Harold P. Howard

Sacajawea Part 1:

Sacajawea Harold P. Howard, 2012-11-15 In the saga of early western exploration a young Shoshoni Indian girl named Sacajawea is famed as a guide and interpreter for the Lewis and Clark Expedition to the Far Northwest between 1804 and 1806 Her fame rests upon her contributions to the expedition In guiding them through the wilderness in gathering wild foods and above all in serving as an ambassadress to Indian tribes along the way she helped to assure the success of the expedition This book retraces Sacajawea's path across the Northwest from the Mandan Indian villages in present day South Dakota to the Pacific Ocean and back On the journey Sacajawea was accompanied by her never do well French Canadian husband Toussaint Charboneau and her infant son Baptiste who became a favorite of the members of the expedition especially Captain William Clark The author presents a colorful account of Sacajawea's journeys with Lewis and Clark and an objective evaluation of the controversial accounts of her later years

Sacajawea Rich Haney, 2000-04-04 As the author of SACAJAWEA Her True Story I'm pleased with the reaction to the book but even more thrilled over the interest in Sacajawea even from overseas Although my e-mail is on only one website it's rwhaney@yahoo.com I'm surprised about how many comments and questions I've received including three from the United Kingdom this week I try to personally respond to all the e-mails but I've also decided to use this forum to answer the best questions I receive such as this one from Jeffrey Dawson Wales An American friend told me about your book and I have ordered but not received it yet from Amazon.co.uk United Kingdom She also has sent me five of the Year 2000 Sacajawea Golden Dollar Coins knowing my interest in the 1805-06 Lewis and Clark Expedition that ended merry ole England's claims to the region stretching from the Mississippi to the

Pacific I surf the internet for Sacajawea stuff and read more about your book and learned that the little Indian girl is vastly widening the gap as easily the most memorialized female in American history WOW I have a question As Sacajawea led the mission from the Missouri to the Pacific and back were there any deaths among the members of the expedition on the arduous journey ANSWER There were many close calls but only one member of the expedition died during the journey That was Sergeant Charles Floyd He died on August 20th 1804 near present day Sioux City Iowa It is believed his death was due to a burst appendix Carol Meminger St Paul Minnesota I enjoyed your book and notice you spell your icon Sacajawea but from time to time I see it spelled Sacagawea or Sacakawea or even Sakakawea just as often Can you explain this to me ANSWER I use the Sacajawea spelling simply because she was a Shoshone and my Shoshoni friends think of her and spell her name that way In other words Sacajawea is family to them and that gives them the prerogative I think If a white family had a daughter named Kathy for example I would think of Kathy with a K and not Cathy with a C But I understand your confusion Sacajawea was Shoshoni but she was captured and enslaved by the Hidatsa Indians of Knife River in present day North Dakota when she was a child Her Hidatsa captors named her Sacagawea which to them meant Bird Woman The Lewis and Clark Expedition helped reunite her with her Shoshoni people in 1805 and by then her brother Cameahwait had become Chief of the Shoshones Even within their own tribe Shoshoni women often had several name changes from time to time but Sacajawea apparently liked her Hidatsa name and it closely resembled the Shoshoni name that meant one who launches boats So even today the Hidatsas and Shoshones pronounce the name basically the same except for the third syllable Lewis and Clark on the expedition spelled her name as they pronounced it Sah cah gah we ah The Hidatsa word for bird is sacaga and the Hidatsa word for woman is wea and combining the two was how Sacajawea originally was named But the general acceptance of the name by her Shoshoni people affords them the right to start the third syllable with a j and not a g and pronounce it Sack a ja wea I think To the Shoshones her name is Sacajawea and it means boat launcher but to the Hidatsas her name is Sacakawea and it means Bird Woman The third spelling Sakakawea is promoted by the North Dakota Hidatsa and they pronounce it sa ka ka we a In 1814 eight years after the expedition a man named Nicholas Biddle edited the Lewis and Clark journals and corrected many of the explorers spelling and grammar mistakes Biddle was the very first in the English language

Sacajawea's People John W. W. Mann, 2004-12-01 On October 20 2001 a crowd gathered just east of Salmon Idaho to dedicate the site of the Sacajawea Interpretive Cultural and Education Center in preparation for the Lewis and Clark Bicentennial In a bitter instance of irony the American Indian peoples conducting the ceremony dedicating the land to the tribe the city of Salmon and the nation the Lemhi Shoshones Sacajawea's own people had been removed from their homeland nearly a hundred years earlier and had yet to regain official federal recognition as a tribe John W W Mann's book at long last tells the remarkable and inspiring story of the Lemhi Shoshones from their distant beginning to their present struggles Mann offers an absorbing and richly detailed look at the life of Sacajawea's people before their first contact

with non Natives their encounter with the Lewis and Clark Expedition in the early nineteenth century and their subsequent confinement to a reservation in northern Idaho near the town of Salmon He follows the Lemhis from the liquidation of their reservation in 1907 to their forced union with the Shoshone Bannock tribes of the Fort Hall Reservation to the south He describes how for the past century surrounded by more populous and powerful Native tribes the Lemhis have fought to preserve their political economic and cultural integrity His compelling and informative account should help to bring Sacajawea s people out of the long shadow of history and restore them to their rightful place in the American story

Kessler,Donna Barbie Kessler,1998-04-13 Kessler supplies both the biography of a legend and an explanation of why that legend has endured Sacagawea is one of the most renowned figures of the American West A member of the Shoshone tribe she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader Toussaint Charbonneau In 1805 Charbonneau joined Lewis and Clark as the expedition s interpreter Sacagawea was the only woman to participate in this important mission and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region Although much has been written about the historical importance of Sacagawea in connection with the expedition no one has explored why her story has endured so successfully in Euro American culture In an examination of representative texts including histories works of fiction plays films and the visual arts from 1805 to the present Kessler charts the evolution and transformation of the legend over two centuries and demonstrates that Sacagawea has persisted as a Euro American legend because her story exemplified critical elements of America s foundation myths especially the concept of manifest destiny Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods including suffrage for women taboos against miscegenation and modern feminism **Sacagawea of the Lewis and Clark Expedition** Ella E.  Sarah MacKenzie,2020-11-15T00:00:00Z Despite a recent increase in the productivity and popularity of Indigenous
 playwrights in Canada most critical and academic attention has been devoted to the work of male dramatists leaving female
 writers on the margins In Indigenous Women s Theatre in Canada Sarah MacKenzie addresses this critical gap by focusing
 on plays by Indigenous women written and produced in the socio cultural milieu of twentieth and twenty first century
 Canada Closely analyzing dramatic texts by Monique Mojica Marie Clements and Yvette Nolan MacKenzie explores
 representations of gendered colonialist violence in order to determine the varying ways in which these representations are
 employed subversively and informatively by Indigenous women These plays provide an avenue for individual and potential
 cultural healing by deconstructing some of the harmful ideological work performed by colonial misrepresentations of
 Indigeneity and demonstrate the strength and persistence of Indigenous women offering a space in which decolonial
 futurisms can be envisioned In this unique work MacKenzie suggests that colonialist misrepresentations of Indigenous
 women have served to perpetuate demeaning stereotypes justifying devaluation of and violence against Indigenous women
 Most significantly however she argues that resistant representations in Indigenous women s dramatic writing and production
 work in direct opposition to such representational and manifest violence **Preserving Western History** Andrew
