From Boy to Sissy baby (Diaper Version) Michael Bent, Madeline Wood, Ben Pathen, 2024-07-02. The sissy baby is a very common and wonderful part of the wide ABDL landscape. A boy man that wants diapers for sure but also panties and perhaps a bra. They want baby clothes like we all do but mainly baby girl dresses, frilly bonnets, pink outfits, a pink pacifier, dolls to play with and a feminine crib and nursery. This collection of four wonderful books is all about that. About boys who want to be sissy baby girls even if they don't know that at the beginning. These are not erotic tales of sissy sex or sizzling adventures into sissyness. Rather they are stories of how real life sissy babies appear and develop and the people family around them that embrace and enhance their lives. You will love these wonderful books and the characters you will meet as they discover and realise their true identity as a Sissy Baby Girl. The book titles are *A Mother's Love Home Detention*, *The Book Club Baby*, *Where Big Babies Live*. 167 000 words. *The Bad Boy, the Sissy Maid, Three Missy*, 2012-04-05. I was a rich teenager whose parents died in a plane crash and left me and my sister a two million dollar house and 10 million dollars. I then turned three young girls into French maid whores for financial reasons and or immigration reasons they allowed this to happen. My story includes French maids, anal sex, oral sex, spankings, canings, whippings, strappings, domination and submission, corner time and a great amount of humiliation etc. My delight in training and punishing these three young women into submission eventually leads down a path that I wished that I never traveled. Then it was time for me to be punished for all my Bad Boy behavior. Now I was turned into the French maid, the sissy maid. A continuing series of special good and bad characters.
