Russian Democracys Fatal Blunder:

Russian Democracy's Fatal Blunder Louise E. Heenan, 1987-11-13 For one brief period Russia had a democratic government lasting only eight months from February to October 1917 The fatal blunder of this democracy was to force its war weary troops into the summer offensive of 1917 In this comprehensive study Heenan demonstrates how the summer offensive created the right climate for the Bolshevik victory This well written well documented book sheds light on a key episode in the Russian Revolution Students of Russian history East European politics revolution or military affairs will welcome this important book 1917 David Stevenson, 2017-10-06 1917 was a year of calamitous events and one of pivotal importance in the development of the First World War In 1917 War Peace and Revolution leading historian of World War One David Stevenson examines this crucial year in context and illuminates the century that followed He shows how in this one year the war was transformed but also what drove the conflict onwards and how it continued to escalate Two developments in particular the Russian Revolution and American intervention had worldwide repercussions Offering a close examination of the key decisions David Stevenson considers Germany's campaign of unrestricted submarine warfare America's declaration of war in response and Britain's frustration of German strategy by adopting the convoy system as well as why paradoxically the military and political stalemate in Europe persisted Focusing on the abdication of Tsar Nicholas II on the disastrous spring offensive that plunged the French army into mutiny on the summer attacks that undermined the moderate Provisional Government in Russia and exposed Italy to national humiliation at Caporetto and on the British decision for the ill fated Third Battle of Ypres Passchendaele 1917 offers a truly international understanding of events The failed attempts to end the war by negotiation further clarify the underlying forces that kept it going David Stevenson also analyses the global consequences of the year's developments showing how countries such as Brazil and China joined the belligerents Britain offered responsible government to India and the Allies promised a Jewish national home in Palestine Blending political and military history and moving from capital to capital and between the cabinet chamber and the battle front the book highlights the often tumultuous debates through which leaders entered and escalated the war and the paradox that continued fighting could be justified as the shortest road towards regaining peace The Russian Army in the Great War David R. Stone, 2021-09-07 A full century later our picture of World War I remains one of wholesale pointless slaughter in the trenches of the Western front Expanding our focus to the Eastern front as David R Stone does in this masterly work fundamentally alters and clarifies that picture A thorough and thoroughly readable history of the Russian front during the First World War this book corrects widespread misperceptions of the Russian Army and the war in the east even as it deepens and extends our understanding of the broader conflict Of the four empires at war by the end of 1914 the Austro Hungarian Ottoman German and Russian none survived But specific political social and economic weaknesses shaped the way Russia collapsed and returned as a radically new Soviet regime It is this context that Stone's work provides that gives readers a more judicious view of Russia's war on

the home front as well as on the front lines One key and fateful difference in the Russian experience emerges here its failure to systematically and comprehensively reorganize its society for war while the three westernmost powers embarked on programs of total mobilization Context is also vital to understanding the particular rhythm of the war in the east Drawing on recent and newly available scholarship in Russian and in English Stone offers a nuanced account of Russia s military operations concentrating on the uninterrupted sequence of campaigns in the first 18 months of war The eastern empires race to collapse underlines the critical importance of contingency in the complete story of World War I Precisely when and how Russia lost the war was influenced by the structural strengths and weaknesses of its social and economic system but also by the outcome of events on the battlefield By bringing these events into focus and putting them into context this book corrects and enriches our picture of World War I and of the true strengths and weaknesses triumphs and successes of the Russian Army in the Great War

A Companion to the Russian Revolution Daniel Orlovsky,2020-08-21 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon

The Cossack Struggle Against Communism, 1917-1945 Brent Muegggenberg,2020-01-17 The downfall of tsarism in 1917 left the peoples of Russia facing an uncertain future Nowhere were those anxieties felt more than among the Cossacks The steppe horsemen had famously guarded the empire s frontiers stampeded demonstrators in its cities suppressed peasant revolts in the countryside and served as bodyguards to its rulers Their way of life intricately bound to the old order seemed imperiled by the revolution and especially by the Bolshevik

seizure of power Many Cossacks took up arms against the Soviet regime providing the anticommunist cause with some of its best warriors as well as its most notorious bandits This book chronicles their decades long campaign against the Bolsheviks from the tumultuous days of the Russian Civil War through the doldrums of foreign exile and finally to their fateful collaboration with the Third Reich The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture Jay Bergman, 2019 The Bolsheviks sought legitimacy and inspiration in historic revolutionary traditions and Jay Bergman argues that they saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked including guidance in constructing socialism and communism and useful fodder for political and personal polemics

Historical Dictionary of Russian and Soviet Foreign Policy Norman E. Saul, 2014-12-16 The conduct of the foreign relations of the Russian state in its several contexts Kiev Rus Muscovy Russian Empire Provisional Government Union of Soviet Socialist Republics and Russian Federation were unique in its common currents from the beginning to the present Geography was certainly a key factor located in the center of the world's largest land mass and surrounded by often hostile forces All of the Russias had to confront the problems of open frontiers and the conduct of relations with a number of adjacent states of different ethnicity and with many that were more distant No other nation states had to face such complex and divergent circumstances over their histories Most other Great Powers were neighbors of similar states in culture and historical background whereas Russia had to deal with Asian as well as European countries The Historical Dictionary of Russian and Soviet Foreign Policy covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important individuals events and other aspects of the foreign policy of this important country This book is an excellent access point for students researchers and anyone wanting to know more about Russian foreign policy

The Czecho-Slovak Struggle for Independence, 1914-1920 Brent Muegggenberg, 2014-09-06 The calamity of World War I spawned dozens of liberation movements among ethnic and religious groups throughout the world None was more successful in realizing the goal of self determination than the Czechs and Slovaks From its humble beginning the Czecho Slovak liberation movement grew into an impressive struggle that was waged from the capitals of Western Europe to the frozen steppes of Siberia Its ranks included exiled propagandists war prisoners turned legionaries and conspirators inside Austria Hungary This book shows how these groups overcame their estrangements and coordinated their efforts to win independence for their homeland It also examines the consequences of the Czecho Slovaks achievements including their entanglement in the Russian Civil War and their impact on the postwar settlements that redrew the political boundaries of Central Europe

They Fought for the Motherland Laurie S. Stoff, 2006-11-15 Women have participated in war throughout history but their experience in Russia during the First World War was truly exceptional Between the war's beginning and the October Revolution of 1917 approximately 6 000 women answered their country's call as the army was faced with insubordination and desertion in the ranks while the provisional

government prepared for a new offensive These courageous women became media stars throughout Europe and America but were brushed aside by Soviet chroniclers and until now have been largely neglected by history Laurie Stoff draws on deep archival research into previously unplumbed material including many first person accounts to examine the roots motivations and legacy of these women She reveals that Russia was the only nation in World War I that systematically employed women in the military marking the first time that a government run by men had organized women for combat And although they were originally envisioned as propaganda promoting patriotism and citizenship to inspire the thousands of males who had been deserting or refusing to fight Russian women also proved themselves more than capable in combat Describing the formation provisioning and training of the units Stoff sheds light on their social and educational backgrounds while recounting a number of amazing individual stories She tells how Maria Bochkareva commander of the First Russian Women s Battalion of Death and her unit met its baptism of fire in combat and how Bochkareva later traveled to the U S and met President Wilson Within these pages we also meet Maria Bocharnikova who served with the First Petrograd Women s Battalion that defended the Winter Palace during the Bolshevik Revolution and whose detailed account of her experience dispels much of the misinformation concerning that storied event Stoff also chronicles the exploits of the Second Moscow Women s Battalion of Death Third Kuban Women s Shock Battalion and the First Women s Naval Detachment all within the context of Russian society the Revolution and the war itself Enhancing and informing this presentation are more than two dozen historic photos Stoff s remarkable account rescues from oblivion an important but still little known aspect of Russia s experience in World War I It also provides new insights into gender roles during a pivotal period of Russia s development and more broadly speaking resonates with the current debates over the role of women in warfare

Scripting Revolution

Keith Michael Baker, Dan Edelstein, 2015-10-07 The Arab Spring was heralded and publicly embraced by foreign leaders of many countries that define themselves by their own historic revolutions The contributors to this volume examine the legitimacy of these comparisons by exploring whether or not all modern revolutions follow a pattern or script Traditionally historians have studied revolutions as distinct and separate events Drawing on close familiarity with many different cultures languages and historical transitions this anthology presents the first cohesive historical approach to the comparative study of revolutions This volume argues that the American and French Revolutions provided the genesis of the revolutionary script that was rewritten by Marx which was revised by Lenin and the Bolshevik Revolution which was revised again by Mao and the Chinese Communist Revolution Later revolutions in Cuba and Iran improvised further This script is once again on display in the capitals of the Middle East and North Africa and it will serve as the model for future revolutionary movements

The Splintered Empires Prit Buttar, 2017-09-21 At the beginning of 1917 the three empires fighting on the Eastern Front were reaching their breaking points but none was closer than Russia After the February Revolution Russia s ability to wage war faltered and her last desperate gamble the Kerensky Offensive saw the final collapse of her army This helped trigger the

Bolshevik Revolution and a crippling peace but the Central Powers had no opportunity to exploit their gains and a year later both the German and Austro Hungarian empires surrendered and disintegrated Concluding his acclaimed series on the Eastern Front in World War I Prit Buttar comprehensively details not only these climactic events but also the successor wars that raged long after the armistice of 1918 New states rose from the ashes of empire and war raged as German forces sought to keep them under the aegis of the Fatherland These unresolved tensions between the former Great Powers and the new states would ultimately lead to the rise of Hitler and a new terrible world war only two decades later

The Great War Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States

The Military History of Tsarist Russia F. Kagan, R. Higham, 2016-04-30 The Military History of Tsarist Russia examines Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The volume covers Russia s land forces extensively but also covers the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine that are frequently neglected in general writings The historical analysis addresses the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics Questions of military organization doctrine and technique are paramount as well as the critical question of the interface between the armed forces and society

Stalin Stephen Kotkin, 2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin s psychological makeup showing us instead how Stalin s near paranoia was fundamentally political and closely tracks the Bolshevik revolution s structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin s momentous decisions outside of the context of the history of imperial Russia

The Dream that Failed Walter Laqueur, 1996-02-15 Walter Laqueur as been hailed as one of our most distinguished scholars of modern European history in the New York Times Book Review Robert Byrnes writing in the Journal of Modern History called him one of the most remarkable men in the Western world working in the field Over a span of three decades in books ranging from Russia and Germany to the recent Black Hundred he has won a reputation as a major writer and a provocative thinker Now

he turns his attention to the greatest enigma of our time the rise and fall of the Soviet Union In *The Dream that Failed* Laqueur offers an authoritative assessment of the Soviet era from the triumph of Lenin to the fall of Gorbachev In the last three years decades of conventional wisdom about the U S S R have been swept away while a flood of evidence from Russian archives demands new thinking about old assumptions Laqueur rises to the challenge with a critical inquiry conducted on a grand scale He shows why the Bolsheviks won the struggle for power in 1917 how they captured the commitment of a young generation of Russians why the idealism faded as Soviet power grew how the system ultimately collapsed and why Western experts have been so wrong about the Communist state Always thoughtful and incisive Laqueur reflects on the early enthusiasm of foreign observers and Bolshevik revolutionaries then takes a piercing look at the totalitarian nature of the Soviet Union We see how Communist society stagnated during the 1960s and 70s as the economy wobbled to the brink we also see how Western observers from academic experts to CIA analysts made wildly optimistic estimates of Moscow s economic and political strength Just weeks before the U S S R disappeared from the earth scholars were confidently predicting the survival of the Soviet Union But in underscoring the rot and repression he also notes that the Communist state did not necessarily have to fall when it did and he examines the many factors behind the collapse the pressure from Reagan s Star Wars arms program for instance and ethnic nationalism Some of these same problems he finds continue to shape the future of Russia and the other successor states Only now in the rubble of this lost empire are we coming to grips with just how wrong our assumptions about the U S S R had been In *The Dream That Failed* an internationally renowned historian provides a new understanding of the Soviet experience from the rise of Communism to its sudden fall The result of years of research and reflection it sheds fresh light on a central episode in our turbulent century

Lenin's Revolution David R. Marples, 2014-06-06 This study examines one of the key events in history the Russian Revolution Since the late Gorbachev period a wealth of new material has become available to historians that has triggered intense scholarly debate on the nature of revolution This timely new book takes account of the new scholarship including for example the role of Lenin It is argued that the initial flexibility of Lenin and the Bolshevik party allowed them to take power but that the conduct of both changed considerably once they were obliged to take steps to maintain their authority This book charts the February Revolution the October Revolution the Civil War and the main individuals involved giving a remarkable degree of clarity to the tumultuous events in Russia whose consequences the world lived with for the rest of the twentieth century

Researching World War I Robin Higham, Dennis Showalter, 2003-12-30 World War I was the greatest cataclysm Europe had ever known directly involving 61 million troops from 16 nations Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature The struggle mobilized manpower from home troops from the colonies abroad and in most countries

women as well as men Governments increasingly intervened in everyday life New weapons and organizational structures were developed Yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized Written by highly respected authorities this book discusses the literature on all aspects of the war Dennis Showalter's opening chapter covers the controversial issue of the war's origins a complex subject that has been much debated by historians Ensuing chapters consider the literature on each of the participating countries The broader subjects of the war at sea and the war in the air are also covered Daniel Beaver's final chapter discusses the mobilization of industry and the new military technology This book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of World War I literature Historical Dictionary of United States-Russian/Soviet Relations Norman E. Saul, 2008-11-18 For more than 200 years the United States and Russia have shared a multi faceted relationship Because of the rise of power the two countries enjoyed in the late 19th and through the 20th century Russian American relations have dominated much of recent world history Prior to World War II the two countries had relatively friendly contacts in culture commerce and diplomacy however as they contested for supremacy during the Cold War relations turned hostile and competitive With the apparent end of the Cold War with the collapse of the Soviet Union and of communism in 1991 the relationship continues to evolve and the future looks uncertain but promising The Historical Dictionary of United States Russian Soviet Relations identifies the key issues individuals and events in the history of U S Russian Soviet relations and places them in the context of the complex and dynamic regional strategic political and economic processes that have fashioned the American relationship with Russia This is done through a chronology a bibliography an introductory essay and several hundred cross referenced dictionary entries on key persons places events institutions and organizations **Arms and the People** Mike Gonzalez, Hooman Barekat, 2012-12-10 This collection examines the relationship between mass movements and the military Some argue that it is impossible to achieve and protect a revolution without the support of the army but how can the support of the army be won Arms and the People explores the impact of social extremes on the solidarity within the state's military and on the changing loyalties of these soldiers The authors examine a series of historical moments in which a crisis in the military has reflected deep instability in the wider world including Russia in 1917 Egypt during the Arab Spring the Paris Commune as well as long standing instability in Venezuela and Indonesia amongst many others Including a range of international authors who have either studied or been directly involved in such social upheavals Arms and the People is a pioneering contribution to the study of revolutionary change *Defenders of the Motherland* Matthew Rendle, 2010 Matthew Rendle studies how the most powerful social groups in tsarist Russia reacted to the challenges of 1917 He argues that the alienation of elites from the tsar and their support for the Provisional Government secured the initial success of the revolution but the threat they posed laid the foundations of the repressive Soviet regime

Unveiling the Power of Verbal Art: An Psychological Sojourn through **Russian Democracys Fatal Blunder**

In a global inundated with displays and the cacophony of quick connection, the profound power and psychological resonance of verbal beauty usually diminish into obscurity, eclipsed by the regular onslaught of sound and distractions. However, nestled within the musical pages of **Russian Democracys Fatal Blunder**, a charming work of fictional beauty that impulses with raw thoughts, lies an memorable journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, that mesmerizing opus instructions visitors on a mental odyssey, lightly revealing the latent possible and profound influence embedded within the complicated internet of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is key styles, dissect their charming publishing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Russian Democracys Fatal Blunder Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Democracys Fatal Blunder free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Democracys Fatal Blunder free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Democracys Fatal Blunder free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Democracys Fatal Blunder. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Democracys Fatal Blunder any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Democracys Fatal Blunder Books

What is a Russian Democracys Fatal Blunder PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Democracys Fatal Blunder PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Democracys Fatal Blunder PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Democracys Fatal Blunder PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Democracys Fatal Blunder PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online

tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
