Chaliand, Jean-Pierre Rageau, 1997 Examines displaced cultures throughout the world including Jewish African Irish Armenian and Palestinian diasporas      **The Oxford Handbook of Modern Scottish History** T. M. Devine, Jenny

Wormald, 2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland s contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation s key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike      *The New African Diaspora in the United States* Toyin Falola, Adebayo Oyeboade, 2016-07-01 Fast growing in population African immigrants in the United States have become a significant force to the point that the idea of a new African diaspora is now a reality This thriving community has opened new arenas of scholarly discourse on Black Atlantic history beyond the trans Atlantic slave trade and its legacies This book investigates the complex dynamic forces that have shaped and continue to shape this new diaspora In eleven original essays the volume examines pertinent themes such as immigration integration dilemmas identity construction brain drain remittances expanding African religious space and how these dynamics impact and intersect with the African homeland With contributors from both sides of the Atlantic that represent a diverse range of academic disciplines this book offers a broad perspective on emerging themes in contemporary African diasporan experiences The book will be of interest to scholars and students of African and African American Studies Sociology and History      **Condensation and Coherence in Condensed Matter** Tord Claeson, P. Delsing, 2003 In 2001 the Nobel Foundation celebrated the 100th anniversary of the first Nobel Prize and all previous Nobel laureates were invited to attend the Nobel ceremonies in Stockholm This gave an excellent opportunity for arranging jubilee symposia with topics that would attract several of the laureates The chosen

subject of Condensation and Coherence in Condensed Systems attracted sixteen Nobel laureates and another thirty five leading scientists The idea was to bring scientists together from several related subdisciplines atomic physics quantum optics and condensed matter physics for cross breeding of ideas concepts and experience Subjects like phase transitions in strongly coupled systems Bose Einstein condensation in weakly coupled systems macroscopic quantum phenomena coherence in mesoscopic structures and quantum information were intensively discussed from different points of view Coherence phenomena in condensed systems were emphasized A special session was devoted to the emerging field of quantum computing with experimental and theoretical results reported for different types of qu bits The 2001 Nobel Prize awarded to Eric Cornell Wolfgang Ketterle and Carl Wieman for the achievement of Bose Einstein condensation in dilute gases of alkali atoms and for early fundamental studies of the properties of the condensates gave an extra flavor to the theme of the Centennial Symposium

*The Spectre of Comparisons* Benedict Anderson,1998-09-17 The Spectre of Comparisons contains important theoretical and historical considerations about the nature of nationalism the prospects for the Left in the so called New World Disorder

**The Domestic Abroad** Latha Varadarajan,2010-10-08 In the past few decades and across disparate geographical contexts states have adopted policies and initiatives aimed at institutionalizing relationships with their diasporas These practices which range from creating new ministries to granting dual citizenship are aimed at integrating diasporas as part of a larger global nation that is connected to and has claims on the institutional structures of the home state Although links both formal and informal between diasporas and their presumptive homelands have existed in the past the recent developments constitute a far more widespread and qualitatively different phenomenon In this book Latha Varadarajan theorizes this novel and largely overlooked trend by introducing the concept of the domestic abroad Varadarajan demonstrates that the remapping of the imagined boundaries of the nation the visible surface of the phenomenon is intrinsically connected to the political economic transformation of the state that is typically characterized as neoliberalism The domestic abroad must therefore be understood as the product of two simultaneous on going processes the diasporic re imagining of the nation and the neoliberal restructuring of the state The argument unfolds through a historically nuanced study of the production of the domestic abroad in India The book traces the complex history and explains the political logic of the remarkable transition from the Indian state s guarded indifference toward its diaspora in the period after independence to its current celebrations of the global Indian nation In doing so The Domestic Abroad reveals the manner in which the boundaries of the nation and the extent of the authority of the state in India and elsewhere are dynamically shaped by the development of capitalist social relations on both global and national scales

Cultural Governance and Resistance in Pacific Asia William A. Callahan,2006-05-03 This text examines the politics of culture and the culture of politics in Pacific Asia through case studies on the South Pacific China South Korea Thailand and Southeast Asia The contexts and cultures of the chapters are wide ranging and Callahan skilfully ties them together with the objective of analyzing the relation between

the state's cultural governance and resistance to it. The themes covered include governmentality and cultural production, popular culture and resistance, East-West relations, gender, identity and democracy, civil society, social movements and democracy, national and transnational identity, production. *Cultural Governance and Resistance in Pacific Asia* addresses the dynamics between Asian studies and cultural studies and the overlap between comparative politics and international relations and as such will appeal to students and scholars of Asian studies, cultural studies, comparative politics, sociology and anthropology alike. *Israel, Diaspora, and the Routes of National Belonging, Second Edition* Jasmin Habib, 2019-08-23. This second edition of *Israel, Diaspora, and the Routes of National Belonging* builds upon Habib's groundbreaking research and reflects on the changes to scholarship since the book's publication in 2004. **Nations Abroad** Charles King, 2018-02-19. This book discusses trans-border ethnic populations in the former Soviet Union in a broader conceptual context, highlighting the importance of diaspora issues both for post-Sovietologists and for scholars of comparative politics and international relations in general. *Food and Drink* Donald Sloan, 2013-10-31. *Food and Drink* the cultural context is the first text to provide a comprehensive and academically rigorous introduction to a range of key themes in the field of food, drink and culture. Essential reading for post-graduates, academics, professionals. *Paris: The Collected Traveler* Barrie Kerper, 2011-07-12. Each edition of this unique series marries a collection of previously published essays with detailed practical information, creating a colorful and deeply absorbing pastiche of opinions and advice. Each book is a valuable resource, a compass of sorts, pointing vacationers, business travelers and readers in many directions. Going abroad with a *Collected Traveler* edition is like being accompanied by a group of savvy and observant friends who are intimately familiar with your destination. This edition on Paris features distinguished writers such as Mavis Gallant, Barbara Grizzuti Harrison, Herbert Gold, Olivier Bernier, Richard Reeves, Patricia Wells, Catharine Reynolds and Gerald Asher, who share seductive pieces about Parisian neighborhoods, personalities, the Luxembourg Gardens, P re Lachaise and other monuments, restaurants and wine bars, le Plan de Paris and le Beaujolais Nouveau. Annotated bibliographies for each section with recommendations for related readings. An A-Z *renseignements pratiques* practical information section covering everything from accommodations, marches aux puces, flea markets and money to telephones, tipping and the VAT. Whether it's your first trip or your tenth, the *Collected Traveler* books are indispensable and meant to be the first volumes you turn to when planning your journeys.

**Africa and the Americas** Richard M. Juang, Noelle Morrisette, 2008-03-12. This encyclopedia explores the many long-standing influences of Africa and people of African descent on the culture of the Americas while tracing the many ways in which the Americas remain closely interconnected with Africa. Ranging from the 15th century to the present, *Africa and the Americas: Culture, Politics and History* explores the many ways Africa and African peoples have shaped the cultural life of the Americas and how in turn life in the Americas reverberates in Africa. This groundbreaking three-volume encyclopedia offers hundreds of alphabetically organized entries on African history, nations and peoples, plus African-influenced aspects of life in

the Americas It also features authoritative introductory essays on history culture and religion demography international relations economics and trade and arts and literature In doing so it traces the complex and continuous movement of peoples of African descent to the West the mechanics and lingering effects of colonialism and the slave trade and the crucial issues of cultural retention and adaptation that are essential to our understanding of the effects of globalization

**Cultures in Motion** Peter N. Stearns, 2001-01-01 Kulturens vandring fra forhistorisk tid til nutiden

**Homeless Tongues** Monique Balbuena, 2016-07-27 This book examines a group of multicultural Jewish poets to address the issue of multilingualism within a context of minor languages and literatures nationalism and diaspora It introduces three writers working in minor or threatened languages who challenge the usual consensus of Jewish literature Algerian Sadia Levy Israeli Margalit Matitiah and Argentine Juan Gelman Each of them Levy in French and Hebrew Matitiah in Hebrew and Ladino and Gelman in Spanish and Ladino expresses a hybrid or composite Sephardic identity through a strategic choice of competing languages and intertexts Monique R Balbuena's close literary readings of their works which are mostly unknown in the United States are strongly grounded in their social and historical context Her focus on contemporary rather than classic Ladino poetry and her argument for the inclusion of Sephardic production in the canon of Jewish literature make *Homeless Tongues* a timely and unusual intervention

*Diasporas and Ethnic Migrants* Rainer Munz, Rainer Ohliger, 2004-08-02 This work adopts a comparative approach to explore interrelations between two phenomena which so far have rarely been examined and analysed together namely the dynamics of diaspora and minority formation in Central and Eastern Europe on the one hand and the diaspora migration on the other

*Bringing the Biosphere Home* Mitchell Thomashow, 2001-10-26 A guide for understanding the ecological and existential aspects of global environmental change This book shows how to make global environmental problems more tangible so that they become an integral part of everyday awareness At its core is a simple assumption that the best way to learn to perceive the biosphere is to pay close attention to our immediate surroundings Through local natural history observations imagination and memory and spiritual contemplation we develop a place based environmental view that can be expanded to encompass the biosphere Interweaving global change science personal narrative and commentary on a wide range of scientific and literary works the book explores both the ecological and existential aspects of urgent issues such as the loss of biodiversity and global climate change Written in a warm engaging style *Bringing the Biosphere Home* considers the perceptual connections between the local and global how the ecological news of the community is of interest to the world and how the global movement of people species and weather systems affects the local community It shows how global environmental change can become the province of numerous educational initiatives from the classroom to the Internet from community forums to international conferences from the backyard to the biosphere It explains important scientific concepts in clear nontechnical language and provides dozens of ideas for learning how to practice biospheric perception

**Turning the Kaleidoscope** Sandra Lustig, Ian Leveson, 2008-03-01 Far from being a blank space

on the Jewish map or a void in the Jewish cultural world post Shoah Europe is a place where Jewry has continued to develop even though it is facing different challenges and opportunities than elsewhere Living on a continent characterized by highly diverse patterns of culture language history and relations to Jews European Jewry mirrors that kaleidoscopic diversity This volume explores such key questions as the new roles for Jews in Europe models of Jewish community organization in Europe concepts of diaspora and galut a European Jewish way of life in the era of globalization and European Jews relationship to Israel and to non Jews Some contributions highlight experiences of Jews in Britain Sweden Norway Hungary Austria Germany and the Netherlands Helping us to understand the special and common characteristics of European Jewry this collection offers a valuable contribution to the continued rebuilding of Jewish life in the postwar era **The Dispersion** Stéphane Dufoix, 2016-11-28 Winner of the 2017 Choice Outstanding Academic Title Award In *The Dispersion* Stéphane Dufoix skillfully traces how the word diaspora first coined in the third century BCE has over the past three decades developed into a contemporary concept often considered to be ideally suited to grasping the complexities of our current world Spanning two millennia from the Septuagint to the emergence of Zionism from early Christianity to the Moravians from slavery to the defence of the Black cause from its first scholarly uses to academic ubiquity from the early negative connotations of the term to its contemporary apotheosis Stéphane Dufoix explores the historical socio semantics of a word that perhaps paradoxically has entered the vernacular while remaining poorly understood Routledge Handbook on Middle Eastern Diasporas Dalia Abdelhady, Ramy Aly, 2022-08-08 Bringing together different strands of research on Middle Eastern diasporas the *Routledge Handbook on Middle Eastern Diasporas* sheds light on diverse approaches to investigating diaspora groups in different national contexts Asking how diasporans forge connections and means of belonging the analyses provided turn the reader's gaze to the multiple forms of belonging to both peoples and places Rather than seeing diasporans as marginalised groups of people longing to return to a homeland analyses in this volume demonstrate that Middle East diasporans like other diasporas and citizens alike are people who respond to major social change and transformations Those we count as Middle Eastern diasporans both in the region and beyond contribute to transnational social spaces and new forms of cultural expressions Chapters included cover how diasporas have been formed the ways that diasporans make and remake homes the expressive terrains where diasporas are contested how class livelihoods and mobility inflect diasporic practices the emergence of diasporic sensibilities and finally scholarship that draws our attention to the plurilocality of Middle Eastern diasporas Offering a rich compilation of case studies this book will appeal to students of Middle Eastern Studies International Relations and Sociology as well as being of interest to policymakers government departments and NGOs
