Garrett, 1993 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text. *Song of Songs, Ruth, Lamentations, Ecclesiastes, Esther* Irene Nowell, 2016-12-01 Irene Nowell's lively and thoughtful exploration of these poetic and powerful books promises to ignite appreciation and understanding in the hearts and minds of readers. The five books abound with vivid stories of faith. The Song of Songs dedicated to Solomon celebrates the wonder of human love. The book of Ruth, a masterpiece of storytelling, tells of two valiant women who move from emptiness to fullness, desolation to redemption. Lamentations, telling of the destruction of Jerusalem, recognizes that the Lord has struck and that only the Lord can heal. Ecclesiastes teaches the futility of vanity and storing up riches. The book of Esther tells the story of a Jewish woman and her uncle who, by their courage and wit, deliver the Jews from threatened genocide. Gathered together and artfully explored, this volume offers readers a wealth of information to inspire deeper understanding of the human journey and God's presence in the lives of those who trust in him. *Gender in Solomon's Song of Songs* Alastair Ian Haines, 2016-12-14 The thesis shows that the Song of Songs can be read as a circular sequence of sub-poems that follow logically from one another if they are understood as contributing to two main points made in a woman's voice. The woman urges men to take romantic initiative to be committed exclusively and for life and urges women three times to wait until they are approached by such men. If this reading is the best explanation of the text of the Song, then the Song is a unified work centered on a woman singing about human romantic love from a woman's perspective.
