On Ballycastle Beach Medbh McGuckian, 1995 **PN Review**, 1995 Sympathetic Ink Shane Alcobia-Murphy, 2006-01-01 Northern Irish poets have been notably reticent when addressing political issues in their work In *Sympathetic Ink* Shane Alcobia Murphy traces that tendency through the works of Seamus Heaney Paul Muldoon and Medbh McGuckian Using collections of the poets papers made only recently available Alcobia Murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues He employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works *Acute and learned Sympathetic Ink* will serve as a perfect introduction to these crucial figures of Irish poetry **Everything Irish** Lelia Ruckenstein, James O'Malley, 2013-11-20 Here in one complete volume is the depth and breadth of the great island nation and its people represented in an easily browsed friendly format From the Abbey Theatre to the Dublin storyteller Zozimus from the origin of the Troubles to the origin of the limerick from the stunning beauty of Connemara to the shattering tragedy of Bloody Sunday from the greatest writers of the English language to the confrontational television of Gay Byrne's *The Late Late Show* every aspect of Irish culture geography and history is collected and annotated in more than 900 entries from A to Z Readers will encounter heroes and terrorists poets and politicians all of Ireland's counties ancient myths and pivotal events all expertly and succinctly described and explained With entries written by some of the world's leading authorities on Ireland *Everything Irish* is perfect for everyone from the inquiring reader to the serious student You can spend a few minutes learning about the much maligned Travelers and then move on to the equally contentious in its time medieval tithe Visit the majestic Cliffs of Moher and then delve into an analysis of paramilitary groups like the Irish Republican Army and the Ulster Volunteer Force Explore the ruins of a Romanesque castle or experience the piercing light of the winter solstice inside prehistoric Newgrange a passage grave older than the pyramids Across centuries and across counties the rich landscape of Irish life and heritage springs to life in these pages An indispensable source of fascinating information and captivating anecdote this is one book that will never be far from the hands of those with curious minds or an adventurous spirit *Selected Poems, 1978-1994* Medbh McGuckian, 1997

Contemporary Poets Thomas Riggs, 1995 This reference work combines bibliographical biographical and critical information on 900 living poets writing in the English language Entries are arranged alphabetically and this edition includes 120 new entrants including Wendy Cope Benjamin Zephaniah and Rachel McAlpine **A History of Twentieth-Century British Women's Poetry** Jane Dowson, Alice Entwistle, 2005-05-19 Publisher Description Poetry Review Stephen Phillips, Galloway Kyle, 1995 vol 1 no 2 Feb 1912 includes Prologomena by Ezra Pound Medbh McGuckian Borbála Faragó, 2014-03-27 This book offers a wide ranging analysis of the entire corpus of Medbh McGuckian's published work Its objective is to provide both a readable synthesis of existing criticism in a fashion which will be generally useful to academics

and students and also to offer an original contribution to the field of contemporary Irish literary studies on the basis of new research. The book investigates a variety of previously neglected themes in particular McGuckian's exploration of ideas of creativity and performativity in her poetry. Over the past two decades McGuckian has been recognized by both her fellow poets and by literary critics as one of the most original, daring and important poetic voices in contemporary Ireland. Since 1982 she has published fifteen volumes of poetry extraordinary not merely for its sustained quality and linguistic and technical virtuosity but also for its constant evolution and reinvention. This book provides an original perspective on her work both thematically and methodologically. From a thematic perspective the process of artistic creation is a key preoccupation of McGuckian's poetry which recurs in every volume of her oeuvre but has previously escaped critical attention. By adapting and refining theories of singularity and creativity the book allows for a coherent analysis of this central aspect of McGuckian's work. Methodologically it differs from previous studies in the scope of its approach. Uniquely it pursues its investigation across the entire breadth of the poet's published output and emphasizes the thematic unity of individual volumes in the light of the poet's constant change and development. Throughout the book the reading of McGuckian's work concentrates on poems in their entirety an approach which has not figured to any notable degree in the existing secondary literature on the poet not least because of the perceived difficulty of her writing. A critical investigation however which respects both the integrity of the individual poems and the internal coherence of her various volumes allows for a far deeper understanding both of the poet's thematic preoccupations and of the evolution of her distinctive poetic voice.

Writing Lough Derg Peggy O'Brien,2006-09-18 The overarching purpose of this volume is to show how a discrete tradition of writing about Lough Derg a pilgrimage site in northwest Ireland helped contemporary Irish poets rescue free metaphysical inquiry from the grip of nationalism Linked with the supernatural pagan times Lough Derg had by the early twentieth century become an icon of the fusion of the Catholic Church and the Irish nation Surveying treatments of Lough Derg from William Carleton through Denis Devlin Patrick Kavanaugh and ultimately Seamus Heaney Peggy O'Brien addresses the role of spirituality in an increasingly cosmopolitan postmodern post Catholic Ireland Her extended treatment of Heaney culminates in an insightful juxtaposition with the Polish poet Czeslaw Milosz who also struggled with the conflation of Catholicism and patriotism
