Reformed Protestant Faith In America:

Protestant Faith in America J. Gordon Melton, 2009 Explains how Protestantism came to America shows how it has shaped American culture society and politics and describes leading Protestant figures also providing a glossary time line and list of further resources

Protestant Faith in America J. Gordon Melton, 2015-04-29 Examines the oldest Christian communion in the United States the Protestant faith

Baptist, Methodist, and Evangelical Faiths in America Julie Ingersoll, 2015-04-29 Examines the impact these faiths have had on the cultural social and political life of the United States

Faith in America Charles H. Lippy, 2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world

History and Characteristics of the Reformed Protestant Dutch Church David D. Demarest, 1856

The International Cyclopædia, 1895

Religion in America Julia Corbett Hemeyer, 2015-07-17 Religion in America gives students and teachers a comprehensive yet concise introduction to the changing religious landscape of the United States Extensively revised and updated the Sixth Edition continues to engage students in reflection about religious diversity The author presents the study of religion within the context of the humanities as a tool for developing understanding and appreciation of communities of faith other than one's own and for understanding the dynamics at work in religion in the United States today
