Pentagon Case:

The Day the Presses Stopped David Rudenstine, 1996 Publication of the Pentagon reports led the Nixon administration to sue the Times for a prior restraint unleashing a firestorm of publicity and legal wrangling. A mere fifteen days later the Supreme Court freed the Times and the Washington Post which had also secured a copy of the documents to continue publishing their Pentagon Papers series.

The Pentagon Papers Susan Dudley Gold, 2006-01-30 Examines the consequences of the leak made to the press about the secret government study on the Vietnam War and the litigation that followed.

Inside the Pentagon Papers John Prados, Margaret Pratt Porter, 2004 Inside the Pentagon Papers addresses legal and moral issues that resonate today as debates continue over government secrecy and democracy's requisite demand for truthfully informed citizens. In the process it also shows how a closer study of this signal event can illuminate questions of government responsibility in any era. When Daniel Ellsberg leaked a secret government study about the Vietnam War to the press in 1971 he set off a chain of events that culminated in one of the most important First Amendment decisions in American legal history. That affair is now part of history but the story behind the case has much to tell us about government secrecy and the public's right to know. Commissioned by Secretary of Defense Robert McNamara the Pentagon Papers were assembled by a team of analysts who investigated every aspect of the war. Ellsberg a member of the team was horrified by the government's public lies about the war discrepancies with reality that were revealed by the report's secret findings. His leak of the report to the New York Times and Washington Post triggered the Nixon administration's heavy handed attempt to halt publication of their stories which in turn led to the Pentagon Papers case.

25 Landmark Legal Cases Explained in 7 Minutes Each Nietsnie Trebla, 2015

25 Landmark Legal Cases Explained in 7 Minutes Each In a world where legal precedents shape society understanding the pivotal cases that have defined American law is crucial. *25 Landmark Legal Cases Explained in 7 Minutes Each* takes a concise yet comprehensive approach breaking down significant Supreme Court decisions into digestible summaries that can be read in just seven minutes. Whether you're a student a legal enthusiast or simply curious about the law's role in shaping justice and equality this book offers a clear and engaging look at the most influential cases in U.S. history. What You'll Discover: *Marbury v. Madison* 1803 Learn how this foundational case established the principle of judicial review enabling the Supreme Court to strike down unconstitutional laws. *Brown v. Board of Education* 1954 Explore the landmark decision that declared racial segregation in public schools unconstitutional signaling a pivotal step in the Civil Rights Movement. *Roe v. Wade* 1973 Understand the controversial ruling that recognized a woman's right to choose influencing debates around reproductive rights for decades. *Miranda v. Arizona* 1966 Discover how this case established the Miranda rights safeguarding individuals against self-incrimination during police interrogations. *United States v. Nixon* 1974 Delve into the case that affirmed the principle that no one not even the President is above the law. *Loving v. Virginia* 1967 Uncover the ruling that struck down bans on interracial marriage championing love and equality across racial lines. *Obergefell v. Hodges* 2015

Examine the historic decision that legalized same sex marriage nationwide cementing a significant victory for LGBTQ rights
Dred Scott v Sandford 1857 Explore the consequences of a case that denied citizenship to enslaved Africans underscoring the legal framework of racism in America Plessy v Ferguson 1896 Analyze the separate but equal doctrine that institutionalized racial segregation until it was overturned by Brown v Board of Education 1954 Learn how this decision ensured the right to legal counsel for all defendants regardless of their financial means Shelley v Kraemer 1948 Delve into how this case ruled that racially restrictive covenants were unenforceable in court Bush v Gore 2000 Examine the Supreme Court's intervention in the presidential election exploring the implications for American democracy Griswold v Connecticut 1965 Understand how this case established the right to privacy in marital relations paving the way for future reproductive rights cases Citizens United v Federal Election Commission 2010 Investigate the ruling that altered the landscape of campaign financing by equating money with free speech United States v Lopez 1995 Learn about the case that limited federal power under the Commerce Clause marking a shift in states' rights Korematsu v United States 1944 Explore the controversial decision that upheld Japanese internment during World War II raising questions of civil liberties during wartime The Pentagon Papers Case New York Times Co v United States 1971 Discover how this ruling reinforced press freedom and the public's right to know Texas v Johnson 1989 Analyze the affirmation of flag burning as free speech highlighting the complexities of First Amendment rights Whole Woman's Health v Hellerstedt 2016 Understand the significant ruling defending women's access to safe and legal abortion services against restrictive state laws Furman v Georgia 1972 Dive into the death penalty's constitutionality and the ruling that led to a temporary halt on executions New Jersey v T.L.O. 1985 Learn how this case addressed students' rights and the balance between school safety and personal privacy Lemon v Kurtzman 1971 Explore the Lemon Test for determining the constitutionality of government action in relation to religion Slaughter House Cases 1873 Investigate how these decisions laid the groundwork for the interpretation of the Fourteenth Amendment Schenck v United States 1919 Examine the limits of free speech particularly in times of war as determined by this pivotal case Zubik v Burwell 2016 Understand the complex interactions between religious freedom and access to healthcare Shelby County v Holder 2013 Explore the implications of this ruling that weakened the Voting Rights Act impacting voter protections across the country Each chapter delivers a concise overview exploring the historical context constitutional implications and lasting impact of these landmark cases With illustrations and key takeaways you'll gain a deeper understanding of the legal landscape that shapes our everyday lives Join us on this enlightening journey through law and justice

Do Great Cases Make Bad Law? Lackland H. Bloom, Jr., 2014-03-11 Great cases like hard cases make bad law was Justice Holmes' famous aphorism arguing that the pivotal cases attracting Supreme Court attention make for poor bases upon which to construct a general law Frequently such cases catch the public's attention because they raise important legal issues and they become landmark decisions from a doctrinal standpoint Yet from a practical perspective great cases could create laws poorly suited

for far less publicly tantalizing but far more common situations In Do Great Cases Make Bad Law Lackland H Bloom Jr tests Justice Holmes dictum by analyzing in detail the history of the Supreme Court s great cases from 1803 s pivotal Marbury v Madison to 2012 s Patient Protection and Affordable Care Act case He explains why the Court found a case compelling how the background and historical context affected the decision and its place in constitutional law and history and in doing so synthesizes important analytical scholarship about these cases to form an intricate scholarly understanding of the holistic significance of the Supreme Court s reasoning in American constitutional law

Historic U.S. Court Cases John W. Johnson,2001 This collection of essays looks at over 200 major court cases at both state and federal levels from the colonial period to the present Organized thematically the articles range from 1 000 to 5 000 words and include recent topics such as the Microsoft antitrust case the O J Simpson trials and the Clinton impeachment This new edition includes 43 new essays as well as updates throughout with end of essay bibliographies and indexes by case and subject name

Bulletin of the Atomic Scientists ,1980-03 **Friend of the Court** Floyd Abrams,2013-06-04 DIVAmerica s preeminent First Amendment lawyer speaks out on the most controversial free speech issues of our time div *Treatise on Ammunition* Great Britain. - Army. - Regulations & Orders. - II. Ammunition,Great Britain. War Office,1902

Media Law and Ethics Roy L. Moore,Michael D. Murray,Kyu Ho Youm,2021-09-30 This comprehensive textbook provides a thoughtful introduction to both the legal and ethical considerations relevant to students pursuing careers in communication and media The fully revised sixth edition continues to integrate fundamental legal and ethical principles with cases and examples from both landmark moments and recent history It expands upon the previous edition s exploration of international and non U S law introduces a new chapter on digital and social media and incorporates discussion of new technologies and media throughout its coverage of core topics such as privacy intellectual property defamation and commercial speech Coverage of contemporary court cases and congressional hearings brings readers up to date on the evolving discussion surrounding Facebook Twitter and today s other major online players This hybrid textbook is ideal for undergraduate and graduate courses in media and communication that combine law and ethics Online resources including study guides and sample teaching materials are available at www.routledge.com/9780367748562

Routledge Revivals: Encyclopedia of American Civil Liberties (2006) Paul Finkelman,2018-04-17 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of civil liberties in America The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students

Mass Communication Ralph E. Hanson,2020-10-31 The best selling Mass Communication Living in a Media World presents a highly accessible introduction to mass communication that equips students with the critical thinking skills to become savvy media consumers To help

students better retain the material author Ralph E Hanson uses a storytelling approach that weaves in examples drawn from everyday life Readers are encouraged to consider the media industry from the inside out and in doing so discover the many dimensions of mass communication that operate in our society The thoroughly revised Eighth Edition highlights how social and digital media video games and the COVID 19 pandemic are changing the face of media This title is accompanied by a complete teaching and learning package Crimes of the Centuries Steven Chermak Ph.D.,Frankie Y. Bailey,2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America s justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson *Nothing to Hide* Daniel J. Solove,2011-05-31 If you ve got nothing to hide many people say you shouldn t worry about government surveillance Others argue that we must sacrifice privacy for security But as Daniel J Solove argues in this important book these arguments and many others are flawed They are based on mistaken views about what it means to protect privacy and the costs and benefits of doing so The debate between privacy and security has been framed incorrectly as a zero sum game in which we are forced to choose between one value and the other Why can t we have both In this concise and accessible book Solove exposes the fallacies of many pro security arguments that have skewed law and policy to favor security at the expense of privacy Protecting privacy isn t fatal to security measures it merely involves adequate oversight and regulation Solove traces the history of the privacy security debate from the Revolution to the present day He explains how the law protects privacy and examines concerns with new technologies He then points out the failings of our current system and offers specific remedies Nothing to Hide makes a powerful and compelling case for reaching a better balance between privacy and security and reveals why doing so is essential to protect our freedom and democracy Jacket *Treatise on ammunition. Eds. 1,2,4 [2 eds.], 5-8* War office,1874

The Longest Night Arthur Jacobson,Michel Rosenfeld,2002-10-28 The American presidential election of 2000 was perhaps the most remarkable and in many ways the most unsettling that the country has yet experienced The millennial election raised fundamental questions not only about American democracy but also about the nation s constitution and about

the legitimate role of American courts state and federal and in particular about the United States Supreme Court The Longest Night presents a lively and informed reaction to the legal aftermath of the election by the most prominent experts on the subject With a balance of opposing views including those of some of the most distinguished foreign commentators writing on the subject today the contributors present an unusual breadth of perspectives in addressing the judicial institutional and political questions involved in the disputed election Their commentaries bring the confusion and frenzy of the event into clear focus and lay the groundwork for an essential public debate that is sure to continue well into the future The Longest Night contains a thorough chronology of the events in Florida a detailed account of the institutional structure of American presidential elections a series of analyses both criticizing and defending the decisions in Bush v Gore American perspectives on the Florida struggle and America s electoral system and a debate on maintaining or reforming the electoral college The authors include participants in the legal and political battles surrounding the Florida election foreigners charged with monitoring and supervising elections and scholars from many disciplines specializing in constitutionalism democracy and American election law Contributors *Congressional Record* United States. Congress,1977 **Media and American Courts** S. L. Alexander,2004-06-08 A unique reference work exploring the interaction of ever more pervasive media and the U S judicial system in the 20th century At a time when two thirds of local news is crime or court related when Court TV broadcasts daily and when one lurid case can push all other news aside Media and American Courts A Reference Handbook offers a much needed examination of how the press and the judicial system interact Despite the benefits a better informed public judicial accountability has expanded coverage of the courts in fact weakened our democracy Media and American Courts approaches this question by exploring the cases the personalities and the controversies that have redefined the court press relationship in the past century as the media expanded from print and radio to courtroom cameras cable and the World Wide Web It also includes suggestions from legal and media experts for making court news more accurate informative and useful Speaking Freely Floyd Abrams,2006-04-04 The rights guaranteed in the First Amendment including freedom of expression are among the fundamental touchstones of our democracy In Speaking Freely Floyd Abrams who for over thirty years has been our most eloquent and respected advocate for uncensored expression recounts some of the major cases of his remarkable career landmark trials and Supreme Court arguments that have involved key First Amendment protections With adversaries as diverse as Richard Nixon and Wayne Newton and allies as unlikely as Kenneth Starr Abrams takes readers behind the scenes to explain his strategies the ramifications of each decision and its long term significance presenting a clear and compelling look at the law in action **Interstate Commerce Commission Reports** United States. Interstate Commerce Commission,1949
