TARKINGTON,2018** *Penrod and Sam* Tarkington Newton Booth,2019 **Penrod and Sam** Beyond Words Press,Newton Booth Tarkington,2020-08-29 In Penrod and Sam the imaginative adventures of Tarkington s 10 year old Penrod Schofield continue Penrod s sidekick is Samuel Williams and together they improvise causing general mischief and disorder wherever they go In picaresque fashion a fencing battle takes them all through the neighborhood they narrowly escape serious injury while making boastful demonstrations with a loaded gun they indulge in dubious nishiation practices for their secret society they steal food for the starving horse concealed in the Schofields empty stable they attempt to fish a cat out of a cistern using a pair of trousers and they cause general chaos at Miss Amy Rennsdale s dance Familiar characters from the earlier Penrod volume Maurice Levy Georgie Basset Roddy Bitts Herman and Verman and Marjorie Jones make their appearance in Penrod and Sam This is a delightfully nostalgic look at Tarkington s turn of the century Indiana **Penrod and Sam** Newton Booth Tarkington,2021-02-04 During the daylight hours of several autumn Saturdays there had been severe outbreaks of cavalry in the Schofield neighbourhood The sabres were of wood the steeds were imaginary and both were employed in a game called bonded pris ner by its inventors Masters Penrod Schofield and Samuel Williams The pastime was not intricate When two enemies met they fenced spectacularly until the person of one or the other was touched by the opposing weapon then when the ensuing claims of foul play had been disallowed and the subsequent argument settled the combatant touched was considered to be a prisoner until such time as he might be touched by the hilt of a sword belonging to one of his own party which effected his release and restored to him the full enjoyment of hostile activity Pending such rescue however he was obliged to accompany the forces of his captor whithersoever their strategical necessities led them which included many strange places For the game was exciting and at its highest pitch would sweep out of an alley into a stable out of that stable and into a yard out of that yard and into a house and through that house with the sound and effect upon furniture of trampling herds In fact this very similarity must have been in the mind of the distressed coloured woman in Mrs Williams s kitchen when she declared that she might jes as well try to cook right spang in the middle o the stock yards Penrod and Sam (Classic Reprint) Booth Tarkington,2017-11-23 Excerpt from
