Penguin Of Gay Australian Writing:

The Penguin Book of Gay Australian Writing Graeme Aitken, 2002 The Penguin Book of Gay Australian Writing is the first anthology devoted solely to a retrospective overview of writing by gay men in this country. In his role as editor, novelist, and memoirist, Graeme Aitken has collected together from classic and contemporary sources a selection of short stories, extracts from novels, and memoir essays, letters, and poetry. While this landmark volume encompasses over seventy years of Australian writing, it particularly focuses on the past ten eventful years, a period of extraordinary growth and dynamism for gay writing. The book also includes a critical reflection by Michael Hurley, author of *A Guide to Gay and Lesbian Writing in Australia*. The Cambridge Companion to Australian Poetry Ann Vickery, 2024-06-13 This volume investigates Australian poetry's centrality to debates around colonialism, nationalism, diversity, embodiment, local/global relations, and the environment. *Gay Novels of Britain, Ireland and the Commonwealth, 1881-1981* Drew Wayne Gunn, 2014-10-27 While American gay fiction has received considerable scholarly attention, little has been given to developments in other English-speaking countries. This survey catalogs 254 novels and novellas by some 173 British, Irish, and Commonwealth authors in which gay and bisexual male characters play a major role. Arranged chronologically from the appearance of the first gay protagonist in 1881 to works from the onset of the AIDS epidemic in 1981, in-depth entries discuss each book's publication history, plot, and significance for the construct of gay identity, along with a brief biography of its author. Including iconic works like Oscar Wilde's *The Picture of Dorian Gray* (1890) and E. M. Forster's *Maurice*, as well as lesser-known but noteworthy novels such as Rose Macaulay's *The Lee Shore* (1912) and John Broderick's *The Waking of Willie Ryan* (1969), this volume, the first of its kind, enlarges our understanding of the development of gay fiction and provides an essential reading list. *The Cambridge History of Australian Literature* Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field and spans Australian literary history from colonial origins to indigenous and migrant literatures, as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society. **Australia** Margo Daly, 2003 With fresh journalistic writing and reams of information on what to see and do, this guide takes readers from the big cities to the countryside. Includes candid reviews on restaurants and accommodations for all budgets, 83 maps, full-color insert, two-color throughout. **Australian Writers, 1975-2000** Selina Samuels, 2006 Essays on the literary historiography of Australia provide an overview of prominent and influential Australian writers of the literary and cultural movements from 1975 to 2000. A period marked by strong female voices and concern to represent the female experience. Discusses the wide stylistic sweep of the Australian writers of this period, the diversity of poetry, dramatists who wrote scripts for movies and television, and traditional genres such as fiction and drama. Routledge International Encyclopedia of Queer Culture David A. Gerstner, 2006 The Encyclopedia introduces both scholars and general readers to the cultural, political, scientific, juridical, and historical practices of international queer culture.
