Penguin Social History of Britain, 1870-1914 José Harris, *Private Lives, Public Spirit* José Harris, 1993 This is a lively and original new study of the social history of Britain between 1870 and 1914 Jose Harris surveys and reinterprets many themes demography and disease work and religion social reform and social theory feminism and family life The period was marked by the co existence of many trends and principles often believed to be mutually exclusive Dr Harris vividly conveys a sense of the diversity which characterized the age and reveals the doubts and ambivalencies of contemporaries She shows that in many respects Great Britain at this period was a ramshackle and amorphous society characterized by a myriad of contradictory opinions at every level from parish pump to empire *Private Lives Public Spirit* suggests that many Victorians and Edwardians were remarkably different from their modern stereotypes and that much of what are now thought of as quintessentially Victorian values stemmed less from traditional ideas and structures than from progressive reformist movements of the very end of Victoria s reign It is a readable and compelling depiction of Britain during the watershed period before the First World War a period whose characteristic ideas and structures did not vanish with the war but survived with great tenacity over the next half century *The Penguin Social History of Britain* Jose Harris, 1994-03-31 An audio collection of some of the best ghost stories ever written which make perfect evening listening for the brave Here are apparitions mysterious deaths and strange inexplicable visions to chill the blood The stories range from those by masters of the genre like Sheridan Le Fanu and Ambrose Bierce to classic writers such as Emile Zola and Rudyard Kipling Some are frightening some poignant others leave a lingering taste of unease Read by Nigel Davenport Rula Lenska Andrew Sachs and David Rintoul the stories included are *Angeline or the Haunted House* by Emile Zola *The Moonlit Road* by Ambrose Bierce *My Adventure in Norfolk* by A J Alan *The Return of Imray* by Rudyard Kipling *Mrs Lunt* by Hugh Walpole *The Open Window* by Saki and *An Account of Some Strange Disturbances in Aungier Street* by Sheridan Le Fanu *OCR A Level History: Britain 1846-1951* Mike Wells, Mary Dicken, 2015-10-23 Exam Board OCR Level A level Subject History First Teaching September 2015 First Exam June 2016 This is an OCR endorsed resource Build strong subject knowledge and skills in A Level History using the in depth analysis and structured support in this tailor made series for OCR s British period studies and enquiries Develops the analytical skills required to succeed in the period study by organising the narrative content around the key issues for students to explore Enhances understanding of the chosen historical period supplying a wealth of extracts and sources that offer opportunities to practise the evaluative skills needed for the enquiry Progressively improves study skills through developmental activities and advice on answering practice exam questions Helps students to review revise and reflect on the course material through chapter summaries and revision activities that consolidate topic knowledge Equips students with transferable critical thinking skills presenting contrasting academic opinions that encourage A Level historians to make informed judgements on major debates Each title in the OCR A Level History series contains one or two British

Middlebrow and Gender, 1890-1945 , 2016-03-11 Scholars of the middlebrow have demonstrated that the preferences and choices of both women writers and women readers have suffered considerably from the dismissive attitude of earlier critics George Eliot's famous attack on Silly Novels by Lady Novelists set the tone for the long tradition of gendered disputes over the literary merit of works of fiction a controversy which eventually coalesced with a class based hegemony of taste in the so called Battle of the Brows The new research presented in this volume demonstrates that this gendered inflection of the critical debate is not only one sided but tends to obfuscate the significance the middlebrow literary spectrum had for the wider dissemination of new concepts of gender By exploring the scope of middlebrow media culture between 1890 and 1945 from household magazines to popular novels the essays in this volume give evidence of the relative proximity that existed between middlebrow writers and the avant garde in their concern for gender issues Contributors Nicola Bishop Elke D hoker Petra Dierkes Thrun Stephanie Eggermont Christoph Ehland Wendy Gan Emma Grundy Haigh Kate Macdonald Louise

Dinkum Diggers Dale James Blair, 2016-06-03 Tall sun bronzed hardy Resourceful independent egalitarian Scornful of authority loyal to their mates These mythical characteristics of the Anzac diggers are central to our idea of what it is to be Australian But did the soldiers themselves fit the stereotype How closely does the myth match the reality This penetrating study strips away celebratory generalisations and measures the Anzac legend against the actual experiences of one battalion that fought at Gallipoli and on the Western Front in World War I The diaries and letters written by soldiers of the 1st Battalion reveal attitudes insights comments and criticisms that qualify and even contradict the Anzac legend In *Dinkum Diggers* Dale James Blair compares these first hand accounts by front line infantrymen with unit diaries operational records service and repatriation records as well as with interviews with family members and statistical analysis to present a well rounded picture of the complexities of the 1st Battalion s experience By narrowing the focus of Australian war experience to a single battalion he demonstrates nuances and subtleties showing how the men viewed and reacted to their own officers and how both officers and men behaved in combat He follows these war damaged soldiers into civilian life where they mostly kept quiet as conservative forces worked to enshrine and sanitise Australia s sacrifice This book makes a notable contribution to revisionist studies about World War I It is a patient thorough and scholarly demolition job on the Anzac legend a reality check on back slapping triumphalism and the glorification of war

What Price the Poor? Ann M. Woodall, 2017-05-15 In this fascinating book Ann Woodall investigates and compares the work and thought of William Booth and Karl Marx who both arrived in London in 1849 She draws comparisons between their responses to the intractability of the poverty of the submerged tenth of London s population and argues that Booth s pioneering work in establishing the Salvation Army and the development of Marx s economic theory began in their interactions with the London residuum Each

recognised that much of the suffering was caused by the workings of laissez faire capitalism and that its total solution required a challenge to the existing economic system What Price the Poor raises important questions about the relationship between theological discourse and the sociological imagination and it firmly places the development of theoretical and practical social analysis and application within the context of social history It will appeal to all with interests in classical sociology and the history of social activism Lacan and Fantasy Literature Josephine Sharoni,2017-07-03 Eschewing the all pervading contextual approach to literary criticism this book takes a Lacanian view of several popular British fantasy texts of the late 19th century such as Bram Stoker s Dracula revealing the significance of the historical context the advent of a modern democratic urban society in place of the traditional agrarian one Moreover counter intuitively it turns out that fantasy literature is analogous to modern Galilean science in its manipulation of the symbolic thereby changing our conception of reality It is imaginary devices such as vampires and ape men which in conjunction with Lacanian theory say something additional of the truth about primarily sexual aspects of human subjectivity and culture repressed by the contemporary hegemonic discourses *The Oxford Handbook of the Modern Slum* Alan Mayne,2023 The Oxford Handbook of the Modern Slum explores the history of the modern slum connecting nineteenth century iterations through multiple pathways to its contemporary existence With chapters by 28 scholars this handbook brings an array of important and original perspectives and methodologies to bear on slums real and imagined across the globe Drawing upon anthropology archaeology architecture geography history politics sociology and urban planning the book delves into households and communities whose existence has been hidden by stereotypes **Striking a Light** Louise Raw,2011-03-10 In July 1888 fourteen hundred women and girls employed by the matchmakers Bryant and May walked out of their East End factory and into the history books Louise Raw gives us a challenging new interpretation of events proving that the women themselves not celebrity socialists like Annie Besant began it She provides unequivocal evidence to show that the matchwomen greatly influenced the Dock Strike of 1889 which until now was thought to be the key event of new unionism and repositions them as the mothers of the modern labour movement Returning to the stories of the women themselves and by interviewing their relatives today Raw is able to construct a new history which challenges existing accounts of the strike itself and radically alters the accepted history of the labour movement in Britain
