Magic Years:

The Magic Years Selma H. Fraiberg, 2015-05-05 A pioneering work on early childhood development that is as relevant today as when it was first published 60 years ago To a small child the world is an exciting but sometimes frightening and unstable place In *The Magic Years* Selma Fraiberg takes the reader into the mind of the child showing how he confronts the world and learns to cope with it With great warmth and perception she discusses the problems at each stage of development and reveals the qualities above all the quality of understanding that can provide the right answer at critical moments

Summary of Selma H. Fraiberg's *The Magic Years* Everest Media, 2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We should not be shocked that children experience anxiety Every stage of human development has its own dangers and we cannot avoid many of these fears We should not try to eliminate all anxiety and we should not give substance to the idea of bogies by behaving like bogies ourselves 2 The way in which the child manages his irrational fears determines their effect on his personality development If a child feels helpless and defenseless before his imagined dangers he will develop an attitude of fearful submission to life But normally the child overcomes his fears 3 Mental health is not just the product of a special dietary regime but the work of a complex mental system that reacts to experience adapts to experience and maintains a balance between inner needs and outer demands 4 The highest order of mental health involves a solid and integrated value system which is both conscience and ideal self The balance between the two forces within your personality is what keeps you healthy If you find yourself in conflict with either your conscience or society your ego will try to find solutions that satisfy both parties **MAGIC YEARS** Selma Fraiberg, 1959 The Feast of the Virgins and Other Poems Hanford Lennox Gordon, 1891 The Magic Wand and Magical Review, 1921 *ALA Bulletin* American Library Association, 1922 *Papers and Proceedings* American Library Association.
