document the author's detailed study of the life cycles and breeding patterns of each penguin species. He brings to light their unusual abilities to go with little food for months to dive deep in the ocean and to protect themselves in extreme environments. Miller Schwarze's comprehensive and fascinating account of penguins also emphasizes the urgent need to protect these birds and their natural habitat. Big6, Large and in Charge Annette C.H. Nelson, Danielle N. DuPuis, 2013-03-21

This book helps teachers and teacher librarians effectively collaborate to teach students the concept of the Big6 and complete research projects in meaningful and memorable ways. Utilizing the popular and familiar illustrated graphic novel format that appeals to young learners, Big6 Large and in Charge Project Based Information Literacy Lessons for Grades 3-6 is a book of collaborative unit plans for teacher librarians and teachers that includes all the reproducible materials needed to implement the units. The units are based around the Common Core State Standards, AASL Standards for the 21st Century Learner, and other national content standards. Developed by two library media specialists with extensive experience in creating educational and entertaining lesson plans for teachers, the book takes the concept of Big6 a step further by transforming the process into an engaging character who drops in to help students solve the problems. The exercises presented are based on interesting realistic situations and are specifically designed to encourage critical thinking.
