## **Miss Liberty:**

*Lily and Miss Liberty* Carla Stevens,1992 A little girl makes crowns and sells them to help raise money for the pedestal needed for mounting France's gift of the Statue of Liberty to this country     Weird N.J. Mark Moran,Mark Sceurman,2006 New Jersey is even WEIRDER than we thought From the authors of Weird N J with more than 125 000 copies sold comes a second amazing collection of the wonderful weirdness that fills every inch of the Garden State One of the bestselling books ever to hit New Jersey was Mark Sceurman and Mark Moran's Weird N J The book was such a phenomenon that it began a whole series of Weird state books each one a bestseller But the Marks as they are called always knew that there were more bizarre stories lurking in their own home state So back they went camera and notebook in hand to travel the highways and byways of New Jersey to chronicle more weirdly bizarre stories And what did they find How about the pathway of a doctor's office paved with tombstones Or a pumpkin shaped house Then there's the Hub Cap Tree the Birdsville Church yes a church for birds and the bowling ball pyramid that graces one proud resident's front lawn Fun too are the haunted houses to visit the ghosts to chat with and the cursed roads to travel down It's all part of the long strange trip known as Weird N J     How Mohammed Saved Miss Liberty M. S. Holm,2008 After 9 11 fourteen year old Mohammed Ahmed becomes the object of anti Muslim taunts and threats Worse still his trip to New York City with the Young Engineers Club is cancelled dashing his boyhood dream to see Miss Liberty Even when the club's trip is unexpectedly rescheduled he learns the statue is closed to the public Breaking all the rules he makes it to Liberty Island where an extraordinary event occurs the saving of Miss Liberty Original     **Little Miss Liberty** Chris Robertson,2017-03-07 To begin with her coloring is a little on the green side Not to mention that she grows a few inches every day Smart independent and a friend to all when Little Miss Liberty outgrows her classmates her clothes her house even her city she sets out to travel the world And in the end she finds just the right spot to call her own Author artist Chris Robertson has created a humorous yet uplifting story about one of the world's most symbolic monuments An enjoyable romp and a perfect read aloud it will entertain even the squirmiest listener and yet in its own way remind us why Lady Liberty is both unique and important     *Liberty* William Quinn,2023-02-03 *Liberty* By William Quinn After spending the first forty eight years of his life in Brooklyn William Quinn has retreated to a secluded and undisclosed location deep in the woods of Northern Michigan where he finds it's possible to reminisce and reflect on the experiences of a long hard and varied life that has stretched from the halls of academia to the halls of tenement crack houses and many divergent paths in between *Liberty* is a playful reminder of how the games children play and how the hand that rocks the cradle can shape the politics freedom and the future of a nation The story opens on a Brooklyn street and gives us a glimpse into a culture that's all but forgotten if not forbidden and the society that culture had fostered It's the perfect book to have with you if you're stuck in the house on a rainy day or if you just want to remember how we used to be     **Catalog of Copyright Entries** Library of Congress. Coast Guard,1976 **Myths, Legends, and Folktales of America** David Leeming,Jake Page,2000-07-27 This marvelous collection brings together the great myths and legends of the United States from the creation stories of the first inhabitants to the tall tales of the Western frontier to the legendary outlaws of the 1920s and beyond This thoroughly engaging anthology is sweeping in its scope embracing Big Foot and Windigo Hiawatha and Uncle Sam Paul Revere and Billy the Kid and even the Iroquois Flying Head and Elvis In the book s section on dogmas and icons for instance Leeming and Page discuss the American melting pot the notion of manifest destiny and the imposing historical and literary figure of Henry Adams And under Heroes and Heroines they have assembled everyone from Honest Abe Lincoln and George I Cannot Tell a Lie Washington to Bessie Smith Billie Holiday and Martin Luther King Jr For every myth or hero rendered here the editors include an informative yet readable excerpt often the definitive account of the story in question Taken as a whole *Myths Legends and Folktales of America* reveals how waves of immigrants encountering this strange land for the first time adapted their religions beliefs and folklore to help make sense of a new and astounding place Covering Johnny Appleseed and Stagolee as well as Paul Bunyan and Moby Dick this wonderful anthology illuminates our nation s myth making enriching our idea of what it means to be American **The Chester White Swine Record** ,1922

**American Technological Sublime** David E. Nye,1996-02-28 *American Technological Sublime* continues the exploration of the social construction of technology that David Nye began in his award winning book *Electrifying America* Here Nye examines the continuing appeal of the technological sublime a term coined by Perry Miller as a key to the nation s history using as examples the natural sites architectural forms and technological achievements that ordinary people have valued intensely Technology has long played a central role in the formation of Americans sense of selfhood From the first canal systems through the moon landing Americans have for better or worse derived unity from the common feeling of awe inspired by large scale applications of technological prowess *American Technological Sublime* continues the exploration of the social construction of technology that David Nye began in his award winning book *Electrifying America* Here Nye examines the continuing appeal of the technological sublime a term coined by Perry Miller as a key to the nation s history

using as examples the natural sites architectural forms and technological achievements that ordinary people have valued intensely American Technological Sublime is a study of the politics of perception in industrial society Arranged chronologically it suggests that the sublime itself has a history that sublime experiences are emotional configurations that emerge from new social and technological conditions and that each new configuration to some extent undermines and displaces the older versions After giving a short history of the sublime as an aesthetic category Nye describes the reemergence and democratization of the concept in the early nineteenth century as an expression of the American sense of specialness What has filled the American public with wonder awe even terror David Nye selects the Grand Canyon Niagara Falls the eruption of Mt St Helens the Erie Canal the first transcontinental railroad Eads Bridge Brooklyn Bridge the major international expositions the Hudson Fulton Celebration of 1909 the Empire State Building and Boulder Dam He then looks at the atom bomb tests and the Apollo mission as examples of the increasing ambivalence of the technological sublime in the postwar world The festivities surrounding the rededication of the Statue of Liberty in 1986 become a touchstone reflecting the transformation of the American experience of the sublime over two centuries Nye concludes with a vision of the modern day consumer sublime as manifested in the fantasy world of Las Vegas
