Naming the Antichrist Robert C. Fuller,1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In *Naming the Antichrist* Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of *The Late Great Planet Earth* with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our

unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life **Lady Liberty** Richard N. Rhoades,2013-07-10 The Statue of Liberty holds a special place in the hearts of Americans the people of France and freedom lovers throughout the world But up until now the full story behind its origins has not been told Author Richard N Rhoades peels back the mystery surrounding the icon explaining how French sculptor Frederic Auguste Bartholdi looked to a Roman goddess to serve as the model for the statue On Oct 28 1886 at the unveiling ceremony President Grover Cleveland praised Bartholdis goddess statue as greater than all that have been celebrated in ancient song But Rhoades goes beyond the historical data and examines the statues pagan origins by analyzing Scripture He establishes that the most revealing chroniclers of the Statue of Liberty were the Hebrew prophets who predicted the building and setting of an image of the Great Goddess of the ancient world on her own pedestal in a latter day country code named the land of Shinar Discover the real origins of the Statue of Liberty its adoption by the American people as a national icon and its historical and biblical significance in Lady Liberty The Ancient Goddess of America *Saddam's Mystery Babylon* Arno Froese,James Rizzuti,Wim Malgo,1998 One chapter deals with Saddam Hussein in depth But the book looks at the Biblical relationship of the Arabs and Israel and then what kind of relationship they have in today s world *Iraq: From Sumer To Saddam* Geoff Simons,1993-11-29 **Bible Prophecies of 9-11** Paul Gregersen,Edmund A. Cook,2007-09 The authors reveal a chain of prophecies that all link to 9 11 with an astounding pattern September 11 was more than just another historical event it was a cataclysmic moment marking the beginning of a new millennia Social Issues *Gods in America* Charles L. Cohen,Ronald L. Numbers,2013-09-19 Religious pluralism has characterized America almost from its seventeenth century inception but the past half century or so has witnessed wholesale changes in the religious landscape Gods in America brings together leading scholars from a variety of disciplines to explain the historical roots of these phenomena and assess their impact on modern American society *Millennium Rage* P. Lamy,2013-11-11 When a leading presidential candidate feels comfortable proclaiming he ll destroy the New World Order A code word for the supposed minority led worldwide conspiracy it cannot be a moment too soon to learn the truth about the covert symbols spreading zealotry and deadly machinations of the armies of millennium rage Satellite Ministries Febe Armanios,2025 In 1981 a satellite television station called Star of Hope began broadcasting from Israeli occupied South Lebanon Backed by American missionaries Israeli politicians and Lebanese Catholic leaders the channel aired Western entertainment and Christian content using a repurposed ABC Monday Night Football truck situated on the Israel Lebanon border Later renamed Middle East Television METV its programming included American soap operas sports and evangelical content alongside innovative Arabic Christian televangelism It was a station of enormous

consequence METV spurred the growth of competing Christian broadcasters and reshaped the Middle East's media and religious landscape over the next four decades Yet it was of course controversial its foreign imperialist and proselytizing approach to media was a source of curiosity and consternation in the region and occasionally around the world Through extensive fieldwork and archival research Febe Armanios explores how Western evangelicals and indigenous Christians harnessed terrestrial and satellite technologies to promote Christian television in the Middle East The fifteen channels analyzed in this study fall into three main categories Western backed conservative outlets with a charismatic and apocalyptic outlook middle ground channels that sought to balance their international sponsors expectations with local interests and grassroots initiatives rooted in ancient church traditions The histories and programming strategies of primarily Arabic but also Turkish and Persian Christian channels reveal how media producers forged unexpected political alliances pursued sectarian objectives and navigated various transnational influences Satellite Ministries explores how modern expressions of faith technology and political power intersected and clashed across the Global South and beyond In this groundbreaking work Armanios presents a crucial examination of this unique and little known media landscape *The Way of Herodotus*

Justin Marozzi,2008-12-09 An intriguing travel history exploring and evoking the world of Herodotus with abundant commentary on the legacy and spirit of the father of history and the literary art he created **God's Plan for the Ages, 2nd Edition** David Reagan,2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don't have to guess The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God's plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you **The Kiss of Saddam** Michelle

The Eighth Kingdom Perry Stone,2015 Is God's ultimate plan for the world unfolding before us Chronicles of the End Times Mark Davidson,2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson showed us the four signposts four events

prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in Chronicles of the End Times chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What s the purpose of Daniel s Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy

End Time Politics Keri L. Ladner, 2024-01-23 From the 1970s until his death in 2007 Jerry Falwell merged American nationalism with an end times approach to the Bible known as dispensationalism In the process he corrupted both while creating a novel way for conservative Christians to understand current events as the fulfillment of prophecy He taught that the events of the Cold War had been divinely foretold in the Bible and that America was God s chosen nation in these present end times By implementing his conservative economics known as biblical morality the country could be saved and would survive the coming wrath of God This message which was otherwise on the margins of American public life found resonance in the backlash to the civil rights movement and especially in Ronald Reagan a fellow believer in the end times battle of Armageddon In organizing his voting bloc the Religious Right along the lines of dispensationalism and nationalism Falwell claimed that America had to return to Protestant fundamentalism as a panacea to the liberal conspiracy which included talk of climate change affirmative action women s liberation including abortion gay rights and a nuclear freeze This liberal conspiracy had supposedly been biblically prophesied yet would cripple America as it faced the impending wrath of God The movement Falwell began found its savior in Donald Trump God s man for undoing the conspiracy and restoring unregulated capitalism and an imagined American Christian nation
