The Penguin Book of English Christian Verse Peter Levi, 1984 *The Columbia Granger's Guide to Poetry Anthologies* William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology **A Baptism Sourcebook** J. Robert Baker, Larry Nyberg, Victoria M. Tufano, 1993 The Sourcebook series of anthologies gathers prose and poetry hymns and prayers from various times and traditions all centered on a particular theme from the seasons of the church year to the foundational moments in the life of a Christian Each collection offers a treasury of wisdom for use in homilies prayer services and personal meditation *Follow Me* Ian Black, 2017-07-01 Connecting what Jesus said and how we live today in all its messiness and complexity Follow Me provides practical steps that all of us can take to live the sayings of Jesus **Heaven in Ordinary** David Jasper, 2018-11-29 Heaven in Ordinary is like a love affair with poetry that engages with religious questions for good or ill concerned with five poets who are haunted by God Poets in times of great faith and times of doubt have expressed for us their sense of both the presence and the absence of God in language that is sometimes almost sacramental in its weight of beauty love fear anger or despair The poets considered here all relate in some way to the traditions of Anglicanism through the centuries reflecting both a common humanity and a wide breadth of human experience as it struggles with God Heaven in Ordinary is deliberately autobiographical in approach as it is grounded in David Jasper's own lifetime experience of reading poetry since his school years and over four decades as a priest The poets he so beautifully discusses have related both positively and negatively to the Christian faith and the Anglican tradition Some are deeply religious others are haunted by God and the divine mystery

The Lyric Voice in English Theology Elizabeth S. Dodd, 2023-09-21 In this book Elizabeth S Dodd traces the contours of a lyric theology through the lens of English lyric tradition She addresses the dominance of narrative and drama in contemporary theological aesthetics by drawing on recent developments in lyric theory Informed by the work of critics such as Jonathan Culler Dodd explores the significance of lyric for theological discourse Lyric is presented here as a short musical expressive and personal form that is also fragmentary embodied socially located and performative The main chapters address key moments in English lyric tradition This selective approach aims to expand the theological gaze beyond the monochromatic features of the traditional canon It covers Anglo Saxon hymns medieval lullaby carols early modern sonnets and the prophetic poetry of Romanticism but also Grime and hip hop performance poetry social media poetry and Geoffrey Hill **Ascension And Ecclesia** Douglas B. Farrow, 2004-05-06 Recent theology offers few attempts to come to grips with the meaning and implications of the ascension of Jesus Professor Farrow begins with a discussion of the biblical treatment of the ascension and Eucharistic celebration from which emerges the unique ecclesial worldview There are chapters on the treatment of these ideas by Irenaeus Origen and Augustine and on developments up to the Reformation He explores the link between ideas of the ascension cosmology and ecclesiology Farrow goes on to examine the difficulties faced by the doctrine

of ascension in the modern scientific world In a final chapter he calls for an ecclesiology which does not marginalise the human Jesus

Christianity and the Rights of Animals Andrew Linzey, 2016-03-03 Christian concern about how we treat animals has increased strikingly in recent years More and more Christians are deciding that our attitudes toward animals must change Here is a book that presents for the first time a comprehensive and well argued theological case for the rights of animals and offers a challenging critique of our existing insensitivity toward animal life Everyone who cares about the rights of animals particularly clergy and ministers who are constantly being asked for answers on the issue will welcome this new and important book

Where Is Knowing Going? John C. Haughey, 2009-07-07 Catholic institutions of higher learning are at a crossroads How can they remain true to their roots while recognizing that many of their administrations faculties and student bodies have little connection with the tradition How can these institutions remain competitive while maintaining a relationship to the Church During the past several years Catholic theologian John C Haughey SJ has conducted groundbreaking research on these questions He has done this in tandem with a team of Catholic scholars from around the United States Haughey has also conducted numerous workshops with faculty at a dozen Catholic colleges and universities to learn firsthand about their research and teaching aspirations Those relationships and conversations provide the foundation for this book s many insights In *Where Is Knowing Going* Haughey explores what constitutes the Catholic identity of Catholic colleges and universities Going beyond a doctrinal understanding of Catholic identity to one that engages and is engaged by the intellectual tradition of Catholicism Haughey does not find that the issue of Catholic identity is adequately dealt with by marketing the distinctive identities of institutions in terms of their founding religious orders or saints He provides a sure handed process whereby the pursuits of individual faculty can be better aligned with the formal mission of the institution

Love's Redeeming Work Geoffrey Rowell, Kenneth Stevenson, Rowan Williams, 2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access *Love's Redeeming Work* draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore
