People Of The The Story Behind The Old Testament:

The People of the Book Anthony Gilles, 2001-01-31 **The Story Behind Words of The Bible Explained** Pastor Garrick Bridgeforth Sr., 2013 **The The Story Behind the Bible Trilogy: Book I The Torah; Book II The Prophets; Book III The New Covenant** J. K. Alexander, 2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It s a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God s hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end **Old Testament Theology** Ben C. Ollenburger, 2004 In this extensively revised and updated edition of The Flowering of Old Testament Theology Professor Ollenburger provides help for beginning theological students who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology to say nothing of the variety of approaches used in these works This textbook has been re issued with a new title Old Testament Theology Flowering and Future Selected essays include key theological statements of Otto Eissfeldt Walther Eichrodt Theodorus C Vriezen George E Wright Gerhard von Rad Walther Zimmerli John L McKenzie Ronald E Clements Walter C Kaiser Jr Samuel L Terrien Claus Westermann Brevard S Childs Rolf Knierim Horst D Preuss Walter Brueggemann Paul R House Bernhard W Anderson Erhard S Gerstenberger Hartmut Gese Phyllis Trible Jon D Levenson John H Sailhamer Gunther H Wittenberg James Barr R W L Moberly and Mark G Brett An appendix contains Johann P Gabler s 1787 seminal essay on biblical theology An extensive bibliography and indexes of authorities and Scripture references conclude the volume Publisher [The Story Behind The Bible](#) J K Alexander, 2019-08-16 The Bible contains answers to the most pertinent and intriguing questions of our time The book you are holding not only contains a highly comprehensive overview of the entire Old Testament but also proves that the prophets of the Bible made impossible and miraculous predictions and prophecies concerning future events including our current era **The Old Testament and God (Old Testament Origins and the Question of God Book #1)** Craig G. Bartholomew, 2022-12-13 Southwestern Journal of Theology 2022 Book of the Year Award Biblical Studies Craig Bartholomew s The Old Testament and God is the first volume in his ambitious four volume project which seeks to explore the question of God and what happens to Old Testament studies if we take God and his action in the world seriously Toward this end he proposes a post critical paradigm shift that recenters study around God The intent is to do for Old Testament studies what N T Wright s Christian Origins and the Question of God series has done for New Testament studies Bartholomew proposes a

much needed holistic narrative approach showing how the Old Testament functions as Christian Scripture In so doing he integrates historical literary and theological methods as well as a critical realist framework Following a rigorous analysis of how we should read the Old Testament he goes on to examine and explain the various tools available to the interpreter He then applies worldview analysis to both Israel and the surrounding nations of the ancient Near East The volume concludes with a fresh exegetical exploration of YHWH the living and active God of the Old Testament Subsequent volumes will include Moses and the Victory of Yahweh The Old Testament and the People of God and The Death and Return of the Son

The Old Testament Between Theology and History Niels Peter Lemche,2008-01-01 From its inception at the time of the Enlightenment until the mid twentieth century the historical critical method constituted the dominant paradigm in Old Testament studies In this magisterial overview Niels Peter Lemche surveys the development of the historical critical method and the way it changed the scholarly perception of the Old Testament In part 1 he describes the rise and influence of historical critical approaches while in part 2 he traces their decline and fall Then in part 3 he discusses the identity of the authors of the Old Testament based on the content of the literature they wrote demonstrating that the collapse of history does not preclude critical study Part 4 investigates the theological consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century An appendix includes a history of Palestine from the Stone Age to modern times constructed without recourse to the Old Testament

Understanding of the Bible Beitr ge zum Verstehen der Bibel Vol 33 Subject Bible Studies Religious Studies Protestantism Old Testament **Knowing Jesus Through the Old Testament** Christopher J. H. Wright, 2014-10-14 We cannot know

Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God

whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion
