New Castle, Indiana Darrel Radford,1992 *A Pictorial History of Newcastle* The Newcastle Morning Herald,1996 *A Pictorial History of John Hitch's New Castle* John Hitch,New Castle News (Pa.),2006 *British Sport: Local histories* Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Catalogue of the Library of the Literary and Philosophical Society, of Newcastle-upon Tyne** Literary and Philosophical Society (NEWCASTLE-UPON-TYNE),1848 **The Kentucky Encyclopedia** John E. Kleber, The Kentucky Encyclopedia s 2 000 plus entries are the work of more than five hundred writers Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today s headlines recording Kentuckians achievements in art architecture business education politics religion science and sports Biographical sketches portray all of Kentucky s governors and U S senators as well as note congressmen and state and local politicians Kentucky s impact on the national scene is registered in the lives of such figures as Carry Nation Henry Clay Louis Brandeis and Alben Barkley The commonwealth s high range from writers Harriette Arnow and Jesse Stuart reformers Laura Clay and Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn Merle Travis and the Everly Brothers Entries describe each county and county seat and each community with a population above 2 500 Broad overview articles examine such topics as agriculture segregation transportation literature and folklife Frequently misunderstood aspects of Kentucky s history and culture are clarified and popular misconceptions corrected The facts on such subjects as mint juleps Fort Knox Boone s coonskin cap the Kentucky hot brown and Morgan s Raiders will settle many an argument For both the researcher and the more casual reader this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource *A Pictorial History of Newcastle* John Turner,John William Turner,1997 **Lawrence County** Anita DeVivo,Anthony P. Walczak,2007-06-27 Lawrence County was named for naval captain James Lawrence who gave the famous command Dont give up the ship during the War of 1812 His command became a slogan for western Pennsylvanians in the early 1800s when what was to become Lawrence County was divided between Mercer County and Beaver County In 1820 residents started to protest the inconvenience of conducting business in two jurisdictions and proposed a new county to unify the community They did not give up the ship Finally in 1849 Lawrence County was authorized The new county was rich with rolling hills rivers forests and fertile land Limestone iron ore coal and clay supported burgeoning industries Lawrence County illustrates the effect of these industries on the area through more than 200 vintage postcards and photographs Also illustrated are the Old Order Amish and places such as Possum Hollow Breakneck Bridge SNPJ and Energy *A History of Criminal Law in New South Wales* Gregory D. Woods,2002 New South Wales is that rare political creation a state founded for and upon the criminal law The

history of its criminal law from settlement to Federation is uniquely fascinating Drawing on his range of experience as a university scholar a criminal law QC and a judge the author explains how Britain s criminal laws were established and developed in its arguably most successful colony There are three themes the horror and savagery of the criminal law transported to Australia and imposed there the constitutional importance of basic criminal law rules requiring certainty of proof the corrupt but necessary role of mercy in the administration of the law There are several genuinely remarkable features of this book One is that the author draws upon a vast body of material recently brought to light by Bruce Kercher in his massive disinterment of early colonial case law to explain in detail the actual working of the New South Wales criminal courts Another is that the core of the book is an analysis of New South Wales parliamentary debates between 1871 and 1883 on criminal law illuminating the history of the law and its future Yet the most remarkable thing of all about this book is its rarity In the many places where the British Empire imposed its laws there are hundreds of universities and centres of legal study Histories of the criminal law or studies which can be so described are rare or invisible This admirable study will become a classic in its field required reading by legal scholars historians of colony and empire and by astute legal practitioners making arguments for contemporary submissions or judgments The second volume Woods 2018 continues the still fascinating story from 1901 when the colony became a state through until mid 20th century when the death penalty was effectively abolished
