Eskimos, White Men, and the Whale

David Boeri

# People Of The Ice Whale Eskimos White Men And The Whale

**Sarah Jaquette Ray, Kevin Maier**

## **People Of The Ice Whale Eskimos White Men And The Whale:**

People of the Ice Whale David Boeri,1985 This book illuminates a culture in conflict as well as the role of the hunt in preserving traditional Eskimo values      Inuit Women Janet Mancini Billson,Kyra Mancini,2007-04-09 Inuit Women is the definitive study of the Inuit during a time of rapid change Based on fourteen years of research and fieldwork this analysis focuses on the challenges facing Inuit women as they enter the twenty first century Written shortly after the creation of Nunavut a new province carved out of traditional Inuit homelands in the Canadian North this compelling book combines conclusions drawn from the authors ethnographic research with the stories of Inuit women and men told in their own words In addition to their presentation of the personal portraits and voices of many Inuit respondents Janet Mancini Billson and Kyra Mancini explore global issues the impact of rapid social change and Canadian resettlement policy on Inuit culture women s roles in society and gender relations in Baffin Island in the Eastern Arctic They also include an extensive section on how the newly created territory of Nunavut is impacting the lives of Inuit women and their families Working from a research approach grounded in feminist theory the authors involve their Inuit interviewees as full participants in the process This book stands alone in its attention to Inuit women s issues and lives and should be read by everyone interested in gender relations development modernization globalization and Inuit culture      **Indigenous knowledge for climate change assessment and adaptation** Nakashima, Douglas,Krupnik, Igor,Rubis, Jennifer,2018-12-31 This unique transdisciplinary publication is the result of collaboration between UNESCO s Local and Indigenous Knowledge Systems LINKS programme the United Nations University s Traditional Knowledge Initiative the IPCC and other organisations      *Historical Dictionary of the Inuit* Pamela R. Stern,2013-09-26 The Inuit do not represent a very large population only 160 000 or so spread over a very large portion of the Arctic region and located in four different countries Although they are a people there are many variations from one group to the next and any study of them must consider both similarities and differences The Historical Dictionary of the Inuit introduces us to the Inuit as they actually are and not as they have been traditionally pictured and some would still like to see them looking after their traditional chores and engaged in time honored practices but rather as a modern people trying to shape their worlds in their own interest This second edition includes an updated chronology as well as an introduction to provide a broader view of who the Inuit are where they live and what they do But it is the dictionary section that is most interesting with many new informative entries on persons places events and institutions shedding light not only on the culture but also on the society economy and politics For those seeking further information there is a considerably expanded bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Inuit      Sadie Brower Neakok Margaret B. Blackman,1992 This biography of Sadie Brower Neakok of Barrow northern Alaska records the life of the daughter of an Inupiaq mother and a white father and her successful blending of Eskimo and white traditions in the service of her community The text uses the oral history method of recording information

and includes a map and contemporary photographs      Whale Snow Chie Sakakibara, 2020-10-06 As a mythical creature the whale has been responsible for many transformations in the world It is an enchanting being that humans have long felt a connection to In the contemporary environmental imagination whales are charismatic megafauna feeding our environmentalism and aspirations for a better and more sustainable future Using multispecies ethnography Whale Snow explores how everyday the relatedness of the Iupiat of Arctic Alaska and the bowhead whale forms and transforms the human through their encounters with modernity Whale Snow shows how the people live in the world that intersects with other beings how these connections came into being and most importantly how such intimate and intense relations help humans survive the social challenges incurred by climate change In this time of ecological transition exploring multispecies relatedness is crucial as it keeps social capacities to adapt relational elastic and resilient In the Arctic climate culture and human resilience are connected through bowhead whaling In Whale Snow we see how climate change disrupts this ancient practice and in the process affects a vital expression of Indigenous sovereignty Ultimately though this book offers a story of hope grounded in multispecies resilience      They Came But Could Not Conquer Diane J. Purvis, 2024-05 As the

environmental justice movement slowly builds momentum Diane J Purvis highlights the work of Indigenous peoples in Alaska s small rural villages who have faced incredible odds throughout history yet have built political clout fueled by vigorous common cause in defense of their homes and livelihood Starting with the transition from Russian to American occupation of Alaska Alaska Natives have battled with oil and gas corporations fought against U S plans to explode thermonuclear bombs on the edge of Native villages litigated against political plans to flood Native homes sought recompense for the Exxon Valdez oil spill disaster and struggled against the federal government s fishing restrictions that altered Native paths for subsistence In They Came but Could Not Conquer Purvis presents twelve environmental crises that occurred when isolated villages were threatened by a governmental monolith or big business In each Native peoples rallied together to protect their land waters resources and a way of life against the bulldozer of unwanted often dangerous alterations labeled as progress In this gripping narrative Purvis shares the inspiring stories of those who possessed little influence over big business and regulations yet were able to protect their traditional lands and waterways anyway      **Critical Norths** Sarah Jaquette Ray, Kevin

Maier, 2017-05-15 For millennia the North has held a powerful sway in Western culture Long seen through contradictions empty of life yet full of promise populated by indigenous communities yet ripe for conquest pristine yet marked by a long human history it has moved to the foreground of contemporary life as the most dramatic stage for the reality of climate change This book brings together scholars from a range of disciplines to ask key questions about the North and how we ve conceived it and how conceiving of it in those terms has caused us to fail the region s human and nonhuman life Engaging questions of space place indigeneity identity nature the environment justice narrative history and more it offers a crucial starting point for an essential rethinking of both the idea and the reality of the North      *The Lost Fleet* Marc

Songini,2013-11-26 Arctic disasters rogue whales ambush by Confederate ships the true saga of one captain s struggle to survive the demise of the Yankee whaling fleet It s the mid nineteenth century and the American whaling fleet is struck by one hammer blow after the other Yankee whalers are contending with icebergs storms rogue whales sharks hostile natives and disease Many whalers give up the life but some carry on the vocation One such man is a captain from Connecticut Thomas William Williams Not only does he go out on voyage after voyage he even takes on board with him his tiny wife Eliza and his infant son and daughter The Lost Fleet s thrilling narrative recounts Williams remarkable career including a daring escape from the Confederate cruiser Alabama and a daring rescue and salvage of lost ships off Alaska s coast Songini has crafted a historical masterpiece in recording a family saga a true narrative of adventure and death on the high seas and a detailed and well researched look at the demise of Yankee whaling

The Osage Willard H. Rollings,1995 The Osage Indians were a powerful group of Native Americans who lived along the prairies and plains of present day Kansas Missouri Oklahoma and Arkansas The Osage An Ethnohistorical Study of Hegemony on the Prairie Plains now available in paper shows how the Osage formed and maintained political economic and social control over a large portion of the central United States for more than 150 years

**The Final Frontiersman** James Campbell,2007-11-01 The inspiration for The Last Alaskans the hit documentary series now on the Discovery James Campbell s inimitable insider account of a family s nomadic life in the unshaped Arctic wilderness is an icily gripping intimate profile that stands up well beside Krakauer s classic Into the Wild and it stands too as a kind of testament to the rough beauty of improbably wild dreams Men s Journal Hundreds of hardy people have tried to carve a living in the Alaskan bush but few have succeeded as consistently as Heimo Korth Originally from Wisconsin Heimo traveled to the Arctic wilderness in his twenties Now more than three decades later Heimo lives with his wife and two daughters approximately 200 miles from civilization a sustainable nomadic life bounded by the migrating caribou the dangers of swollen rivers and by the very exigencies of daily existence In The Final Frontiersman Heimo s cousin James Campbell chronicles the Korth family s amazing experience their adventures and the tragedy that continues to shape their lives With a deft voice and in spectacular at times unimaginable detail Campbell invites us into Heimo s heartland and home The Korths wait patiently for a small plane to deliver their provisions listen to distant chatter on the radio and go sledding at 44 degrees below zero all the while cultivating the hard learned survival skills that stand between them and a terrible fate Awe inspiring and memorable The Final Frontiersman reads like a rustic version of the American Dream and reveals for the first time a life undreamed by most of us amid encroaching environmental pressures apart from the herd and alone in a stunning wilderness that for now at least remains the final frontier

*Faith, Food, and Family in a Yupik Whaling Community* Carol Zane Jolles,Elinor Mikaghaq Oozeva,2011-10-01 For more than fifteen hundred years Yupik and proto Yupik Eskimo peoples have lived at the site of the Alaskan village of Gambell on St Lawrence Island Their history is a record of family and kin and of the interrelationship between those who live in Gambell and the spiritual world on which they

depend it is a history dominated by an abiding desire for community survival Relying on oral history blended with ethnography and ethnohistory Carol Zane Jolles views the contemporary Yupik people in terms of the enduring beliefs and values that have contributed to the community's survival and adaptability She draws on extensive interviews with villagers archival records and scholarly studies as well as on her own ten years of fieldwork in Gambell to demonstrate the central importance of three aspects of Yupik life religious beliefs devotion to a subsistence life way and family and clan ties Jolles documents the life and livelihood of this modern community of marine mammal hunters and explores the ways in which religion is woven into the lives of community members paying particular attention to the roles of women Her account conveys a powerful sense of the lasting bonds between those who live in Gambell and their spiritual world both past and present

**Alaska Native Political Leadership and Higher Education** Michael Jennings, 2004 This book will be of value to anthropologists educational policymakers Native American studies instructors and teachers of multicultural and comparative education Jacket

**Indian Work** Daniel H. Usner, 2009-08-27 Representations of Indian economic life have played an integral role in discourses about poverty social policy and cultural difference but have received surprisingly little attention Daniel Usner dismantles ideological characterizations of Indian livelihood to reveal the intricacy of economic adaptations in American Indian history

*Marine Mammals*, 1995 **In a Far Country** John Taliaferro, 2007-11-13 The awesome untold adventure of one couple's harrowing heroic effort to save several hundred ice bound whalers and the future of the Eskimo people

**Voyage of Ice** Michele Torrey, 2009-04-02 All Nick ever wanted to be was a whaling captain like his father before him What could be more glorious than the life of a whaleman battling mighty sperm whales and returning home rich as Midas So when his older brother Dexter signs aboard the Sea Hawk Nick won't stand to be left behind But life at sea is very different from what either Dexter or Nick expected They are mercilessly overworked by a cruel and dangerous captain The officers think nothing of beating the crewmen within an inch of their lives And that's only the beginning When an awful turn of fate leaves them stranded in the harsh Arctic winter they encounter the toughest battle of all and this one is for their very survival

**American Megafaunal Extinctions at the End of the Pleistocene** Gary Haynes, 2008-12-23 The volume contains summaries of facts theories and unsolved problems pertaining to the unexplained extinction of dozens of genera of mostly large terrestrial mammals which occurred ca 13 000 calendar years ago in North America and about 1 000 years later in South America Another equally mysterious wave of extinctions affected large Caribbean islands around 5 000 years ago The coupling of these extinctions with the earliest appearance of human beings has led to the suggestion that foraging humans are to blame although major climatic shifts were also taking place in the Americas during some of the extinctions The last published volume with similar but not identical themes Extinctions in Near Time appeared in 1999 since then a great deal of innovative exciting new research has been done but has not yet been compiled and summarized Different chapters in this volume provide in depth resumés of the chronology of the extinctions in North and South America the possible insights

into animal ecology provided by studies of stable isotopes and anatomical physiological characteristics such as growth increments in mammoth and mastodont tusks the clues from taphonomic research about large mammal biology the applications of dating methods to the extinctions debate and archeological controversies concerning human hunting of large mammals     The Firecracker Boys Dan O'Neill, 2015-06-23 In 1958 Edward Teller father of the H bomb unveiled his plan to detonate six nuclear bombs off the Alaskan coast to create a new harbor However the plan was blocked by a handful of Eskimos and biologists who succeeded in preventing massive nuclear devastation potentially far greater than that of the Chernobyl blast The Firecracker Boys is a story of the U S government s arrogance and deception and the brave people who fought against it launching America s environmental movement As one of Alaska s most prominent authors Dan O Neill brings to these pages his love of Alaska s landscape his skill as a nature and science writer and his determination to expose one of the most shocking chapters of the Nuclear Age     My Life with the Eskimos Vilhjalmur Stefansson, 1913

## **People Of The Ice Whale Eskimos White Men And The Whale Introduction**

In the digital age, access to information has become easier than ever before. The ability to download People Of The Ice Whale Eskimos White Men And The Whale has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download People Of The Ice Whale Eskimos White Men And The Whale has opened up a world of possibilities. Downloading People Of The Ice Whale Eskimos White Men And The Whale provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading People Of The Ice Whale Eskimos White Men And The Whale has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download People Of The Ice Whale Eskimos White Men And The Whale. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading People Of The Ice Whale Eskimos White Men And The Whale. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading People Of The Ice Whale Eskimos White Men And The Whale, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download People Of The Ice Whale Eskimos White Men And The Whale has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About People Of The Ice Whale Eskimos White Men And The Whale Books**
