into this journal Who knows Lives could change MAYBE EVEN YOURS **Models, Mentors, and Messages** René Rochester, 2009-07-13 For far too long we've neglected the urban mission field Many churches have moved to the outskirts of the city for various reasons and the urban landscape appears to be forgotten Dr Ren Rochester presents a vision for how communities can change this pattern and plant redemptive and sustainable urban ministries Models Mentors and Messages takes a close look at the developmental stages of Jesus' life focusing on how family his heavenly Father the Jewish community and neighboring nations were used to shape his holy destiny Through the example of Jesus' life you will learn how to draw on your own formative years to show urban teens how to live out God's call in their communities The most authentic models are individuals who have wrestled through life's challenges and learned to trust God in difficult situations and so by empowering urban students today and showing them how to nurture one another in faith you can help create sustainable ministries in which each generation will model for the next how to follow Jesus The first of its kind this book doesn't try to force old models on the urban context but rather teaches new ways to draw on Jesus' teachings to help an urban hip hop generation live for Jesus and for one another *Essential Leadership* Kara Powell, Fuller Youth Institute, 2009 You're in youth ministry for a reason Most likely you have a deep passion for both teenagers and the ministry But at times you may feel ill equipped to lead or you may not even be sure of the direction the ministry is headed Chances are your youth pastor has a great vision for the ministry But too often the staff meetings you attend end up more like a list of announcements about upcoming events than a time of real growth and sharpening This unique research based training resource addresses the needs of you and every other adult on your youth ministry team As you engage in a different discussion each month you'll discover how to take both the ministry and students deeper by exploring Your ministry's strengths weaknesses opportunities and threats Integrating students into the life of the church Effective family ministry Holistic ministry Giving and receiving mentoring Getting the rest you need Deep justice Helping kids who are hurting Giving your kids a faith that lasts Essential Leadership will strengthen your youth ministry team and make a deeper impact on the lives of teenagers *Sticky Faith Service Guide* Kara Powell, Brad M. Griffin, 2016-02-02 Anyone who serves teenagers today knows that more and more young people are eager to make a difference in the world When students participate in short term missions service and justice causes parents and youth leaders hope these experiences will lead to real transformation But research shows that our efforts don't always stick If we truly want short term work to translate into long term change leaders and students must spend more time before during and after service projects preparing for and processing their experiences The sessions in this leader's guide will help you create experiences that stick both for the students you take and the communities you serve This guidebook offers a host of practical and field tested exercises for each phase of your experience whether it's a half day local service project or a two week trip overseas Participants will engage in hands on experiences to gain new insights about themselves their relationship with God their teammates and the world we're called to love and serve Each of these steps is a catalyst in helping students

apply what they have learned in the field to their own lives back at home Also included are ideas to help get parents and the whole church engaged in service together A companion student journal is also available to boost the potential for personal application throughout the journey **SAT & College Preparation Course for the Christian Student** James P.

Stobaugh,2011 Critical thinking and essay writing are major themes within the SAT Stobaugh coaches the Christian student who might otherwise passionately respond to a leading essay question without hitting the marks that the test is measuring
