Reflections From God:

Being God's Beloved Adrian D. van Breda, 2014-10-21 Many of us struggle to come to grips with the idea that God loves us. We may know it and believe it in our heads but getting that into our hearts and into our lives is not easy. Sometimes what we have learned about God makes it even harder to really know that we are God's beloved. *Being God's Beloved* will lead you through forty reflections on what it means to be beloved of God combining deep spirituality, thoughtful Bible study and warm pastoral care. The reflections lead you on a journey from before creation through the Old Testament into the life and ministry of Jesus Christ and on to the presence of the Holy Spirit. It tells the great love story of God for the Creation over thousands of years. Providing fresh insights into well known passages making thoughtful use of word studies and inviting us to think creatively about God in relation to the world, this book will immerse you in an awareness of God's love.

Reflections of God's Prophecy Books Julie Ryan, 2025-08-05 *Reflections of God's Prophecy Books* was born out of Julie's practice of reading, reflecting and journaling through the Bible during her daily quiet time with Jesus. These chapter by chapter reflections on the books of Isaiah through Malachi are written in a devotional style intended to enrich personal Bible study. *Reflections of God's Prophecy Books* is an inspiring resource designed to guide you into deeper spiritual growth and intimacy with God. Through simple yet profound reflections, this book will help you develop a consistent rhythm of reflection and prayer. Deepen your understanding of the Bible and its prophetic truths. Align your heart with God's will and purpose. Draw closer to God in your daily walk. Experience true transformation through the power of God's Word. Discover lasting peace rooted in divine truth. Whether you're new to the faith or seeking to reignite your spiritual journey, this book offers encouragement and clarity to help you live in step with God's promises.

Reflections Of God's Work Jerri Broglin, 2017-03-29 The book is a collection of different lessons that people can go through such as going through losses. There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity. There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits. These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others. These lessons that are taught are through different avenues but we all come out with the same positive outcome. We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God. This shows how it's a learning process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through. We learn to be close to others as we go through our unique lessons. We become more positive in God's ways together. God has put us through the lessons that bring out the best in each person. This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes. Otherwise without them we would never have been taught about the greatest gifts ever that comes from God. It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that

God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This will teach us the most as we are searching dearly for our soul's purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn these great lessons
