Russo-Persian Commercial Relations, 1828-1914 Marvin L. Enter, 1965 The Struggle for Asia 1828-1914 David Gillard, 2023-05-03 The Struggle for Asia 1828 1914 1977 studies a classic case of rival imperialisms British leaders tended to believe that Russian expansion threatened India Russian leaders came to believe in a British threat to their empire Each sought security by trying to control the policies of weaker states which lay between their imperial frontiers and on whose alignment depended the balance of power By 1914 when both felt even more threatened by Germany than by one another Russia seemed to have gained the upper hand in a struggle for hegemony in Asia which had been crucial for the course of world politics This book examines the intellectual origins of the Great Game *Anglo-Iranian Relations During World War I* William J. Olson, 2013-12-19 A study of Anglo Iranian relations during World War I This book analyzes such diplomacy as an example of great power politics in regional affairs examining Britain's concern to maintain stability in Iran and exclude foreign interests from the Persian Gulf and the approaches to India **Britain and the Persian Gulf, 1894-1914** Briton Cooper Busch, Fragile Resistance John Foran, 2019-04-09 This book analyzes the processes of social transformation in Iran from the height of the country's power in the sixteenth and seventeenth centuries under the Safavid dynasty to the aftermath of the startling revolution that overthrew the Pahlavi monarchy in 1979 **The Political Economy of Iran Under the Qajars** Hooshang Amirahmadi, 2012-06-28 The political economy of Iran underwent the fundamental transition from feudalism to modernity from the early 19th to the 20th century a period which was a vital watershed in Iran's historical development This book provides a critical analysis of Iran's economic social and political development and shows how the path to modernity far from smooth was hindered by both internal and international factors These included a powerful monarchy with little interest in administrative and economic reform a large aristocracy frequently holding vital provincial governorships and frustrating effective central government and a failure to create a modern civil service military banking finance or communications the essential infrastructure for economic development Reformers were marginalised and business suffered And the all powerful ulema were a further brake on modernisation On the international front the rivalry of Britain and Russia compounded the problems both acting to control Iran and to further their own interests Hooshang Amirahmadi explores the roots of present day challenges to modernisation and progress and using a wealth of primary sources and original research has produced a work which is invaluable for students of modern Iranian history politics and Iran's political economy **The Soviet Union and Revolutionary Iran (RLE Iran D)** Aryeh Yodfat, 2012-04-27 Relations between the USSR and Iran during the period from the overthrow of the Shah and the establishment of the Islamic Republic up to early 1983 are reviewed in this book It begins with a brief survey of Russian Persian relations in earlier years with a focus on the developments that served as a background to the current events It examines Soviet attitudes and reactions to Iran's foreign and internal policy and highlights the way in which the Soviets often raise events of which they do not approve in order to

draw Iran closer to them In particular the book discusses the Soviet response to the Iran Iraq war and the position of the Tudeh Party and the other leftists within Iran Iran s policy towards the USSR is treated at length and it is shown that it is suspicious of a tacit USA USSR agreement over the fate of Iran Khomeini s attempts to isolate Iran from both East and West are also reviewed This book was one of the first to discuss this crucial dimension in Middle East politics and it makes a significant contribution to our understanding of the forces driving the Iranian Revolution **Iran and America** Badi Badiozamani,Ghazal Badiozamani,2005 **Iran Between Two Revolutions** Ervand Abrahamian,2021-05-11 Emphasizing the interaction between political organizations and social forces Ervand Abrahamian discusses Iranian society and politics during the period between the Constitutional Revolution of 1905 1909 and the Islamic Revolution of 1977 1979 Presented here is a study of the emergence of horizontal divisions or socio economic classes in a country with strong vertical divisions based on ethnicity religious ideology and regional particularism Professor Abrahamian focuses on the class and ethnic roots of the major radical movements in the modern era particularly the constitutional movement of the 1900s the communist Tudeh party of the 1940s the nationalist struggle of the early 1950s and the Islamic upsurge of the 1970s In this examination of the social bases of Iranian politics Professor Abrahamian draws on archives of the British Foreign Office and India Office that have only recently been opened newspaper memoirs and biographies published in Tehran between 1906 and 1980 proceedings of the Iranian Majles and Senate interviews with retired and active politicians and pamphlets books and periodicals distributed by exiled groups in Europe and North America in the period between 1953 and 1980 Professor Abrahamian explores the impact of socio economic change on the political structure especially under the reigns of Reza Shah and Muhammad Reza Shah and throws fresh light on the significance of the Tudeh party and the failure of the Shah s regime from 1953 to 1978 **Trade and Enterprise** Gad Gilbar,2022-10-31 Until recently the historiography of Middle Eastern economic elites during the first globalization has ignored the significant role played by Muslim tuji r big merchant entrepreneurs Foreign firms and local minorities were considered the prime agents of economic change and the initiators of economic growth The 12 studies in this volume show that the Muslim tuji r played a major economic role in various regions of the Middle East during the late nineteenth and early twentieth centuries Their investments mainly in commercial agriculture resulted in economic growth and changed economic structures and social relations in many Middle Eastern communities They were also involved in political developments some of which had a dramatic effect on the history of their countries as for instance in late Qajar Iran They also played a unique role in the process of cultural change Although they supported the ulam financially they also contributed to the establishment of new educational and cultural institutions The story of the tuji r is unique in the sense that it was the only indigenous elite group in the pre World War I Middle East to bridge between traditional forces and concepts and Western attitudes and practices CS 1108 Asiatic Russia Tomohiko Uyama,2012-03-12 Although the Russian Empire has traditionally been viewed as a European borderland most of its territory was actually

situated in Asia Imperial power was huge but often suffered from a lack of enough information and resources to rule its culturally diverse subjects and asymmetric relations between state and society combined with flexible strategies of local actors sometimes produced unexpected results In Asiatic Russia an international team of scholars explores the interactions between power and people in Central Asia Siberia the Volga Urals and the Caucasus from the 18th to the early 20th centuries drawing on a wealth of Russian archival materials and Turkic Persian and Tibetan sources The variety of topics discussed in the book includes the Russian idea of a civilizing mission the system of governor generalships imperial geography and demography roles of Muslim and Buddhist networks in imperial rule and foreign policy social change in the Russian Protectorate of Bukhara Muslim reformist and national movements The book is essential reading for students and scholars of Russian Central Eurasian and comparative imperial history as well as imperial and colonial studies and nationalism studies It may also provide some hints for understanding today s world where empire has again become a key word in international and domestic power relations *Dictionary of Iran: A Shorter Encyclopedia* D. L. Bradley, 2015-01-11

A one volume encyclopedic reference work on Iran Persia organized in dictionary format concerning the history societies cultures religions governments structures geography and climate of the nation and its people **Great Russian Fair** Anne L Fitzpatrick, 2016-02-24 *A Diplomatic History of the Caspian Sea* G. Mirfendereski, 2001-08-10 In a series of short stories that both inform and amuse this book transports the reader across the windswept shores of the Caspian Sea and provides a provocative view of the wars peace intrigues and betrayals that have shaped the political geography of this important and volatile region The demise of the Soviet Union in 1991 and the eclipsing of the old Iranian Soviet regime of the sea have given rise to new challenges for the regional actors and unprecedented opportunities for international players to tap into the area s enormous oil and gas resources third in size only behind Siberia and the Persian Gulf This book explores the historical themes that inform and animate the more immediate and familiar discussions about petroleum pipelines and ethnic conflict in the Caspian region *Armenians And The Iranian Constitutional Revolution Of 1905-1911* Houri Berberian, 2018-02-19

Drawing upon original sources this study provides the most comprehensive treatment to date of the issue of Armenian politicization and participation in the Iranian Constitutional Revolution 1905 1911 Houri Berberian traces the political economic and social situation of Armenians in the nineteenth century with a special emphasis on the Armenian provinces of the Ottoman Empire which became the focus of the Armenian revolutionary movement in the late nineteenth century and on the Russian ruled Caucasus which became the source of the nationalist and socialist revolutionary movement Discussion of the Iranian Armenian community includes for the first time a look into the roles and activism of Iranian Armenian women Berberian explores the ideological political and pragmatic motivations of Armenians and examines the collaboration of Armenian and Iranian constitutionalists drawing attention to the ideological and military contributions of Armenians to the revolution as well as to the internal and external conflicts among Armenian activists and between Armenian and Iranian

constitutionalist elements Berberian concludes with a discussion of the causes and consequences of the retreat of Armenians from Iranian politics

Political Elite of Iran Marvin Zonis, 2015-03-08 In interviews with 170 politically active Iranians the author reveals that politics in Iran are based on interpersonal relationships marked by insecurity cynicism and mistrust He then assesses the significance of these characteristics for Iran's future development Originally published in 1971 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A Century of Revolution John Foran, 1994 Provides insight into the political currents that led to the Iranian revolution Before late 1978 Iran did not occupy a large place in the public mind mass media or academic pursuits With the massive upheaval of the next few months all this changed and the world is still trying to catch up with the dramatic events that brought Iran to its attention This volume offers a much needed look into the historical social and political developments leading up to the Iranian revolution Bringing together a group of scholars historians and social scientists most of them Iranian in origin the book documents an extraordinary revolutionary heritage that predates this century Each contributor examines a critical moment in Iranian social history on its own terms as well as within a larger theoretical and comparative context The topics they take up include the Tobacco Rebellion of 1890-91 the Constitutional Revolution of 1905-11 the rise of Reza Khan between 1921 and 1925 the autonomy movement in Azerbaijan and Kurdistan after World War II the oil nationalization movement under Musaddiq between 1951 and 1953 the unrest of the 1960-63 period the Iranian revolution of 1977-79 the state of Iran since the revolution Throughout common themes emerge especially the heterogeneous bases of Iranian social movements with respect to class gender and ethnicity as well as the diverse discourses nationalist Islamic socialist populist and radical that have animated these movements Representing a wide variety of perspectives and approaches this volume provides crucial insight into the widely watched but poorly understood phenomenon of present day Iran Contributors Janet Afary Purdue University John Foran University of California Santa Barbara Amir Hassanpour Uppsala University Mansoor Moaddel Eastern Michigan University Val Moghadam United Nations University Misgah Parsa Dartmouth College Sussan Siavoshi Trinity University Michael Zirinsky Boise State University

Kurds and the State in Iran Abbas Vali, 2014-04-11 In early 1946 Kurds declared an independent republic in north west Iran The Mahabad Republic as it became known was the first time that the Kurds experienced self rule in the modern era Although short lived the Republic had a formative influence on the subsequent development of Kurdish nationalist movements in Iran and the wider region Here Abbas Vali disputes the conventional view that the Kurdish Republic was the result of a Soviet conspiracy to dismember Iran a side effect of the Cold War Instead he emphasizes the diversity of the

internal Iranian and Kurdish factors that led to the formation of the Republic arguing that the Republic represents the culmination of a new and modern Kurdish national identity This was an identity which emerged in response to the exclusionary effects of the political and discursive processes and practices of the construction of a modern Iranian nation state and national identity since the Constitutional Revolution of 1906 which often excluded and attempted to override a Kurdish one Vali contends that this process largely due to the socio economic and cultural impact of the rule of Pahlavis in reality forced the Kurdish people of Iran to form and reinforce their own ethno linguistic and ethno national community The expressions of this separate identity can be traced through the formation and dissolution of Kurdish national parties such as the Kurdistan Democratic Party of Iran KDPI Kurds and the State in Iran offers an analysis of the formation and effects of the concepts of the state the nation nationalism and ethnic identity which go beyond current ethnicist and constructivist theories thus making it essential reading for anyone interested in the Kurds or the development of national and state identities in the Middle East War and Peace in Qajar Persia Roxane Farmanfarmaian,2008-01-30 With new and existing evidence being reconsidered this edited collection takes a multidisciplinary approach to discussing the Qajar system within the context of the wars that engulfed it and the periods of peace that ensued It throws new light on the decision making processes the restraints on action and the political exigencies at play during the Qajar years **The to Z of Iran** John H. Lorentz,2010-04-14 Alphabetically arranged entries cover key individuals major events important institutions and organizations and significant economic political social religious and cultural issues
