Same Blue Chevy Poetry:

Same Blue Chevy Gale Renée Walden, 1996 This first book of poems powerfully illustrates the power of place in shaping our histories and perceptions Moving from the prairie to the city and back again Walden draws the reader through the living rooms and main streets of a past in constant flux Each poem is a canvas saturated with graceful images echoing of myth a moving set of reflections on the universal which provides us with an enigmatic journey into our collective past **City of the Big Shoulders** Ryan G. Van Cleave, 2012-04 Chicago has served as touchstone and muse to generations of writers and artists defined by their relationship to the city's history lore inhabitants landmarks joys and sorrows pride and shame The poetic conversations inspired by Chicago have long been a vital part of America's literary landscape from Carl Sandburg and Gwendolyn Brooks to experimental writers and today's slam poets The one hundred contributors to this vibrant collection take their materials and their inspirations from the city itself in a way that continues this energetic dialogue The cultural ethnic and aesthetic diversity in this gathering of poems springs from a variety of viewpoints styles and voices as multifaceted and energetic as the city itself Cristin O Keefe Aptowicz I want to eat in a city smart enough to know that if you are going to have that heart attack you might as well have the pleasure of knowing you've really earned it Renny Golden In the heat of May 1937 my grandfather sits in the spring grass of an industrial park with hundreds of striking steelworkers Joey Nicoletti The wind pulls a muscle as fans yell the vine off the outfield wall mustard stained shirts hot dog smiles and all The combined energies of these poems reveal the mystery and beauty that is Second City the City by the Lake New Gotham Paris on the Prairie the Windy City the Heart of America and Sandburg's iconic City of the Big Shoulders **Lock and Load** Deirdra McAfee, Betty Joyce Nash, 2017-11-01 Nothing says America louder than a gun As the short stories assembled here demonstrate firearms loom as large in our imaginations as in the news In this unforgettable anthology the common theme and the essential object is the gun These striking stories from such famous authors as Annie Proulx Bonnie Jo Campbell and John Edgar Wideman plus a talented group of newcomers range widely from tender to violent from chilling to hilarious Tales of love war coming of age and revenge they occur in landscapes familiar or ordinary distant or dystopian and reflect Americans particular obsession with and paranoia about guns This masterful and thought provoking collection moves beyond the polarized rhetoric surrounding firearms to spark genuine discussion My Lost Poets Philip Levine, 2018-04-03 Now in paperback essays speeches and journal entries from one of our most admired and best loved poets that illuminate how he came to understand himself as a poet the events and people that he wrote about and the older poets who influenced him In prose both as superbly rendered as his poetry and as down to earth and easy as speaking Levine reveals the things that made him the poet he became In the title essay originally the final speech of his poet laureate year he recounts how as a boy he composed little speeches walking in the night woods near his house and how he later realized these were his first poems He wittily takes on the poets he studied with in the Iowa Writers Workshop John Berryman who was his great teacher and

lifelong friend and Robert Lowell who was neither His deepest influences jazz Spain the working people of Detroit are reflected in many of the pieces There are essays on the Spanish poets he admires on William Carlos Williams Wordsworth Keats and others A wonderful moving collection of writings that add to our knowledge and appreciation of Philip Levine both the man and the poet

Poems About Life Patrick L Washington, 2013-10-21 Over 15 years ago God spoke to my heart and cause me to write a poem entitled Trouble Man praying for God's Glory essentially this book is formed around that poem because I was indeed a trouble man Many people who are saved are still lost and will not admit that they have an issue Ask yourself this question What does God's Glory have to do with the pain I'm going through First of all God wants the Glory and honor because you could not have done anything without Him The more you give him glory in the midst of the storm the more He opens you up The three Hebrew boys sung praises to God and He delivered them Author Patrick L Washington proclaims the truth that God will do the same for you Praying for God's Glory Poems about Life also has a bonus short story in it entitled I Found Him I Found Him is a story about a man and a woman named Beau Bill and Sister Martha Who has lived there lives on the outside of grace As time progresses in their lives they fell away from God One day Beau Bill felt the tug of God which gave him the urgency to find God As you read this story I hope you will heed to God's tug and cry out I Found Him
