## **Pentecostal Grace:**

*Pentecostal Grace* Laurence W. Wood, 1984      **A Pentecostal Hermeneutic for the Twenty First Century** Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for the theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

**The Split God** Nimi Wariboko, 2018-02-20 Offers a critical Pentecostal philosophy of God that challenges orthodox Christianity Although Pentecostalism is generally considered a conservative movement in *The Split God* Nimi Wariboko shows that its operative everyday notion of God is a radical one that poses under cover of loyalty a challenge to orthodox Christianity He argues that the image of God that arises out of the everyday practices of Pentecostalism is a split God a deity harboring a radical split that not only destabilizes and prevents God himself from achieving ontological completeness but also conditions and shapes the practices and identities of Pentecostal believers Drawing from the work of Slavoj i ek Jacques Lacan Jean Luc Nancy and Giorgio Agamben among others Wariboko presents a close reading of everyday Pentecostal practices and in doing so uncovers and presents a sophisticated conversation between radical continental philosophy and everyday forms of spirituality By de particularizing Pentecostal studies and Pentecostalism Wariboko broadens our understanding of the intellectual aspects of the global Pentecostal and Charismatic movements Not since the early work of Thomas J J Altizer has a theologian philosopher opened such a radical new vision of reality with new language as Nimi Wariboko does in *The Split God* Through an analysis of Pentecostalism Wariboko creates a vivid shocking theology that self consciously repeats classical Christian orthodoxy in some of its modes while transforming it so as to make new sense of Pentecostal beliefs and practices He mines the language of contemporary continental critical theory of the psychoanalytical and Marxist sort for resources to express his claim that God is split not whole reality both spiritual and material is split not whole society is split not whole and persons are split not whole What Pentecostalism does he claims is to unite these split parts into vital ways of living in the face of God without making them holistically coherent just alive and vital Robert Cummings Neville author of *Defining Religion* Essays in Philosophy of Religion      **Pentecostalism and Politics in Africa** Adeshina Afolayan, Olajumoke Yacob-Haliso, Toyin Falola, 2018-06-29 As the epicenter of Christianity has shifted towards Africa in recent decades Pentecostalism has emerged as a particularly vibrant presence on the continent This collection of essays offers a groundbreaking study of the complex links between politics and African Pentecostalism Situated at the

of worldwide Pentecostalism examining how Pentecostal theology is influencing Christian churches in other countries

*The Churchman*, 1883      **The Continuing Relevance of Wesleyan Theology** Nathan Crawford, 2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation      **Catherine Booth** John Read, 2013-02-26 Catherine Booth's achievements as a revivalist social reformer champion of women's rights and with her husband William Booth co-founder of The Salvation Army were widely recognized in her lifetime However Catherine Booth's life and work has since been largely neglected This neglect has extended to her theological ideas even though they were critical to the formation of Salvationism the spirituality of the movement she co-founded This book examines the implicit theology that undergirds Catherine Booth's Salvationist spirituality and reveals the ethical concerns at the heart of her soteriology and the integral relationship between the social and evangelical aspects of Christian mission in her thought Catherine Booth emerges as a significant figure from the Victorian era a British theologian and church leader with a rare if not unique intellectual and theological perspective that of a woman      *Christian Spirituality* Donald Alexander, 1989-01-11 How can we grow closer to God Is there a secret to spiritual life Do we need a second blessing Is sanctification instantaneous or is it a process The nature of Christian spirituality has been widely debated throughout the history of the church Donald L Alexander brings together five scholars in a fascinating debate on sanctification and spirituality      *A Theology of Cross and Kingdom* D. K. Matthews, 2019-11-19 Luther's theology of the cross has impacted major theologians and centuries of theology including the present and yet it is weakened by its reactionary theological determinism reductionism and understandable failure to properly integrate fluid melioristic and pro-creation kingdom eschatology N T Wright's revolutionary cross articulated in *The Day the Revolution Began* Reconsidering the Meaning of Jesus's Crucifixion is a brilliant and clarion new creation eschatological call to action that suffers from a somewhat cryptic imprecise and unrefined eschatology Heino O Kadai has presented an authoritative and concise rendering of Luther's key insights Rustin Brian has carefully assessed whether Luther's theology of the cross deserves blame for the *Deus absconditus* of modernity in his Barthian influenced *Covering Up Luther* Robert Cady Saler has masterfully articulated a relevant and pastoral *Theologia Crucis* framed by Moltmann's *Theology of Hope* that is most applicable to the contemporary church and sociopolitical engagement *A Theology*

of Cross and Kingdom sympathetically and creatively critiques and synthesizes dominant themes in such classical and contemporary theologies of the cross within a unified cross and kingdom eschatology Matthews deftly overcomes many of the less than helpful disjunctive approaches to the theology of the cross while proffering a way forward for this most influential and core theological treasure of the church     **The Meaning of Pentecost in Early Methodism** Laurence W.

Wood,2002-09-23 John Fletcher s theology of Pentecost is generally unknown today and this book is the first comprehensive treatise on this subject His writings were in large part responsible for shaping the theology of early American Methodism especially his treatise on Christian Perfection which highlighted a theology of Pentecostal sanctification Wood recounts the decisive influence Fletcher had on early Methodism and shows that his writings were able to control the opinions of the largest and most effective body of evangelical clergymen of the earth Fletcher s views on the Holy Spirit were also relevant in the ecumenical movement specifically with reference to the World Council of Churches Commission on Faith and Order held in Lima Peru in 1982 This group recommended the introduction of a liturgy of the Spirit in Christian baptism For students and scholars or general readers interested in Methodist history and theology Also a resource for pastors helpful in developing a theology of Pentecost that will preach in a relevant way in the contemporary world
