makes us who we are We were molded out of love and came to Earth to experience what it is like to be human God created or rather BECAME the Universe to answer the question Who am I and to engage Himself in the ultimate theater or musical I wanted to share what I learned when I merged with Source and understood the reasons for everything including all of our sufferings and setbacks I understood the nature of the polarity of existence how you cannot understand joy without despair patience without frustration etc This world was created for our benefit so that we can grow our love and eventually return to the Creator I hope some will find my words peaceful and useful in their lives **Sun God and Moon Maiden** Gordon Strong,2011-05 The Holy Grail is many things to many people The medieval troubadour saw it as a vision of heaven In the twenty first century the quantum physicist finds heaven in parallel universes The shaman who links prehistory with the modern world travels in other dimensions knowing he will experience the parameters of existence In Sun God and Moon Maiden Gordon Strong suggests that the presence of the Grail questions not only space and time but perception itself The philosophy of Plato the psychology of Jung and the nobility of kings are within the Grail s domain It resides in the endless galaxy of the mind This interior landscape is where we discover yet more gateways into Inner Space realms where we may come to know the universe and ourselves From Atlantis to Arthur s Camelot the path to Avalon still awaits As Gordon Strong demonstrates in this fascinating book encompassing mythology magic and modern physics the ancient wisdom of the Qabalah the Tarot and Sacred Stone Circles are poised to lead us to the Chalice of Inspiration **The Appearance of the Sacred** Danny Charles Williams,1980
