Current Bibliographies in Medicine ,1988 *Current Catalog* National Library of Medicine (U.S.),1992 First multi year cumulation covers six years 1965 70 **Christian Reflection in Africa** Paul Bowers,2018-07-05 This reference collection presents academic reviews of more than twelve hundred contemporary Africa related publications relevant for informed Christian reflection in and about Africa The collection is based on the review journal BookNotes for Africa a specialist resource dedicated to bringing to notice such publications and furnishing them with a one paragraph description and evaluation Now assembled here for the first time is the entire collection of reviews through the first thirty issues of the journal s history The core intention both of the journal and of this compilation is to encourage and to facilitate informed Christian reflection and engagement in Africa through a thoughtful encounter with the published intellectual life of the continent Reviews have been provided by a team of more than one hundred contributors drawn from throughout Africa and overseas The books and other media selected for review represent a broad cross section of interests and issues of personalities and interpretations including the secular as well as the religious The collection will be of special interest to academic scholars theological educators libraries ministry leaders and specialist researchers in Africa and throughout the world but will also engage any reader looking for a convenient resource relating to modern Africa and Christian presence there **Reflecting on America's First Black President** Ooko John,2012-07 In highlighting the political and economic progress of African Americans while pinpointing the historical success of Barack Obama in the last presidential election the book covers the history of the African peoples in the principal regions of Africa the Caribbean North America and South America In reporting and acutely analyzing the same events of human history spanning over 1500 years it initially delves into the reactions from the political order in the form of the Tea Party Movement following Obama s victory Totalling over 500

pages the book then takes the reader on a trip down memory lane covering events as the slave trade discrimination and colonization that pitted Africans and their diasporic descendants against Europeans and later Americans After covering the critical stages of African Americans economic and political development following the Civil War to present day the book crosses the Atlantic Ocean to cover the major failures of political events after independence on the African continent Two specific chapters in the book analyze the events under feudal Europe that led to the enslavement of Africans while another does the same on the system of capitalism The final four chapters report and analyze Africa s present challenges and possible solutions

Psychotherapy in the Third Millennium - Cross-Cutting Themes and Proposals for Reflection Federico Durbano, Floriana Irtelli, Barbara Marchesi, 2025-04-16 This book explores the complex and diverse issues of psychotherapy with a specific focus on peculiar aspects common to all approaches despite the vast number of therapeutic schools that have emerged over time more than 250 worldwide While each approach can be traced back to a handful of core psychological models such as cognitive psychology psychoanalysis humanism and behaviorism many schools have developed their own unique variations based on individual insights or the need to address specific psychological issues The rise of eclectic approaches further complicates the field often favoring practical convenience over strong theoretical or clinical foundations The book highlights a major issue by presenting chapters that explore various aspects of the psychotherapeutic approach It covers broad cross cutting themes such as psychedelic assisted therapy common relational dynamics in psychotherapy and the influence of clients mental models on treatment outcomes The second section will focus on specific clinical issues eating disorders in Western societies and intervention models applied in complex organizational settings Rather than adopting a rigid verificationist approach to validate theoretical models the book presents diverse practical considerations from professionals in the field encouraging readers to critically evaluate the effectiveness of different therapeutic models
