist terms Denys Turner argues that the distinctiveness and contemporary relevance of medieval mysticism lies precisely in its rejection of mystical experience and locates the mystical firmly within the grasp of the ordinary and the everyday The argument covers some central authorities in the period from Augustine to John of the Cross
