Reviews and Essays of Austin Clarke Austin Clarke, 1995 Austin Clarke is widely regarded as one of 20th century Ireland s most important poets In this selection of nearly fifty essays and reviews written over Clarke s long career he demonstrates that he is an astute and provocative literary critic as well Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high Clarke knew many of the principal figures of that movement personally and his readings of Yeats Joyce Synge O Casey Lady Gregory George Moore and others enjoy the advantages of an insider s point of view Moreover committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland Clarke in his criticism provides a way of understanding and judging the Revival's major writers in terms of their relationships to Ireland's rich literary and cultural traditions At the same time these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival As Yeats observed more than once the Irish for all the contributions that they have made to modern fiction poetry and drama have fallen somewhat short in the genre of literary criticism Austin Clarke's essays and reviews many of which were written under a pseudonym and so not attributed to Clarke for years go a long way towards filling that Unauthorized Versions José Lanters, 2000 Certain moments in history especially periods of cultural turmoil and gap political change appear to be conducive to the writing of Menippean satire Unauthorized Versions is the first integral study of Menippean satires written in Ireland in the three decades following the declaration of the Irish Free State in 1922 The book discusses works by Darrell Figgis Eimar O Duffy Austin Clarke Flann O Brien and Mervyn Wall in the context of political and social developments particularly relating to economic policy the role of the Church and censorship Mikhail Bakhtin defines Menippean satire as an unresolved dialogue between actual and or implied voices designed to test a truth or philosophical idea The Irish satirists of the first half of the twentieth century use medieval Ireland as a setting for addressing contemporary concerns or borrow characters from medieval Irish texts that they place in a modern context Each satire thus creates a series of dialogues between the past and present between characters who represent opposing values and ideologies and between the older texts and their modern reworkings Unauthorized Versions reveals the double bind at the core of every Menippean satire Each writer discussed in the book expresses an awareness of the paradox of an author writing in the vacuum created by official censorship seeking to engage his audience in the dethroning of the very authorities by whom he is deprived of his audience By revealing his own ambiguous position the satirist knowingly subverts his own authority along with that of his opponents This study will appeal to students and scholars interested in Irish literature genre studies the reception of the Middle Ages and the relationship between literature and history Jos Lanters associate professor of classics at the University of Oklahoma will begin her position as associate professor of English at the University of Wisconsin Milwaukee in Fall 2000 She is author of Missed Understandings A Study of Stage Adaptations of the Works of James Joyce and coeditor

of Troubled Histories Troubled Fictions Twentieth Century Anglo Irish Prose Irish satire in the twentieth century has awaited a critic as intelligent and well informed as Jose Lanters whose Unauthorized Versions nicely complements Vivian Mercier's pioneering efforts For several of the works she discusses Lanters here provides the only substantial criticism they have received to date Her approach combines sensitivity to form and expression with a constant attentiveness to historical context while her study is anchored in a lucid and suggestive use of Bakhtin Every library with an interest in Irish writing will want this book R Brandon Kershner Alumni Professor of English University of Florida Lanters well argued volume will be a valuable resource for the study of modern Irish prose at the upper division undergraduate level and above Choice Works discussed in Unauthorized Versions Darrell Figgis The Return of the Hero Eimar O Duffy King Goshawk and the Birds The Spacious Adventures of the Man in the Street Asses in Clover Austin Clarke The Bright Temptation The Singing Men at Cashel The Sun Dances at Easter Flann O Brien At Swim Two Birds The Third Policeman Mervyn Wall The Unfortunate Fursey The Return of Fursey Ireland and Transatlantic Poetics Brian Caraher, Robert Mahony, 2007 Transatlantic poetics is the principal theme and the constructive burden of these essays The motive toward its articulation lies in the demand for cross national international and post nationalist comprehension of cultural relations and critical practices across modern Anglophone British Irish and North American literary developments literary filiations and literary history Anglophone literary study needs to articulate ever more clearly the poetics of literary practices including the cultural politics of literary histories and literary reading Ireland is a small island yet its finest writers have insistently articulated its modern culture within a transatlantic neighborhood stretching from continental Europe across the British and Irish archipelago to the western reaches of North America Modern Dublin is a cultural location for constructing transatlantic literary relations and poetics This collection foregrounds modern Dublin its writers its universities its literary journals its teachers and critics of English Studies as well as the contested critical construction of regional and international poetics and cultural politics that emerges from the often tense interaction of local and global literary practices and critical desires The Secret Court Martial Records of the Easter Rising Brian Barton, 2010-03-23 Until 1999 official British records of the fifteen trials that followed the Easter Rising of 1916 were kept a close secret Further material released in 2001 included the trial of Countess Markievicz and important evidence about the shoot to kill tactics used by the British Army These records the subject of heated speculation and propaganda for over eighty years are clearly presented in this important new book The complete transcripts are all here together with fascinating photographs of the Rising the fifteen leaders and the key British players Brian Barton's incisive commentary explains the context of the trials and the motivations of the leaders providing an invaluable insight into what went on behind a closed door at a defining moment in Irish history **Tiresian Poetics** Ed Madden, 2008 Blind seer articulate dead and mythic transsexual the figure of Tiresias has always represented a liminal identity and forms of knowledge associated with the crossing of epistemological and ontological boundaries In twentieth

century literature the boundaries crossed and embodied by Tiresias are primarily sexual and the liminal and usually prophetic knowledge associated with Tiresias is based in sexual difference and sexual pleasure Indeed in literature of the twentieth century Tiresias has come to function as a cultural shorthand for queer sexualities. This book argues for the emergence of a Tiresian poetics at the end of the nineteenth century As Victorian andmodernist writers reimagined Ovid s tale of sex change and sexual judgment they also created a poetics that grounded artistic or perfonnative power in figures of sexual difference most often a feminized often homosexual malebody which this study links to the developing discourses of homosexuality and sexual identity BOOK JACKET The Irish New Woman Tina O'Toole, 2013-07-12 The Irish New Woman explores the textual and ideological connections between feminist nationalist and anti imperialist writing and political activism at the fin de si cle This is the first study which foregrounds the Irish and New Woman contexts effecting a paradigm shift in the critical reception of fin de si cle writers and their work On the Edge Diarmaid Ferriter, 2018-10-04 SHORTLISTED FOR THE ONSIDE NONFICTION BOOK OF THE YEAR 2018 The islands off the coast of Ireland have long been a source of fascination Seen as repositories of an ancient Irish culture and the epitome of Irish romanticism they have attracted generations of scholars artists and filmmakers from James Joyce to Robert O Flaherty looking for a way of life uncontaminated by modernity or materialism But the reality for islanders has been a lot more complex They faced poverty hardship and official hostility even while being expected to preserve an ancient culture and way of life Writing in her 1936 autobiography Peig Sayers resident of Blaskets island described it as this dreadful rock In 1841 there were 211 inhabited islands with a combined population of 38 000 by 2011 only 64 islands were inhabited with a total population of 8 500 And younger generations continue to leave By documenting the island experiences and the social cultural and political reaction to them over the last 100 years On the Edge examines why this exodus has happened and the gulf between the rhetoric that elevated island life and the reality of the political hostility towards them It uncovers through state and private archives personal memoirs newspaper coverage and the author's personal travels the realities behind the dreadful rocks and the significance of the experiences of and reactions to those who were and remain literally on the very edge of European civilisation Medieval and Modern Ireland Canadian Association for Irish Studies. International Conference, 1988-01-01 Readers of this volume will be struck by the pervasiveness of the connections between the medieval and the modern in Ireland and the Irish artists in particular and realize why James Joyce could hardly avoid linking the modern Irish artist with the medieval Irish monk as he does in the bitter musings of Stephen Dedalus who walks alone into eternity along Sandymount Strand You were going to do wonders what Missionary to Europe after fiery Columbanus Contents Introduction Richard Wall The Image Of The Irish Medieval and Modern Continuity and Change F X Martin O S A John Bull s Other Ego Reactions to the Stage Irishman in Anglo Irish Drama Heinz Kosok Contemporary Irish Poetry and The Matter of Ireland Thomas Kinsella John Montague and Seamus Heaney Brian John Early Irish Literature and Contemporary Scholarly Disciplines Ann Dooley Brian Friel s

Johnston, 2001-08-08 Although modern English and Irish poetry arises from the different cultures of the two countries these poets have shared throughout this century the same editors and publishers competed for the same prizes and been judged ostensibly by the same standards This book examines contexts for these exchanges over four decades tracing the lineages of Yeats and Hardy from their meeting in 1912 through WWI the 30s the 60s and the 90s to see what influences and ideas are exchanged and how poetic Out of What Began Gregory A. Schirmer, 2019-05-15 The first book of its kind Out of What Began traces the value accrues development of a distinctive tradition of Irish poetry over the course of three centuries Beginning with Jonathan Swift in the early eighteenth century and concluding with such contemporary poets as Seamus Heaney and Eavan Boland Gregory A Schirmer looks at the work of nearly a hundred poets Considering the evolving political and social environments in which they lived and wrote Schirmer shows how Irish poetry and culture have come to be shaped by the struggle to define Irish identity Schirmer includes a large number of accomplished poets who have been unjustly neglected in standard accounts of Irish literature many of these writers are women whose work has been kept in the shadows cast by that of well known male poets He also emphasizes the importance of political poetry in a country that continues to be torn by sectarian violence With
