Fab Five is the story of the power packed batting lineup of the Indian team comprising of Sourav Ganguly Virender Sehwag Sachin Tendulkar VVS Laxman and Rahul Dravid each of them legends in their own rights The book goes back to Mahabharat and draws a parallel from the Pandavas who were legendary warriors Based on their distinctive traits each member of the Fab Five is equated to one of the Pandavas Ganguly as Yudhishtir Sehwag as Bheem Tendulkar as Arjun Laxman as Nakul and Dravid as Sahadev Together they scripted some of the most famous victories in the history of Indian cricket While it was a collective team effort that led to the success and the contribution of other players were equally crucial but it would not have been possible without this strong batting line up With the emergence of Fab Five the days when India's batting had a huge dependency on Tendulkar's shoulders was a thing of the past Each member of the Fab Five could win the match single handedly on their day Ganguly's lofted sixes Sehwag's aggression Tendulkar's impeccable straight drives Laxman's artistry and Dravid's assuring defense were a treat to the eyes of the cricket fans It is a humble tribute to these five legends and a celebration of their contribution to Indian cricket **The Art of Centuries** Steve James, 2015-04-09

A century has always had a special resonance in all walks of life and none more so than in cricket Scoring one hundred runs is the ultimate for a batsman As former England captain Andrew Strauss admits it's incredibly hard to do for Ricky Ponting it's a transformational moment in the career of a cricketer Or in the words of Geoffrey Boycott a century has its own magic In *The Art of Centuries* Steve James applies his award winning forensic insight to the very heart of batting Through interviews with the leading run scorers in cricket history and his own experiences Steve discovers what mental and physical efforts are required to reach those magical three figures Despite his own haul of 47 first class tons he himself felt at times that he was poorly equipped for the task So working out how to score centuries is an art And bowlers might not agree but there really is no better feeling in cricket *Sports around the World* John Nauright, 2012-04-06
