Barbara Jelavich

Russias Balkan Entanglements 1806 1914:

Russia's Balkan Entanglements, 1806-1914 Barbara Jelavich, 2004-03-11 This book examines the reason for the Russian involvement in the Balkan peninsula

Russia's Balkan Entanglements, 1806-1914 Barbara Jelavich, 1991 In the century between 1806 and 1914 tsarist Russia was drawn into five wars due to its deep involvement based on treaty rights and established traditions in Balkan affairs This book examines the reason for the Russian involvement in the Balkan peninsula and attempts to explain at least partially the connection that drew the Russian government into entanglements that were not only dangerous to its great power interests but that were difficult to control The wars waged at a high human and economic cost limited the resources that could be spent on internal development and in particular when they ended in defeat led to domestic unrest and after 1856 and 1917 to drastic internal change

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

Russia and the Making of Modern Greek Identity, 1821-1844 Lucien J. Frary, 2015 Explores how Russian politics and religion were instrumental in the shaping of modern Greece providing a broad understanding of nineteenth century Russian foreign policy and religious enterprise and the relationship between religion nationalism and state building

Russia's International Relations in the Twentieth Century Alastair Kocho-Williams, 2013 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia's post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia's International Relations in the Twentieth Century provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia's position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy

The Eastern Question in 1870s Britain Leslie Rognie

Schumacher,2023-09-30 This book examines mid Victorian discourse on the expansion of the British Empire s role in the Middle East It investigates how British political leaders journalists and the general public responded to events in the Ottoman Empire which many if not most people in Britain came to see as trudging towards inevitable chaos and destruction Although this Eastern Question on a post Ottoman future was ostensibly a matter of international politics and sometimes conflict this study argues that the ideas underpinning it were conceived shaped and enforced according to domestic British attitudes In this way this book presents the Eastern Question as as much a British question as one related in any way to the Ottoman Empire Particularly in the crucial decade of the 1870s debates in Victorian society on the Eastern Question served as proxies for other pressing issues of the day including electoral reform changing religious attitudes public education and the costs of maintaining Britain s empire This book offers new perspectives on the Eastern Question s relationship to these trends in Victorian society culture and politics highlighting its significance in understanding Britain s imperial programme more widely in the second half of the nineteenth century

A Concise History of Russia Paul Bushkovitch,2011-12-05 Accessible to students tourists and general readers alike this book provides a broad overview of Russian history since the ninth century Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991 Since then new material has come to light on the history of the Soviet era providing new conceptions of Russia s pre revolutionary past The book traces not only the political history of Russia but also developments in its literature art and science Bushkovitch describes well known cultural figures such as Chekhov Tolstoy and Mendeleev in their institutional and historical contexts Though the 1917 revolution the resulting Soviet system and the Cold War were a crucial part of Russian and world history Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power

War in the Balkans James Pettifer,Tom Buchanan,2015-11-20 The history of the Balkans incorporates all the major historical themes of the 20th Century the rise of nationalism communism and fascism state sponsored genocide and urban warfare Focusing on the centuries opening decades War in the Balkans seeks to shed new light on the Balkan Wars through approaching each regional and ethnic conflict as a separate actor before placing them in a wider context Although top down Great Powers historiography is often used to describe the beginnings of the World War I not enough attention has been paid to the events in the region in the years preceding the Archduke Ferdinand s assassination The Balkan Wars saw the defeat of the Ottoman Empire the end of the Bulgarian Kingdom then one of the most powerful military countries in the region an unprecedented hardening of Serbian nationalism the swallowing up of Slovenes Croats and Slovaks in a larger Balkan entity and thus set in place the pattern of border realignments which would become familiar for much of the twentieth century

How Russia Lost Bulgaria, 1878-1886 Mikhail S. Rekun,2018-11-23 How Russia Lost Bulgaria looks at the rapid breakdown in Russo Bulgarian relations in the years following the Russian liberation of Bulgaria in the Russo Turkish War of 1877 1878 Initially the Russian Empire and the Principality of Bulgaria were close allies bound together by

sentiment by geopolitical reality and by strong administrative links the Bulgarian Minister of War was a Russian general on detached duty from the Imperial Army to pick just one example Yet by 1886 only eight years later relations degenerated to such a point that a Russian backed coup overthrew the Bulgarian monarch The two countries would cut diplomatic relations for years How Russia Lost Bulgaria argues that the behavior of Russian military and diplomatic agents in Bulgaria caused this rapid turnabout These agents acted in a tactless obnoxious fashion that offended the pride and sensibilities of both local Bulgarian politicians and of the German born Russian appointed Prince Alexander von Battenberg Having a Russian Consul General refer to the leader of Bulgaria s majority party as an unwashed uncombed country bumpkin did not improve relations certainly But to write off Russia s agents in Bulgaria as bunglers and imbeciles is neither accurate nor intellectually satisfying Underlying their actions is the fact that the Russian Ministry of Foreign Affairs was a weak and disorganized institution and it failed to either develop a coherent policy approach to relations with Bulgaria or to force its agents to carry out an approach once it was developed Left to their own devices Russian agents in Bulgaria fell back on their own ideas of how to advance the Russian Empire s position and in so doing they drove Russia s relationship with a vital client state straight into the ground

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

The Balkan Wars Andre Gerolymatos, 2008-08-05 When it comes to the Balkans most people quickly become lost in the quagmire of struggle and intractable hatred that consumes that ancient land today Many assume that the genesis of the past ten years of atrocity in the region might have had something to do with Tito and his repressive Yugoslav regime or perhaps with the assassination of Franz Ferdinand in 1914 The seeds were really planted much much earlier on a desolate plain in Kosovo in 1389 when the Serbian Prince Lazar and his army clashed with and were defeated by the Ottoman forces of Sultan Murad I In this riveting new history of the Balkan peoples Andr erolymatos explores how ancient events engendered cultural myths that evolved over time gaining psychic strength in the collective consciousnesses of Orthodox Christians and Muslims alike In colorful detail we meet the key figures that instigated and perpetuated these myths including the assassin heroes Milos Obolic and Gavrilo Princip and the warlord Ali Pasha This lively survey of centuries of strife finally puts the modern conflicts in Bosnia and Kosovo into historical context and provides a long overdue account of the origins of ethnic hatred and warmongering in this turbulent land

The Longman Companion to European Nationalism 1789-1920 Raymond Pearson, 2014-09-25 A highly topical analysis of European Nationalism from the French Revolution through to the aftermath of the First World War when the nationalist issues and problems that dominate the political landscape of our own time were already fully established Covering an enormous range of peoples from the Icelanders to the Gypsies from Brittany to Wallachia the book presents a wealth of historical geopolitical information unavailable elsewhere Essential as a reference work it also provides a unique opportunity to survey systematically a crucial but fragmented subject in its full European

context For historians political scientists departments of European studies and general readers *Mary, Countess of Derby, and the Politics of Victorian Britain* Jennifer Davey, 2019-06-06 Lady Mary Derby 1824 1900 occupied a pivotal position in Victorian politics yet her activities have largely been overlooked or ignored This volume places Mary back into the political position she occupied and offers the first dedicated account of her career Based on extensive archival research including hitherto neglected or lost sources this study reconstructs the political worlds Mary inhabited Her political landscape was dominated by the machinations and intrigues of high politics and diplomacy As Jennifer Davey uncovers Mary's political skill and acumen were highly valued by leading politicians of the day including Benjamin Disraeli and William Gladstone and she played a significant role in many of the key events of the mid Victorian era This included the passing of the Second Reform Act the formation of Disraeli's 1874 Government the Eastern Crisis of 1875 1878 and Gladstone's 1880 1885 Government By exploring how one woman was able to exercise influence at the heart of Victorian politics this book considers what Mary's career tells us about the nature of political life in the mid nineteenth century It sheds new light on the connections between informal and formal political culture incorporating the politics of the home letter writing and social relations into a consideration of the politics of Parliament and Government It provides a rich investigation of how a woman with few legal or constitutional rights was able to become a significant figure in mid Victorian political life *Historical Dictionary of Russian and Soviet Foreign Policy* Norman E. Saul, 2014-12-16 The conduct of the foreign relations of the Russian state in its several contexts Kiev Rus Muscovy Russian Empire Provisional Government Union of Soviet Socialist Republics and Russian Federation were unique in its common currents from the beginning to the present Geography was certainly a key factor located in the center of the world's largest land mass and surrounded by often hostile forces All of the Russias had to confront the problems of open frontiers and the conduct of relations with a number of adjacent states of different ethnicity and with many that were more distant No other nation states had to face such complex and divergent circumstances over their histories Most other Great Powers were neighbors of similar states in culture and historical background whereas Russia had to deal with Asian as well as European countries The *Historical Dictionary of Russian and Soviet Foreign Policy* covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important individuals events and other aspects of the foreign policy of this important country This book is an excellent access point for students researchers and anyone wanting to know more about Russian foreign policy *A History of the European Restorations* Michael Broers, Ambrogio A. Caiani, 2019-11-14 Europe's Restorations were characterised by their evolving dialectics The chapters in this first volume address the key questions and controversies of Napoleonic history from a national and international perspective From the re ordering of the European world through the tools of intervention occupation and diplomacy to the creation of new constitutional monarchies across France Scandinavia and Germany the volume outlines the processes that realigned national priorities and the accompanying

dynamics of social and political identity In a structure that makes sense of what Luigi Mascilli Migliorini describes as the fiendishly complex process of reconstructing order in post Napoleonic Europe this collection of essays brings together experts in the field to set a new precedent for transnational research frameworks in the study of the European Restorations

The British and the Balkans Eugene Michail, 2011-08-18 **The Balkans** Mark Mazower, 2007-12-18 Throughout history the Balkans have been a crossroads a zone of endless military cultural and economic mixing and clashing between Europe and Asia Christianity and Islam Catholicism and Orthodoxy Subject to violent shifts of borders rulers and belief systems at the hands of the world's great empires from the Byzantine to the Habsburg and Ottoman the Balkans are often called Europe's tinderbox and a seething cauldron of ethnic and religious resentments Much has been made of the Balkans deeply rooted enmities The recent destruction of the former Yugoslavia was widely ascribed to millennial hatreds frozen by the Cold War and unleashed with the fall of communism In this brilliant account acclaimed historian Mark Mazower argues that such a view is a dangerously unbalanced fantasy A landmark reassessment The Balkans rescues the region's history from the various ideological camps that have held it hostage for their own ends not least the need to justify nonintervention The heart of the book deals with events from the emergence of the nation state onward With searing eloquence Mazower demonstrates that of all the gifts bequeathed to the region by modernity the most dubious has been the ideological weapon of romantic nationalism that has been used again and again by the power hungry as an acid to dissolve the bonds of centuries of peaceful coexistence The Balkans is a magnificent depiction of a vitally important region its history and its prospects

Imagining the Balkans Maria Todorova, 2009-04-15 If the Balkans hadn't existed they would have been invented was the verdict of Count Hermann Keyserling in his famous 1928 publication Europe Over ten years ago Maria Todorova traced the relationship between the reality and the invention Based on a rich selection of travelogues diplomatic accounts academic surveys journalism and belles lettres in many languages Imagining the Balkans explored the ontology of the Balkans from the sixteenth century to the present day uncovering the ways in which an insidious intellectual tradition was constructed became mythologized and is still being transmitted as discourse Maria Todorova who was raised in the Balkans is in a unique position to bring both scholarship and sympathy to her subject and in a new afterword she reflects on recent developments in the study of the Balkans and political developments on the ground since the publication of Imagining the Balkans The afterword explores the controversy over Todorova's coining of the term Balkanism With this work Todorova offers a timely updated accessible study of how an innocent geographic appellation was transformed into one of the most powerful and widespread pejorative designations in modern history

Imperial Apocalypse Joshua A. Sanborn, 2014-09-11 Imperial Apocalypse describes the collapse of the Russian Empire during World War One Drawing material from nine different archives and hundreds of published sources this study ties together state failure military violence and decolonization in a single story Joshua Sanborn excavates the individual lives of soldiers doctors nurses politicians and civilians caught up in the global

conflict along the way creating a narrative that is both humane and conceptually rich The volume opens by laying out the theoretical relationship between state failure social collapse and decolonization and then moves chronologically from the Balkan Wars of 1912-13 through the fierce battles and massive human dislocations of 1914-16 to the final collapse of the empire in the midst of revolution in 1917-18 *Imperial Apocalypse* is the first major study which treats the demise of the Russian Empire as part of the twentieth century phenomenon of modern decolonization and provides a readable account of military activity and political change throughout this turbulent period of war and revolution Sanborn argues that the sudden rise of groups seeking national self determination in the borderlands of the empire was the consequence of state failure not its cause At the same time he shows how the destruction of state institutions and the spread of violence from the front to the rear led to a collapse of traditional social bonds and the emergence of a new more dangerous and more militant political atmosphere

The Military and Society in Russia, 1450-1917 Eric Lohr, Marshall Poe, 2002-11-01 This book explores the interaction of the Russian military and society in the early modern and modern period In contrast to straightforward military histories the volume is concerned with the myriad political economic and cultural currents that shaped the Russian armed forces from their beginnings in Muscovite times to the end of World War I The book begins with an attempt by the editors to provide a large frame in which to place the various contributions What follows are three topical sections including 22 detailed often archival based monographic articles The first section concerns The Military and Society in Muscovy the second section focuses on The Military and Society in Imperial Russia The third part analyzes Patriotism Nationality Religion and the Military

This is likewise one of the factors by obtaining the soft documents of this **Russias Balkan Entanglements 1806 1914** by online. You might not require more get older to spend to go to the book instigation as with ease as search for them. In some cases, you likewise do not discover the message Russias Balkan Entanglements 1806 1914 that you are looking for. It will agreed squander the time.

However below, as soon as you visit this web page, it will be fittingly entirely easy to get as without difficulty as download guide Russias Balkan Entanglements 1806 1914

It will not give a positive response many time as we tell before. You can do it even though play in something else at home and even in your workplace. suitably easy! So, are you question? Just exercise just what we have enough money below as well as review **Russias Balkan Entanglements 1806 1914** what you following to read!
