Penny Dreadfuls And Boys' Adventures:

Penny Dreadfuls and Boys' Adventures Elizabeth James, Helen R. Smith, 1998 Penny dreadfuls sensational stories published in weekly parts were an important feature of Victorian popular literature They were often anonymous and inspired by the melodramas of the day This is the catalogue of a comprehensive collection bequeathed by music hall performer Barry Ono

Popular Children's Literature in Britain Julia Briggs, Dennis Butts, 2016-12-05 The astonishing success of J K Rowling and other contemporary children's authors has demonstrated how passionately children can commit to the books they love But this kind of devotion is not new This timely volume takes up the challenge of assessing the complex interplay of forces that have created the popularity of children's books both today and in the past The essays collected here ask about the meanings and values that have been ascribed to the term popular They consider whether popularity can be imposed or if it must always emerge from children's preferences And they investigate how the Harry Potter phenomenon fits into a repeated cycle of success and decline within the publishing industry Whether examining eighteenth century chapbooks fairy tales science schoolbooks Victorian adventures waif novels or school stories these essays show how historical and publishing contexts are vital in determining which books will succeed and which will fail which bestsellers will endure and which will fade quickly into obscurity As they considering the fiction of Angela Brazil Enid Blyton Roald Dahl and J K Rowling the contributors carefully analyse how authorial talent and cultural contexts combine in often unpredictable ways to generate and sometimes even sustain literary success

Penny Dreadfuls and the Gothic Nicole C. Dittmer, Sophie Raine, 2023-02-15 *Penny Dreadfuls and the Gothic* uncovers neglected Gothic texts of the nineteenth century which are crucial in understanding working class popular culture The approach of this study of penny dreadfuls is vast and eclectic ranging from data driven publication data to close textual analysis of these texts to adaptations of penny fiction This title covers a broad range of penny texts some of which have never before been written on

Representations of China in British Children's Fiction, 1851-1911 Shih-Wen Chen, 2016-04-08 In her extensively researched exploration of China in British children's literature Shih Wen Chen provides a sustained critique of the reductive dichotomies that have limited insight into the cultural and educative role these fictions played in disseminating ideas and knowledge about China Chen considers a range of different genres and types of publication travelogue storybooks historical novels adventure stories and periodicals to demonstrate the diversity of images of China in the Victorian and Edwardian imagination Turning a critical eye on popular and prolific writers such as Anne Bowman William Dalton Edwin Harcourt Burrage Bessie Marchant G A Henty and Charles Gilson Chen shows how Sino British relations were influential in the representation of China in children's literature challenges the notion that nineteenth century children's literature simply parroted the dominant ideologies of the age and offers insights into how attitudes towards children's relationship with knowledge changed over the course of the century Her book provides a fresh context for understanding how China was constructed in the period from 1851 to 1911 and sheds light

on British cultural history and the history and uses of children's literature *Empire Boys: Adventures in a Man's World* Joseph Bristow, 2015-08-27 Originally published in 1991 Focusing on boys' own literature this book examines the reasons why such a distinct type of combative masculinity developed during the heyday of the British Empire This book reveals the motives that produced this obsessive focus on boyhood In Victorian Britain many kinds of writing from the popular juvenile weeklies to parliamentary reports celebrated boys of all classes as the heroes of their day Fighting fit morally upright and proudly patriotic these adventurous young men were set forth on imperial missions civilizing a savage world Such noble heroes included the strapping lads who brought an end to cannibalism on Ballantyne's *Coral Island* who came into their own in the highly respectable Boys Own Paper and who eventually grew up into the men of Haggard's romances advancing into the Dark Continent The author here demonstrates why these young heroes have enjoyed a lasting appeal to readers of children's classics by Stevenson Kipling and Henty among many others He shows why the political intent of many of these stories has been obscured by traditional literary criticism a form of criticism itself moulded by ideals of empire and Englishness Throughout imperial boyhood is related to wide ranging debates about culture literacy realism and romance This is a book of interest to students of literature social history and education **The Wicked Boy** Kate Summerscale, 2016 First published in Great Britain by Bloomsbury Publishing *The Empire Strikes Back?* Andrew S. Thompson, 2014-09-11 The *Empire Strikes Back* will inject the empire back into the domestic history of modern Britain In the nineteenth century and for much of the twentieth century Britain's empire was so large that it was truly the global superpower Much of Africa Asia and America had been subsumed Britannia's tentacles had stretched both wide and deep Culture Religion Health Sexuality Law and Order were all impacted in the dominated countries The *Empire Strikes Back* shows how the dependent states were subsumed and then hit back affecting in turn England itself **T.P.'s Weekly** Thomas Power O'Connor, Holbrook Jackson, 1907 *Annual Bibliography of the History of the Printed Book and Libraries* Dept. of Special Collections of the Koninklijke Bibliotheek, 2003-12-31 The *Annual Bibliography of the History of the Printed Book and Libraries* aims at recording articles of scholarly value which relate to the history of the printed book to the history of arts crafts techniques and equipment and of the economic social and cultural environment involved in its production distribution conservation and description *Companion to Victorian Popular Fiction* Kevin A. Morrison, 2018-10-29 This companion to Victorian popular fiction includes more than 300 cross referenced entries on works written for the British mass market Biographical sketches cover the writers and their publishers the topics that concerned them and the genres they helped to establish or refine Entries introduce readers to long overlooked authors who were widely read in their time with suggestions for further reading and emerging resources for the study of popular fiction **Youth of Darkest England** Troy Boone, 2005-08-29 This book examines the representation of English working class children the youthful inhabitants of the poor urban neighborhoods that a number of writers dubbed darkest England in Victorian and Edwardian imperialist literature In particular Boone focuses on

how the writings for and about youth undertook an ideological project to enlist working class children into the British imperial enterprise demonstrating convincingly that the British working class youth resisted a nationalist identification process that tended to eradicate or obfuscate class differences

The Lure of Illustration in the Nineteenth Century L. Brake, M. Demoor, 2009-01-15 This volume tackles the subject of illustration technically metaphorically and historically in nineteenth century periodicals displaying the ubiquity of the visual in the press the articles cover material illustration graphics and design and metaphorical use of images in the letterpress offering specific examples and theoretical approaches

Joyce, Bakhtin, and Popular Literature R. B. Kershner, 2014-02-01 The sheer mass of allusion to popular literature in the writings of James Joyce is daunting Using theories developed by Russian critic Mikhail Bakhtin R B Kershner analyzes how Joyce made use of popular literature in such early works as *Stephen Hero* *Dubliners* *A Portrait of an Artist as a Young Man* and *Exiles* Kershner also examines Joyce's use of rhetoric the relationship between narrator and protagonist and the interplay of voices whether personal literary or subliterate in Joyce's writing In pointing out the prolific allusions in Joyce to newspapers children's books popular novels and even pornography Kershner shows how each of these contributes to the structures of consciousness of Joyce's various characters all of whom write and rewrite themselves in terms of the texts they read in their youth He also investigates the intertextual role of many popular books to which Joyce alludes in his writings and letters or which he owned some well known others now obscure Kershner presents Joyce as a writer with a high degree of social consciousness whose writings highlight the conflicting ideologies of the Irish bourgeoisie In exploring the social dimension of Joyce's writing he calls upon such important contemporary thinkers as Jameson Althusser Barthes and Lacan in addition to Bakhtin Joyce's literary response to his historical situation was not polemical Kershner argues but in Bakhtin's terms dialogical his writings represent an unrelenting dialogue with the discordant but powerful voices of his day many inaudible to us now Joyce Bakhtin and Popular Literature places Joyce within the social and intellectual context of his time Through stylistic social and ideological analysis Kershner gives us a fuller grasp of the complexity of Joyce's earlier writings

The History of Reading, Volume 2 K. Halsey, W. Owens, 2011-08-26 Reading has a history But how can we recover it This volume brings together original research essays focusing on the history of reading in the British Isles using evidence ranging from library records to Mass Observation surveys to highlight the social factors that influence a seemingly private individual activity

The British Superhero Chris Murray, 2017-03-15 Chris Murray reveals the largely unknown and rather surprising history of the British superhero It is often thought that Britain did not have its own superheroes yet Murray demonstrates that there were a great many in Britain and that they were often used as a way to comment on the relationship between Britain and America Sometimes they emulated the style of American comics but they also frequently became sites of resistance to perceived American political and cultural hegemony drawing upon satire and parody as a means of critique Murray illustrates that the superhero genre is a blend of several influences and that in British comics these

influences were quite different from those in America resulting in some contrasting approaches to the figure of the superhero. He identifies the origins of the superhero and supervillain in nineteenth century popular culture such as the penny dreadfuls and boys weeklies and in science fiction writing of the 1920s and 1930s. He traces the emergence of British superheroes in the 1940s, the advent of fake American comics and the reformatting of reprinted material. Murray then chronicles the British Invasion of the 1980s and the pivotal roles in American superhero comics and film production held by British artists today. This book will challenge views about British superheroes and the comics creators who fashioned them. Murray brings to light a gallery of such comics heroes as the Amazing Mr X, Powerman, Streamline, Captain Zenith, Electroman, Mr Apollo, Masterman, Captain Universe, Marvelman, Kelly's Eye, Steel Claw, the Purple Hood, Captain Britain, Supercats, Bananaman, Paradax, Jack Staff and SuperBob. He reminds us of the significance of many such creators and artists as Len Fullerton, Jock MacCail, Jack Glass, Denis Gifford, Bob Monkhouse, Dennis M Reader, Mick Anglo, Brendan McCarthy, Alan Moore, Grant Morrison, Dave Gibbons and Mark Millar.

The Bryce Walton Boys' Adventure MEGAPACK © Bryce Walton, 2015-10-15 Bryce Walton was a prolific short story writer as well as a popular novelist. He began his career writing for the science fiction pulp magazines and later moved into the more respectable and higher paying mystery short story and Young Adult book fields. Wildside Press has been working to reissue many of his classic works. Here then are four of his action adventure novels aimed at the Young Adult market; they are quite readable for adults too: *Cave of Danger*, *Harpoon Gunner*, *Hurricane Reef*, *The Fire Trail*. If you enjoy this ebook, don't forget to search your favorite ebook store for Wildside Press Megapack to see more of the 260 volumes in this series covering adventure, historical fiction, mysteries, westerns, ghost stories, science fiction and much much more.

[Adventures in Criticism](#) Arthur Quiller-Couch, 1896

Historical Dictionary of Children's Literature Emer O'Sullivan, 2023-04-24. History is constantly evolving and the history of children's literature is no exception. Since the original publication of Emer O'Sullivan's *Historical Dictionary of Children's Literature* in 2010, much has happened in the field of children's literature. New authors have come into print, new books have won awards and new ideas have entered the discourse within children's literature studies. *Historical Dictionary of Children's Literature* Second Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 700 cross-referenced entries. This book will be an excellent resource for students, scholars, researchers and anyone interested in the field of children's literature studies.

Language and Control in Children's Literature Murray Knowles, Kirsten Malmkjaer, 2002-11-01. This study examines the work of children's writers from the 19th and 20th centuries in order to expose the persuasive power of language. Looking at the work of 19th century English writers of juvenile fiction, Knowles and Malmkjaer expose the colonial and class assumptions on which the books were predicated. In the modern teen novel and the work of Roald Dahl, the authors find contemporary attempts to control children within socially established frameworks. Other authors discussed include Oscar Wilde, E. Nesbit, Lewis Carroll and C. S. Lewis.

Warrior Generation 1865-1885 Richard Fulton, 2020-07-09

Richard Fulton's *Warrior Generation 1865-1885* fundamentally rethinks the efficacy of an institutional drive among influential middle class opinion leaders to militarize lower class boys in Victorian Britain. He contends that instead of engendering the desired cultural militarism as has been commonly argued, their push had merely contributed to a fast developing culture of adventure and masculinity. Challenging this popular assumption, Fulton carefully reexamines many of the oft cited touchstones of militaristic influence on lower class boys, deeply assessing their actual effects on the behaviours and cultural practices of this generation. He explores a range of themes, from among others the propagation of the military's message in school curricula and its glorification in students' textbooks to the military's heroic depiction and ubiquitous presence in lower class boys' entertainment and popular media.
