**The Slow Fall of Babel** Yuliya Minets,2021-12-09 This is the story of the transformation of the ways in which the increasingly Christianized elites of the late antique Mediterranean experienced and conceptualized linguistic differences The metaphor of Babel stands for the magnificent edifice of classical culture that was about to reach the sky but remained self sufficient and self contained in its virtual monolingualism the paradigm within which even Latin was occasionally considered just a dialect of Greek The gradual erosion of this vision is the slow fall of Babel that took place in the hearts and minds of a good number of early Christian writers and intellectuals who represented various languages and literary traditions This step by step process included the discovery and internalization of the existence of multiple other languages in the world as well as subsequent attempts to incorporate their speakers meaningfully into the holistic and distinctly Christian picture of the universe

**Abraham** Anthony Julius,2025-02-11 The story of Abraham the first Jew portrayed as two lives lived by one person paralleling the contradictions in Judaism throughout its history In this new biography of Abraham Judaism s foundational figure Anthony Julius offers an account of the origins of a fundamental struggle within Judaism between skepticism and faith critique and affirmation thinking for oneself and thinking under the direction of another Julius describes Abraham s life as two separate lives and as a version of the collective life of the Jewish people Abraham s first life is an early adulthood of questioning the polytheism of his home city of Ur Kasdim until its ruler Nimrod condemns him to death and he is rescued he believes by a miracle In his second life Abraham s focus is no longer on critique but rather on conversion and on his leadership over his growing household until God s command that he sacrifice his son Isaac This test the Akedah or Binding ends with another miracle as he believes but as Julius argues it is also a catastrophe for Abraham The Akedah represents for him an unsurpassed horizon and in Jewish life thereafter This book focuses on Abraham as leader of the first Jewish project Judaism and the unresolvable insurmountable crisis that the Akedah represents both in his leadership and in Judaism itself

**The Evolution of the Hebrew People** Laura Hulda Wild,1917 *Our Common Manners and Customs as Hebrew Peoples* Nkem Emeghara,2018-05-23 Dr Ola Uduh literal meaning Judahs offering or Judahs ornament Equiano possibly ekwe alu a was right when he identified his Eboe people as presenting same manners and customs as the Israelites of the old times as illustrated in the book of Leviticus This study attempts to be an evidence to this assertion It is a product of a research that began since 1983 and is barely concluded in 2018 The reader would readily realize that the research on this topic has only begun Changes modifications and even eliminations of manners and customs of people through the generations make continuation of this study inevitable This would be especially expected when examining ancient cultural issues today Although the study did not strictly begin as another attempt to prove the identity of the Ibos as the Jews enunciated in the Old Testament designation of the children of Jacob it has however added a relevant credence to that fact Some of the manners and customs examined include similarities in the use of words and meanings ritual practices beliefs

personal attributes and aspirations that are common to the Eboe Heeboe Ibu Ibo Igbo peoples and the ancient Israelites The book is basically a call for individual and collective reinvention of Eboes and indeed worldwide Jews for collective survival in a hostile world The book interprets a true present day Hebrew as the true worshipper of the I am that I am the G d of our fathers who singled out Abraham and Jacob our common ancestral fathers and chose them for a mission to the world The book finally suggests a version of Christianity centered on Yeshua Jesus the Christ and his message in the New Testament a version of Christianity that would include relevant aspects of our omenala law among other recommendations This is a book no one should ignore as it should be an eye opener to the facts relevant to finding the solution to a long standing identity crisis of the Eboe people

**Outline of Jewish Knowledge, Being a History of the Jewish People and an Anthology of Jewish Literature from the Earliest Times to the Present** Israel Goldberg, Samson Benderly, 1929 *Jewish History in*

*100 Nutshells* Naomi Pasachoff, Robert J. Littman, 1996-01-01 How does this Jewish history book differ from all others Instead of burdening the reader with endless details about every single aspect of Jewish history Pasachoff and Littman provide essential information easily digested by readers of all ages that chronicles only the major events and people of the past The history of the Jews covers a period of over 3 500 years with an overwhelming number of countries and lands It is a microcosm of the history of the world Consequently even a one volume work can be difficult to read from cover to cover to gain the sweep of Jewish history This book speaks to the reader who is interested in individual topics or periods and wants a quick reference guide to the people and places that truly shaped Jewish history At the same time if read from beginning to end these nutshells will provide a chronological history of the Jews

Christians Under Siege Patrick J. Roelle Sr., 2009-10-16 Christians Under Siege is a comprehensive study of the war on Christian values that started in the Arabian Desert and which now reaches into America s schools and workplace Barrack Hussein Obama declared that the United States is not a Christian Nation Historian Patrick Roelle disagrees To deal with Islam s terrorist we must understand Islam s Terrorist Islam rose out of the Arabia Desert because the strong oppressed the weak The world of Islam is not just a religion it s a form of government We are at a crossroads Some wish to cancel God from the equation enslave us to a future of debt we cannot repay place our energy dependence on the Muslim world while we lock our resources in the ground and transfer our wealth in exchange for government subsidies that will keep us subdued and we are falling for it Joseph Goebbels propaganda expert and Reich Minister of Public Enlightenment and Education for Nazi Germany once said If you tell a lie big enough and keep repeating it people will eventually come to believe it The American Muslim community has successfully employed these methods these past fifty years to indoctrinate our elected officials and the mainstream press in this country Christians Under Siege paints the true picture
