The background of the cover is a painting of a woman with dark hair, wearing a light pink, off-the-shoulder dress with ruffles. She is looking slightly to the right. To her right, there is a large, ornate golden vase filled with flowers. The overall style is reminiscent of 19th-century portraiture.

After sending a man to the gallows for the murder of a Whitechapel prostitute two years after the ghastly crimes of Jack the Ripper Superintendent Thomas Pitt is suddenly confronted with another chillingly similar killing that raises speculation that the wrong man has been convicted or that the Ripper has returned. **Loss** Anne Perry, 2012-08-21 Anne Perry's seventeenth William Monk novel now in paperback is a mesmerizing masterpiece of innocence and evil on London's docks a welcome addition to this successful and beloved series. **NATIONAL BESTSELLER** On a London riverbank when the body of small time crook Mickey Parfitt washes up with the tide no one grieves. But William Monk commander of the River Police is puzzled by the murder weapon an elegant scarf whose original owner was obviously a man of substance. Dockside informers lead Monk to a floating palace of corruption on the Thames managed by Parfitt where a band of half starved boys is held captive for men willing to pay a high price for midnight pleasures. Though Monk and his fearless wife Hester would gladly reward Parfitt's killer duty leads them in another direction to an unresolved crime to a deadly confrontation with some of the empire's most respected men and ultimately to a courtroom showdown with Monk's old friend Oliver Rathbone in a trial of nearly unbearable tension and suspense. Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented. He has also included many of the best of lists by more than fifty of the most important contributors to the genre. Mr Sobin spent more than two decades gathering the data and lists in this volume; much of that time he used to recheck the accuracy of the material he had collected. Several of the best of lists appear here for the first time in book form. Several others have been unavailable for a number of years. Of special note are Anthony Boucher's Best Picks for the Year. Boucher, one of the major mystery reviewers of all time, reviewed for *The San Francisco Chronicle*, *Ellery Queen Mystery Magazine*, and *The New York Times*. From these resources Mr Sobin created Boucher's Best and Important Lists to Consider, lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968. This is a great resource for all mystery readers and collectors.

The murders happen on rainy nights, but Ian knows the victims must have something in common beyond the weather. He turns to Miriam Fford Croft, Daniel's good friend and now officially one of the first female pathologists in London, to tap her scientific know-how to find details he and Daniel have missed. With Miriam involved in the murder investigation, Ian passes Daniel the case of Nicholas Welford, their former university professor. Charged with assault after reacting violently to an accusation of plagiarism, Welford, a proud boastful man, is loath to admit he was in the wrong. But Daniel must defend him, whether he likes him or not. As the murders continue with no clue as to who is committing them, Miriam, Daniel, and Ian find themselves questioning everything. Is the Rainy Day Slasher, as the newspapers have dubbed the killer, really just one person? Or have the investigators stumbled into a more complicated web of deceit? The answer may lie closer than anyone could have expected.
