

The New British Politics

We now have a coalition Government at Westminster between the Conservatives and the Liberal Democrats.

Many would have expected confrontation between a Nationalist Scottish First Minister and a Unionist UK Prime Minister. The Conservatives have just 1 MP in Scotland.

But, PM David Cameron stated that he wanted a "fresh start" with the Scottish Parliament. He visited the Scottish Parliament just days after becoming Prime Minister.

New British Politics:

Values, Voice and Virtue Matthew Goodwin, 2023-03-30 THE SUNDAY TIMES BESTSELLER A Financial Times 2023 book to watch Forceful The fundamental thrust of Goodwin's argument is right a new centre ground of British politics is being formed even if both parties have yet to fully comprehend it The Times What has caused the recent seismic changes in British politics including Brexit and a series of populist revolts against the elite Why did so many people want to overturn the status quo Where have the Left gone wrong And what deeper trends are driving these changes British politics is coming apart A country once known for its stability has recently experienced a series of shocking upheavals Matthew Goodwin acclaimed political scientist and co author of National Populism shows that the reason is not economic hardship personalities or dark money It is a far wider political realignment that will be with us for years to come An increasingly liberalised globalised ruling class has lost touch with millions who found their values ignored their voices unheard and their virtue denied Now this new alliance of voters is set to determine Britain's fate Sunday Times bestseller April 2023 [The New British Politics](#) Ian Budge, David McKay, Kenneth Newton, John Bartle, 2013-12-16 The New British Politics is one of the most comprehensive and successful introductions to British politics ever published Now available in a fully revised and updated fourth edition this clear lively and authoritative text has an emphasis on law and order and the historical context of British politics Written by internationally known specialists the book combines incisive and original analysis with direct presentation
