Barth's Christological Ecclesiology Kimlyn J. Bender,2013-10-10 Many of Barth s theological themes such as revelation and election have received numerous scholarly examinations whilst Barth s doctrine of the church has been largely ignored Yet Barth entitled his massive systematic theological opus the Church Dogmatics and the church was a central element of his thought from first to last This book seeks to fill a lacuna in studies of Barth s theology presenting the first comprehensive examination of Karl Barth s doctrine of the church in over three decades Kimlyn J Bender examines Barth s ecclesiological thought from his early theological treatises to his massive unfinished dogmatics in light of his interaction with both Roman Catholicism and Protestant Liberalism A special emphasis is placed upon Barth s mature ecclesiology in the Church Dogmatics

Karl Barth on Prayer Ashley Cocksworth,2015-08-27 Ashley Cocksworth presents Karl Barth as a theologian who not only produces a strong and vibrant theology of prayer but also grounds theology itself in the practice of prayer Prayer and theology are revealed to be integrally related in Barth s understanding of the dogmatic task Cocksworth provides careful analysis of a range of key texts in Barth s thought in which the theme of prayer emerges with particular interest He analyzes Barth s writings on the Sabbath and uncovers an unexpected theology of contemplative prayer the doctrine of creation of the Church Dogmatics and explores its prioritization of petitionary prayer and the ethics of the doctrine of reconciliation in which a turn to invocation is charted and the final resting place of Barth s theology of prayer is found Through the theme of prayer fundamental questions are asked about the relation of human agency to divine agency as conceived by Barth and new insights are offered into his understandings of the nature and task of theology pneumatology sin baptism religion and sanctification The result is a rich engagement with Barth s theology of prayer an advancements of scholarship on Karl Barth and a constructive contribution to the theology of prayer **Speech and Theology** James K.A.

Smith,2005-06-29 God is infinite but language finite thus speech would seem to condemn Him to finitude In speaking of God would the theologian violate divine transcendence by reducing God to immanence or choose rather to remain silent At stake in this argument is a core problem of the conditions of divine revelation How in terms of language and the limitations of human understanding can transcendence ever be made known Does its very appearance not undermine its transcendence its

condition of unknowability Speech and Theology posits that the paradigm for the encounter between the material and the divine or the immanent and transcendent is found in the Incarnation God's voluntary self immersion in the human world as an expression of His love for His creation By this key act of grace hinged upon Christ's condescension to human finitude philosophy acquires the means not simply to speak of perfection which is to speak theologically but to bridge the gap between word and thing in general sense
