women's religious experiences and to silence their claims to equality in the sight and service of the divine. It becomes obvious too that women have been developing their own forms of religious expression and that these may be expected to supplant gradually withering images of Desert Spirituality. Whether this new imagery will strengthen Australian Christianity or whether it merely marks a decline in the authority of Christianity remains a moot point. *Chicago Daily News Almanac*, 1914 California Federation News, 1925 **To-day's Cinema News and Property Gazette**, 1913
