Road To Kilimanjaro:

Kilimanjaro Via the Marangu Route Phil Gray, 2006 I needed a break I needed an off the wall dalliance An all boys adventure in a faraway land An adventure far away from telephones and faxes and lawyers An adventure with an abundance of humor serious physical exertion and danger nominally short of life threatening After a little research and a few phone calls I decided that a climb to the summit of Mount Kilimanjaro in Tanzania with four friends via the Tourist Route would fit the bill In this book the author tell the story of the climb four days up and two days down with a humorous yet sensitive slant describing the perils of altitude the vicissitudes of Mother Nature the enjoyment of multi generational and multi ethnic collaboration the travails of disappointment and the exhilaration of success And where it suits his fancy and does no harm to accuracy he embellishes an observation or encounter to illuminate the pure joy of the experience After all it was about good fun and the telling of it should be too
