Main Street Movies Martin L. Johnson, 2018-01-23 See yourself in the movies Prior to the advent of the home movie camera and the ubiquitousness of the camera phone there was the local film This cultural phenomenon produced across the country from the 1890s to the 1950s gave ordinary people a chance to be on the silver screen without leaving their hometowns Through these movies residents could see themselves in the same theaters where they saw major Hollywood motion pictures Traveling filmmakers plied their trade in small towns and cities where these films were received by locals as being part of the larger cinema experience With access to the rare film clips under discussion Main Street Movies documents the diversity and longevity of local film production and examines how

itinerant filmmakers responded to industry changes to keep sponsors and audiences satisfied From town pride films in the 1910s to Hollywood knockoffs in the 1930s local films captured not just images of local people and places but also ideas about the function and meaning of cinema that continue to resonate today The Media Student's Book Gill Branston,Roy Stafford,2010-05-28 The Media Student s Book is a comprehensive introduction for students of media studies It covers all the key topics and provides a detailed lively and accessible guide to concepts and debates Now in its fifth edition this bestselling textbook has been thoroughly revised re ordered and updated with many very recent examples and expanded coverage of the most important issues currently facing media studies It is structured in three main parts addressing key concepts debates and research skills methods and resources Individual chapters include approaching media texts narrative genres and other classifications representations globalisation ideologies and discourses the business of media new media in a new world the future of television regulation now debating advertising branding and celebrity news and its futures documentary and reality debates from audience to users research skills and methods Each chapter includes a range of examples to work with sometimes as short case studies They are also supported by separate longer case studies which include Slumdog Millionaire online access for film and music CSI and detective fictions Let the Right One In and The Orphanage PBS BBC and HBO images of migration The Age of Stupid and climate change politics The authors are experienced in writing researching and teaching across different levels of undergraduate study with an awareness of the needs of students The book is specially designed to be easy and stimulating to use with a Companion Website with popular chapters from previous editions extra case studies and further resources for teaching and learning at www.mediastudentsbook.com margin terms definitions photos references and even jokes allied to a comprehensive glossary follow up activities in Explore boxes suggestions for further reading and online research references and examples from a rich range of media and media forms including advertising cinema games the internet magazines newspapers photography radio and television **Information Design Workbook, Revised and Updated** Kim Baer,2021-12-14 Information Design Workbook Revised and Updated provides an up to date guide on creating visually compelling and useful graphics *Psychoanalysis and Ethics in Documentary Film* Agnieszka Piotrowska,2023-06-14 This distinctively interdisciplinary book draws upon psychoanalytic theory to explore how expectations desires and fears of documentary subjects and filmmakers are engaged and the ethical issues that can arise as a result Original and accessible the second edition of this ground breaking book addresses the four fundamental concepts of psychoanalysis and documentary film reviews documentary film practice as a field provides a personal account of the author s relationship with a subject of her own work and presents a thorough interrogation of the ethics of documentary The updated text includes a new introduction by the author and an additional chapter Stories We Tell by Sarah Polley centered on ethics and the role of the filmmaker in relation to her participants *Psychoanalysis and Ethics in Documentary Film* 2nd revised edition has already been used widely and is crucial reading for film studies scholars psychoanalysts psychotherapists
