realize that the divine institution of marriage is not the issue We are merely imperfect people who enter the institution of marriage and need to be equipped with the necessary tools to have a successful marriage Admittedly this book will challenge our thoughts attitudes and beliefs about how we see ourselves our spouse and the significant role we have in the success or failure of our marriage and even other friendships Think about this wherever you go there you are If you are ready to transform your life and marriage get ready to embrace this journey of self awareness self correction and unconditional love while seeing the value of cultivating and maintaining a servant s heart toward God and toward each other This book When Three Hearts Align will unlock and reveal the mystical union of marriage
