

The poster features a large, close-up, high-contrast image of a man's face, focusing on his eyes and nose, which fills the upper half of the frame. Below this, a detective in a dark suit is shown from the back, crouching and looking at a body covered by a white sheet on the ground. A yellow crime scene tape is stretched across the middle ground. The background shows a dark, misty landscape with some houses visible in the distance. The overall tone is dark and suspenseful.

Rx For Murder Rx:

Rx Mayhem Nina Abbott, F. Paul Wilson, 2022-03-01 *Rx Mayhem* picks up only hours after the finish of *Rx Murder* Dr Norrie Marconi is in a good place She's solved an old friend's murder and her love life is blooming She still has issues to deal with such as her father's ghost and that malpractice suit but she feels like things are settling down and she's getting her life in order Wrong The senior doctor in her medical group drops a bombshell that threatens to disrupt her life some of the patients start acting strange and one winds up near death from multiple gunshot wounds Then there's her father's ghost who insists he won't be free until she finds out what happened to his boyhood friend Corrado whom he's sure was murdered When Norrie's inquiry turns up a dark side to Corrado she hires an eccentric psychic to free her father from the family home And that's when things take a sharp left turn

Double Dose F. Paul Wilson, 2023-09-19 *Double Dose* picks up right where *Double Threat* leaves off with a snarl of threads to tie up a host of mysteries to explain all complicated by some embarrassing intrusions from the past So many secrets in Nesposdee Springs the biggest is revealed when Rhys and Daley track down the second half of the Pendry film and learn the secrets of the clan's Tesla tower and the catastrophic details of the plan to bring the Visitors back to Earth But the insidious malady known as the horrors remains a mystery claiming more and more victims every day Daley and Pard learn they can cure it if only the powers that be will allow them Daley finds herself in an ironic situation For the first time in her life she's trying to play it straight help people instead of scam them and no one will let her In the past when she's spun a web of lies the marks lapped it up like honey Now when she's telling the truth a life saving truth no one believes her And meanwhile over the Salton Sea an ominous darkness is growing

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and

escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 The Compendium of F, Volume One F.
