The Book of Revelation G. K. Beale, 2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis

Parker, 2024-01-11 What is the relationship between the nation of Israel Jesus Christ and the church Pastors and theologians come to significantly different conclusions The reigning systems of evangelical theology covenant theology and dispensationalism answer this question by stressing the continuity of the Israel church relationship covenant theology or emphasizing discontinuity dispensationalism In more recent times progressive covenantalism has emerged as a via media between these two theological approaches by providing a different proposal for unpacking the biblical covenants and by highlighting that to rightly understand the people of God in biblical theology the person of Jesus Christ must be the focal point In Christ Jesus the True Israel Brent E Parker presents the case for the importance of typology in this debate arguing that national Israel is a type not unlike other Old Testament types e g the sacrificial system the temple etc that reaches its antitypical fulfillment in Jesus Christ Moreover the Israel church relationship is also typological but only through Christ Parker demonstrates that the progressive covenantal approach is a viable system of theology that seeks to preserve what the whole Bible says regarding the people of God from Israel to Christ and from Christ to the church Exploring the New Exodus in John Paul S. Coxon, 2015-03-09 The theme of the New Exodus NE in John's Gospel has been largely unexplored in recent scholarship Now however by careful intertextual exegesis of John 5 10 Paul Coxon has compellingly argued that not only is the NE key to interpreting the Fourth Gospel but also to unlocking the mysteries of the Johannine puzzle itself Anyone who is interested in searching the riches of this marvelous Gospel will want to explore the NE in John in these pages A Commentary on the Holy Scriptures Johann Peter Lange, 1865 **The Johannine Footwashing as the Sign of Perfect Love** Bincy Mathew, 2018-11-23 Back cover Was the footwashing in Jn 13 1 20 simply an act of service or humility Bincy Mathew provides a critical and thorough exegetical analysis of the footwashing and shows that it is the symbolic prefiguration of Jesus death on the cross enacted during the last supper to manifest his perfect love for his own Dionysus, Christ, and the Death of God, Volume 2 Giuseppe Fornari, 2020-09-01 This magisterial reflection on the history and destiny of the West compares Greco Roman civilization and the Judeo Christian tradition in order to understand what both unites and divides them Mediation understood as a collective symbolic experience gives society unity and meaning putting human beings in contact with a universal object known as the world or reality But unity has a price the very force that enables

peaceful coexistence also makes us prone to conflict As a result in order to find a common point of convergence of at one ment someone must be sacrificed Sacrifice then is the historical pillar of mediation It was endorsed in a cosmic religious sense in antiquity and rejected for ethical reasons in modernity where the Judeo Christian tradition plays an intermediate role in condemning sacrificial violence as such while accepting sacrifice as a voluntary act offered to save other human beings Today as we face the collapse of all shared mediations this intermediating solution offers a way out of our moral and cultural plight

The Gospel According to Matthew Johann Peter Lange, 1865 *A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical* Johann Peter Lange, 1864

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a

distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church *Christian Basics Bible NLT* Martin H. Manser, Michael H. Beaumont, 2017-09-05 Finalist for the 2018 Christian Book Award for Bible of the Year New to the Bible Either because you have become a Christian recently or because somehow the Bible seems to have passed you by Then this edition is for you Whether you are reading the Bible for the first time or not its variety of material not to mention its length can seem overwhelming It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith The Christian Basics Bible is filled with features designed to help readers especially those new to the Bible connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives By delivering the right amount of both information and application The Christian Basics Bible can become the catalyst for living a vibrant Christian life **Dictionary of Jesus and the Gospels** Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels **Biblical Dogmatics** Milton Spenser Terry, 1907 **Mission and Context** Jione Havea, 2020-06-30 Mission is contrived from and performed over lived contexts but the visions that guide and drive mission are oftentimes blinded by power position protection and plenitude This collection visits those matters with queering attention to the shadows that empires cast over the contexts of mission and to the collusion and complicity of Christians and churches with empires past as in the case of Rome and present as in the case of the United States of America In the interests of those in mission fields who survived but continue to agonize under the burdens of empires the contributors to this work dare to re vision the course and cause of mission Writing from minoritized settings in Africa Asia the Americas and Oceania the authors interweave the principles and practices of mission with the opportunities in decolonial theology and hermeneutics minoritized and migrant Christologies repatriation and the courage to get up and get out indigenous insights and wisdom mission archives stories of resistance and endurance in zones of contact and violence restless souls and returning spirits and life centered spiritual en countering In Mission and Context as with previous volumes in this series empires do not have the final word nor are they the final world **Truth Revealed** Robert P.
