I'll Have What She's Having Daniel M. Kimmel, 2008-08-01 While film genres go in and out of style the romantic comedy endures from year to year and generation to generation Endlessly adaptable the romantic comedy form has thrived since the invention of film as a medium of entertainment touching on universal predicaments meeting for the first time the battle of the sexes and the bumpy course of true love These films celebrate lovers who play and improvise together no matter how nutty or at what great odds they may appear As Eugene Palette mutters in *My Man Godfrey* 1936 All you need to start an asylum is an empty room and the right kind of people Daniel Kimmel's book about romantic comedy is like watching a truly funny movie with a knowledgeable friend

House of Commons - Scottish Affairs Committee: The Impact of the Bedroom Tax in Scotland: Interim Report - HC 288 Great Britain. Parliament. House of Commons. Scottish Affairs Committee, 2013 The Scottish Affairs Committee calls for the repeal of the Bedroom Tax While this is being considered the Committee calls on the Government to suspend application of the Bedroom Tax for all those tenants to whom a reasonable alternative offer cannot be made There are not enough smaller houses available for tenants to transfer into The lack of any alternative offers means that tenants have no choice but to go into arrears if they simply cannot afford the extra costs Other amendments proposed for the operation of the tax include exemptions for those disabled people who require a room to store or use equipment or aids non application where it would be financially perverse to do so eg where removing fixed aids and adaptations and then reinstalling them in a smaller home would be more expensive than the savings over two years all children of secondary school age should be allowed a bedroom of their own to allow quiet study all disabled children of whatever age should have a bedroom of their own The Committee also calls for changes to the system of Discretionary Housing Payments which have been designed by the Government to mitigate the worst impacts of the Bedroom Tax There should be a standard nationwide entitlement system across the UK as a whole rather than the present postcode lottery The UK and Scottish Governments should make longer term commitments to the provision of DHP payments in order to allow local authorities to plan and structure their budgets
