Next Dimension Is Love:

The Next Dimension Is Love Dorothy Roeder, 1996-12-12 A TIME FOR HEALING AND TRANSFORMATION Beings from another dimension parallel to ours and yet far beyond it give their view about what is happening on Earth now They speak about what it means to be an unlimited spiritual consciousness immersed in a limited physical body They describe how our fear of anyone different limits us and why that must change if we are to survive as a race It is our fear of change that limits our ability to reach our full potential The primary message is humanity's special ability to love in so many ways and how much we can teach the rest of the universe about creating with love That is our special contribution to this cosmos Are these beings who resemble the praying mantis really a part of us or our higher consciousness Topics include Are we masters of our own destiny Do we control our own lives Is there purpose in what we do on Earth What is going on and what does it mean The Temple of Goddess Sugarbha Santosh Chauhan, 2021-11-20 Are all the rules and regulations made by human society correct and perfect Is there any possibility to change or improve those rules While most civilizations of the world consider the love relationship between a mother and son to be unfair and irreligious there is a place where the mother son love relationship is not only seen with respect but their marriage is also encouraged The name of that city is Kambi and the name of the temple in which mothers and sons are tied in the sacred bond of marriage with all the rituals is The Temple of Goddess Sugarbha Dr Archana Sharma is interacting with the media to make the world aware of this divine temple and mother son marriage
