A Fatal Balancing Act Beate Meyer,2013-09-01 In 1939 all German Jews had to become members of a newly founded Reich Association The Jewish functionaries of this organization were faced with circumstances and events that forced them to walk

a fine line between responsible action and collaboration They had hoped to support mass emigration mitigate the consequences of the anti Jewish measures and take care of the remaining community When the Nazis forbade emigration and started mass deportations in 1941 the functionaries decided to cooperate to prevent the worst In choosing to cooperate they came into direct opposition with the interests of their members who were then deported In June 1943 all unprotected Jews were deported along with their representatives and the so called intermediaries supplied the rest of the community which consisted of Jews living in mixed marriages The study deals with the tasks of these men the fate of the Jews in mixed marriages and what happened to the survivors after the war *Submerged on the Surface* Richard N. Lutjens, Jr.,2019-09-01 Between 1941 and 1945 thousands of German Jews in fear for their lives made the choice to flee their impending deportations and live submerged in the shadows of the Nazi capital Drawing on a wealth of archival evidence and interviews with survivors this book reconstructs the daily lives of Jews who stayed in Berlin during the war years Contrary to the received wisdom that hidden Jews stayed in attics and cellars and had minimal contact with the outside world the author reveals a cohort of remarkable individuals who were constantly on the move and actively fought to ensure their own survival

Gillick,2010-11-23 Once They Had a Country conveys well what it was like to establish a new life in a foreign country over and over again and in constant fear for one s life The book draws from a remarkable set of primary source materials including letters telegrams and police records to relate the story of two teenage refugees during World War II **Resisting the Holocaust** Paul R. Bartrop,2016-06-06 This book enables readers to learn about upstanders partisans and survivors from first hand perspectives that reveal the many forms of resistance some bold and defiant some subtle to the Nazis during the Holocaust What did those who resisted the Nazis during the 1930s through 1945 known now as the Righteous do when confronted with the Holocaust How did those who resorted to physical acts of resistance to fight the Nazis in the ghettos the concentration camps and the forests summon the courage to form underground groups and organize their efforts This book presents a comprehensive examination of more than 150 remarkable people who said no to the Nazis when confronted by the Holocaust of the Jews They range from people who undertook armed resistance to individuals who risked and sometimes lost their lives in trying to rescue Jews or spirit them away to safety In many cases the very act of survival in the face of extreme

circumstances was a form of resistance This important book explores the many facets of resistance to the Holocaust that took place less than 100 years ago providing valuable insights to any reader seeking evidence of how individuals can remain committed to the maintenance of humanitarian traditions in the darkest of times *Heroines of the Holocaust* Lori R. Weintrob, Judith Tydor Baumel-Schwartz, 2024-11-29 This book brings together international scholars to examine and share new approaches in the history of women s rescue and resistance during the Holocaust and the Armenian and Rwandan genocide The activities of women during the Holocaust have often been forgotten erased misunderstood or intentionally distorted Jewish women and those of all faiths fought with dignity compassion and courage to save others from the murderous Nazi regime in many nations Women played essential roles operating educational cultural humanitarian and armed resistance initiatives thereby preserving social customs religious traditions lives and histories in defiance of oppression in the Holocaust and other genocides There remain many untold heroic stories of women challenging the Nazis with pen pistol or sabotage With contributions from a collection of authors some of whom are descendants of resistance leaders the chapters focus on different kinds of activities which are considered as forms of resistance or Amidah strengthening solidarity among themselves creating open but hidden spaces for cultural life promoting religious or political activities acting as leaders in networks of defiance and transferring important information within the camp or to the outer world among others Discussing the efforts to respond with humanity to the inhumanity that these women confronted this volume will open up avenues of inquiry that are critical in the face of rising antisemitism and authoritarian movements that threaten democracy and mutual respect This volume will be of value to scholars and students interested in Second World War History Women s and Gender History Jewish Studies and the history of the Holocaust
