**Gilbert Sorrentino, William Gaddis, Mary Caponegro, Margery Latimer** John O'Brien, 2001      Thumbing a Ride Linda Mahood, 2018-08-01 In the 1920s as a national network of roads and youth hostels spread across Canada so did the practice of hitchhiking By the 1960s the Trans Canada Highway had become the main thoroughfare for thousands of young baby boomers seeking adventure Thumbing a Ride examines the rise and fall of hitchhiking and hostelling in the 1970s drawing on records from the time Many equated adventure travel with freedom but a counter narrative emerged of girls gone missing and other dangers Town councillors community groups and motorists called for a nationwide clampdown on a transient youth movement that they believed was spreading hippie sensibilities and anti establishment nomadism Linda Mahood unearths good and bad stories and key biographical moments that formed young travellers understandings of personal risk agency and national identity Thumbing a Ride asks new questions about hitchhiking as a rite of passage and about the adult interventions that turned a subculture into a moral and social issue      *The Soles of My Shoes: Hitch-hiking London to Ben Nevis* David Charles, 2012-02-09 The Soles of My Shoes is a hitch hiking travelogue a Kerouac for the sustainability generation In this time of austerity cuts climate change under employment and over education what better way to travel This is a story of spontaneity of adventure of responsibility of sustainability of doubt and conviction and perhaps even of love It will appeal to the great generation of hitch hikers young in the sixties as well as to the youth of today who feel trapped by financial constraints and the expectations of social conformity      *Journey to The East: A Hitchhiker's Guide to the Middle Kingdom* Tom Lightner, 2018-06-05 Journey to the East is the story of a western traveler with a very limited Chinese vocabulary traveling in China The author took small trips to large and mid sized cities trying to learn enough about

communications and culture to be able to travel freely in China After tiring of organized tours he adapted to trains buses taxis and black cars which allowed him to see culture and sights beyond the reach of most western tourists He found that adding hitchhiking to the mix of transportation modes allowed broader access to remote sites The author tested his cultural and hitchhiking lessons learned in small trips by traveling cross country He followed the same route that former NPR correspondent Rob Gifford traveled in China Road but from west to east from Kazakhstan to China s east coast at Shanghai The book reports on the travels and how the lessons learned succeeded or failed Feminist Praxis against U.S. Militarism Wonhee Anne Joh,Nami Kim,2019-12-04 Feminist Praxis against U S Militarism provides critical feminist and womanist analyses of U S militarism that challenge the ongoing U S neoliberal military industrial complex and its multivalent violence that destroys people s lives especially women and other vulnerable populations It highlights the intentional critique of U S militarism from feminist womanist perspectives that seek to show the ways in which gender race ethnicity sexuality and violence intersect to threaten women s lives especially women of color s lives and the broader environment upon which women s lives are dependent Most of all this volume challenges the readers to understand the U S as the warfare counterterror carceral state and its devastating effects on the everyday lives of women especially women of color locally nationally and globally This volume also helps readers understand the racialized gendered impacts of U S militarism in conjunction with the ongoing global economies of dispossession and militarized violence across the borders of nation states Interrogating U S military interventions in other countries can show how the U S War on Terror directly affects U S domestic affairs and daily lives in the United States *The Emotions of God* David T. **Hitch Hiking to India in 1962** John Waller, 2016-04-11 In 1962 two Cambridge students hitchhike to India before hippies hit the trail Andrew writes a diary the comedy John reads the map thumbs throughout the night and now writes about the history which make for tragedy They travel through Yugoslavia where Catholic Croats had massacred Orthodox Serbians and Serbs would later murder 8 000 Muslims Greece where 1 3 million Christians had been exchanged for 480 000 Muslims and Turkey where 600 000 Christian Armenians had died when deported to the Syrian desert where ISIS is now based In Iran John faces a life threatening mob following the CIA coup In India they meet anger over the partition just 14 years before when 12 million became refugees and well over a half a million were killed because of their religion They learn about the Sikhs and the attack on the Golden Temple by Indira Gandhi However the two friends received fantastic hospitality throughout John compares these countries 50 years on seeing the economic collapse in Greece and the refugees crisis in the Balkans Vince Cable says This is a really interesting piece of work which blends personal anecdote and adventure with the history and politics of the places visited on an epic journey We are reminded that today s tourist traps in the Balkans and Turkey not to mention the Punjab have a terrible history But the kindness of the people that hitch hikers have to trust shines through as does the strength of the friendship of John and Andrew who made this journey of a lifetime
