Russian Politics Under Putin

Jackie Gower, Graham Timmins

Russian Politics Under Putin:

Russian Politics Under Putin Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

Russian Politics Under Putin Cameron Ross, In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

Russian Regional Politics under Putin and Medvedev Cameron Ross, 2014-06-03 Many authors have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition still far from completed that is of no less importance the need to reconfigure central regional relations and to create a stable and viable form of federalism There are vast economic demographic and political variations across the Russian federation Therefore an understanding of regions and the causes and consequences of cross regional diversity is a vitally important dimension of Russian politics that should not be overlooked It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia's protracted transition This edited volume examines regional politics and centre regional relations over the period 2000-2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin All eight chapters have been written by leading experts in the field of Russian politics In addition to chapters on regional elections parties regional governors and local politics there are three chapters devoted to the important developments which are currently taking place in the Caucasus This book was published as a special issue of Europe Asia Studies

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing

arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic krizis and Russia s place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

Russian Regional Politics under Putin and Medvedev Cameron Ross,2014-06-03 Many authors have alluded to the unique nature of Russia s dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition still far from completed that is of no less importance the need to reconfigure central regional relations and to create a stable and viable form of federalism There are vast economic demographic and political variations across the Russian federation Therefore an understanding of regions and the causes and consequences of cross regional diversity is a vitally important dimension of Russian politics that should not be overlooked It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia s protracted transition This edited volume examines regional politics and centre regional relations over the period 2000 2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin All eight chapters have been written by leading experts in the field of Russian politics In addition to chapters on regional elections parties regional governors and local politics there are three chapters devoted to the important developments which are currently taking place in the Caucasus This book was published as a special issue of Europe Asia Studies

Russia Under Putin Andrew Natsios,2025-07-08 This book fills a gap in the public s understanding of Putin s Russia by answering the question Is Russia under Putin a revisionist power that seeks to undermine or destroy the existing international order or is it a fragile state with profound dysfunctions The essays in this book argue that Russia is both These essays took a more ominous view of Russia under Putin s leadership at the time they were published a position criticized by some scholars and analysts who saw Putin as a pragmatist

Russia's Security Policy under Putin Aglaya Snetkov,2014-11-27 This book examines the evolution of Russia s security policy under Putin in the 21st century using a critical security studies approach Drawing on critical approaches to security the book investigates the interrelationship between the internal external nexus and the politics of in security and regime building in Putin s Russia In so doing it evaluates the way that this evolving relationship between state identities and security discourses framed the construction of individual security policies and how in turn individual issues can impact on the meta discourses of state and security agendas To this end the de securitisation discourses and practices towards the issue of Chechnya are examined as a case study In so doing this study has wider implications for how we read Russia as a security actor through an approach that emphasises the importance of taking into account its security culture the interconnection between internal external security priorities and the dramatic changes that have taken place in Russia s conceptions of itself national and security priorities and conceptualisation of key security issues in this case Chechnya These

aspects of Russia's security agenda remain somewhat of a neglected area of research but as argued in this book offer structuring and framing implications for how we understand Russia's position towards security issues and perhaps those of rising powers more broadly This book will be of much interest to students of Russian security critical security studies and IR

Putin v. the People Samuel A. Greene, Graeme B. Robertson, 2019-06-11 A fascinating bottom up exploration of contemporary Russian politics that sheds new light on why Putin's grip on power is more fragile than we think What do ordinary Russians think of Putin Who are his supporters And why might their support now be faltering Alive with the voices and experiences of ordinary Russians and elites alike Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics Telling the story of Putin's rule through pivotal episodes such as the aftermath of the For Fair Elections protests the annexation of Crimea and the War in Eastern Ukraine Greene and Robertson draw on interviews surveys social media data and leaked documents to reveal how hard Putin has to work to maintain broad popular support while exposing the changing tactics that the Kremlin has used to bolster his popularity Unearthing the ambitions emotions and divisions that fuel Russian politics this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears

Russia Resurrected Kathryn E. Stoner, 2020-09-01 An assessment of Russia that suggests that we should look beyond traditional means of power to understand its strength and capacity to disrupt international politics Too often we are told that Russia plays a weak hand well But perhaps the nation's cards are better than we know Russia ranks significantly behind the US and China by traditional measures of power GDP population size and health and military might Yet 25 years removed from its mid 1990s nadir following the collapse of the USSR Russia has become a supremely disruptive force in world politics Kathryn E Stoner assesses the resurrection of Russia and argues that we should look beyond traditional means of power to assess its strength in global affairs Taking into account how Russian domestic politics under Vladimir Putin influence its foreign policy Stoner explains how Russia has battled its way back to international prominence From Russia's seizure of the Crimea from Ukraine to its military support for the Assad regime in Syria the country has reasserted itself as a major global power Stoner examines these developments and more in tackling the big questions about Russia's turnaround and global future Stoner marshals data on Russia's political economic and social development and uncovers key insights from its domestic politics Russian people are wealthier than the Chinese debt is low and fiscal policy is good despite sanctions and the volatile global economy Vladimir Putin's autocratic regime faces virtually no organized domestic opposition Yet mindful of maintaining control at home Russia under Putin also uses its varied power capacities to extend its influence abroad While we often underestimate Russia's global influence the consequences are evident in the disruption of politics in the US Syria and Venezuela to name a few Russia Resurrected is an eye opening reassessment of the country identifying the actual sources of its power in international politics and why it has been able to redefine the post Cold War global order

Not by Bread Alone Robert Nalbandov, 2016-01-01 Since its

independence in 1991 Russia has struggled with the growing pains of defining its role in international politics After Vladimir Putin ascended to power in 2000 the country undertook grandiose foreign policy projects in an attempt to delineate its place among the world's superpowers With this in mind Robert Nalbandov examines the milestones of Russia's international relations since the turn of the twenty first century He focuses on the specific goals engagement practices and tools used by Putin's administration to promote Russia's vital national and strategic interests in specific geographic locations His findings illuminate Putin's foreign policy objective of reinstituting Russian global strategic dominance Nalbandov argues that identity based politics have dominated Putin's tenure and that Russia's east west split is reflected in Asian European politics Nalbandov's analysis shows that unchecked domestic power an almost exclusive application of hard power and determined ambition for unabridged global influence and a defined place as a world superpower are the keys to Putin's Russia

Federalism and Local Politics in Russia Cameron Ross, Adrian Campbell, 2008-10-27 This book examines federalism and regional and local politics in Russia Many commentators have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition under way in Russia that is of no less importance the need to reconfigure central local relations and to create a stable and viable form of federalism Federal states are much more difficult to set up than unitary ones and forging a new federal system at the same time as privatising the economy and trying to radically overhaul the political system has clearly made Russia's transition triply difficult The book discusses how Vladimir Putin has re-asserted the power of the centre in Russia and tightened the federal government's control of the regions It shows how contrary to his rhetoric about developing Russia as a free and democratic state authoritarianism has been extended through his reorganisation of the Federation Council his usurpation of powers to dismiss regional assemblies and chief executives and his creation of seven unelected super governors The book explores a wide range of issues related to these developments including a comparative study of Russian federalism and local politics ethnic federalism the merging of federal units regional governors electoral and party reforms and regional and local politics It also includes case studies of local and regional politics in specific regions

Developments in Russian Politics 6 Stephen White, Zvi Y. Gitelman, Richard Sakwa, 2005 Taking as its starting point the elections of 2000 and 2004 this edition brings together a tightly edited set of specially commissioned chapters by leading experts to provide a broad ranging assessment of Russian politics under Putin

Failure. Russia Under Putin Harley D. Balzer, Steven A. Fisher, 2025-07-10 Examines the significant failures Russia has faced under Vladimir Putin's leadership and presents an important counterpoint to a broad range of studies emphasizing Russia's resurrection status as a persistent power or successful military reform Despite Putin's claims of restoring Russia's rightful place in the world reviving the economic and industrial capacity destroyed in the 1990s and improving living standards data show that the gains from the oil price bonanza of 2000-2008 have long since vanished The success Putin has achieved in centralizing power and repressing opposition now prevents any

effective changes to address Russia's long term decline. Failures include the inability to diversify the economy, reduce corruption, reverse demographic and educational decline, alleviate poverty or address social inequalities. This edited volume examines how Putin's policy choices have led to Russia's inexorable decline on the global stage. Depicting Russia's inability under Vladimir Putin's rule to improve critical spheres of its national life aggravated by military belligerence and adventurism abroad, chapters detail how Putin's policies have severely limited Russia's development and institutional stability, leaving the country without a clear leadership transition mechanism or capacity to abandon flawed policies.

Leading Russia: Putin in Perspective Alex Pravda, 2005-05-26. Leaders and leadership continue to dominate Russia's political development. Like his predecessors in the Kremlin, Vladimir Putin has made a crucial impact on the substance and style of Russian politics. His efforts to use traditional tools of state power to manage democracy and market capitalism have had mixed effects on both. Leading Russia investigates the ambiguities and contradictions of Putin's rule from four perspectives. The volume first considers his leadership in the context of Russia's convulsive historical cycle of revolutionary transformation, breakdown, consolidation, and stagnation. The study then analyses how normative and institutional components of democracy have fared under Putin's regime of stronger executive control. It proceeds to examine the strengths and weaknesses of presidential power vis-à-vis bureaucratic, regional, and corporate groups. The volume concludes with two assessments of the strategic direction in which Putin is taking Russia. They explore the tensions between bureaucratic authoritarian trends and Putin's apparent commitment to electoral democracy, market capitalism, and alignment with the West. The book helps to deepen our understanding of the cultural and institutional factors shaping Putin's leadership approach and policy priorities. More widely, it sheds light on the complexity of the relationship between post-communist leadership, democracy, and economic modernization.

Politics under the Influence Anna L. Bailey, 2018-09-15. You know just how serious a problem alcoholism has become for our country. Frankly speaking, it has taken on the proportions of a national disaster. So spoke Russian President Dmitry Medvedev in 2009 as the government launched its latest anti-alcohol campaign. Challenging the standard narrative of top-down implementation of policy, Anna Bailey's *Politics under the Influence* breaks new ground in the analysis of Russian alcoholism and the politics of the Putin regime. The state is supposed to make policy in the national interest to preserve the nation's health against the ravages inflicted by widespread alcohol abuse. In fact, Bailey shows the Russian state is deeply divided and policy is commonly a result of the competitive interactions of stakeholders with vested interests. *Politics under the Influence* turns a spotlight on the powerful vodka industry whose ties to Putin's political elite have grown in influence since 2009. She details how that lobby has used the anti-alcohol campaign as a way to reduce the competitiveness of its main rival, the multinational beer industry. Drawing on a wide range of sources including fieldwork interviews, government documents, media articles, and opinion polls, Bailey reveals the many ambivalences, informal practices, and paradoxes in contemporary Russian politics. *Politics under the Influence* exhibits the kleptocratic nature of the Putin regime as a result

analysis of vested interests and informal sources of power is essential to understanding public policy in contemporary Russia. This book will be an invaluable resource for anyone working on policy and corruption in Putin's Russia. **Russian Politics and Presidential Power** Donald R. Kelley, 2016-10-05. Russian Politics and Presidential Power takes an in-depth look at the Russian presidency and uses it as a key to understanding Russian politics. Donald R. Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers. Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place. And by setting the presidency within a longer historical context, Kelley shows how the future of the presidency is dependent on other features of the political system. **Russia and Europe in the Twenty-First Century** Jackie Gower, Graham Timmins, 2009-02-01. There has never been a more important time to understand Russia's relationship with Europe and it is the subsequent sense of unease both in Russia and Europe which provides the focus for this investigation and which will make it of use to specialist and general readers alike. **The Quest for an Ideal Youth in Putin's Russia I** Ivo Mijnsen, 2014-04-15. This book analyzes the dubious role of the Democratic Antifascist Youth Movement Nashi in contemporary Russia. Part of the Putinist project of political stabilization, Nashi mobilizes young Russians through its emotional appeal, skillful use of symbolic politics and promise of professional self-realization. **Media Politics in China** Maria Repnikova, 2017-06-15. Maria Repnikova offers an innovative analysis of the media oversight role in China by examining how a volatile partnership is sustained between critical journalists and the state. **Understanding Russian Strategic Behavior** Graeme P. Herd, 2022-01-27. This book examines the extent to which Russia's strategic behavior is the product of its imperial strategic culture and Putin's own operational code. The work argues that by conflating personalistic regime survival with national security, Putin ensures that contemporary Russian national interest as expressed through strategic behavior is the synthesis of a peculiar troika: a long-standing imperial strategic culture rooted in a partially imagined past, the operational code of a counter-intelligence president and decision-making elite, and the realities of Russia as a hybrid state. The book first examines the role of structure and agency in shaping contemporary Russian strategic behavior. It then provides a conceptual understanding of strategic culture and applies this to Tsarist and Soviet historical developments. The book's analysis of the operational code, however, demonstrates that Putinism is more than the sum of the past. At the end, the book assesses Putin's statecraft and stress tests our assumptions about the exercise of contemporary power in Russia and the structure of Putin's agency. This book will be of interest to students of Russian politics and foreign policy, strategic studies and international relations.

Russian Politics Under Putin Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Russian Politics Under Putin**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Russian Politics Under Putin Introduction

In today's digital age, the availability of Russian Politics Under Putin books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Politics Under Putin books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Politics Under Putin books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Politics Under Putin versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Politics Under Putin books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Politics Under Putin books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Politics Under Putin books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Politics Under Putin books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Politics Under Putin books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Politics Under Putin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Politics Under Putin is one of the best book in our library for free trial. We provide copy of Russian Politics Under Putin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Politics Under Putin. Where to download Russian Politics Under Putin online for free? Are you looking for Russian Politics Under Putin PDF? This is definitely going to save you time and cash in something you should think about.
