Peoples History Of Wilderness:

A People's History of Wilderness Matt Jenkins, 2004 Previously published in High country news *The People's History of the World* Edward Sylvester Ellis, 1902 *The People's History of the World: Nations* Edward Sylvester Ellis, 1901

People's History of the United States John Clark Ridpath, 1895 *Water for the People* Enrique R. Lamadrid, José A. Rivera, 2023-04-01 Winner of the Historical Society of New Mexico Fray Francisco Atanasio Domínguez Award Winner of the 2024 New Mexico Arizona Book Award for History Anthology *Water for the People* features twenty five essays by world renowned acequia scholars and community members that highlight acequia culture use and history in New Mexico northern Mexico Chile Peru Argentina Spain the Middle East Nepal and the Philippines situating New Mexico's acequia heritage and its inherent sustainable design within a global framework The lush landscapes of the upper Rio Grande watershed created by acequias dating from as far back as the late sixteenth century continue to irrigate their communities today despite threats of prolonged drought urbanization private water markets extreme water scarcity and climate change *Water for the People* celebrates acequia practices and traditions worldwide and shows how these ancient irrigation systems continue to provide arid regions with a model for water governance sustainable food systems and community traditions that reaffirm a deep cultural and spiritual relationship with the land year after year **The Young People's History of Indiana** Julia Stout Conklin, 1899 *The Public Library Quarterly* , 1905 *The Kansas City Public Library Quarterly* Kansas City Public Library (Kansas City, Mo.), 1904 **Young People's History of North Carolina** Daniel Harvey Hill, 1907 *Young People's History of the United States* Edward Sylvester Ellis, 1901 *Young People's History of the American Revolution* Everett Titsworth Tomlinson, 1921 *A Sense of Wonder Towards Nature* Haydn Washington, 2018-08-06 Environmental scientist and writer Haydn Washington argues that we will not solve the environmental crisis unless we change our worldview and ethics and to do so we must rejuvenate our sense of wonder at nature This book focuses on humanity's relation with nature and the sense of wonder and belonging common to indigenous cultures and children everywhere Drawing on events in the author's own four decades working to protect wild places and the current literature on wonder it examines what a sense of wonder is what it has been called in different cultures and our high points of wonder at nature It also looks at the Great Divide in worldview between anthropocentrism and ecocentrism and considers the problem of anthropocentric theory in academia arguing that the focus should instead be on harmony with nature The book concludes with an examination of why wonder has become buried in Western society and considers ways in which it can be revived including rituals and education It also considers how wonder helps humanity to become whole The final chapter presents the road back to wonder and how wonder towards nature can be restored in Western society This book will be of great interest to environmental scientists conservation biologists environmental philosophers and ecological ethicists as well as environmentalists educators eco psychologists and students looking at sustainability deep ecology and environmental philosophy and ethics **Peoples on**

the Move David J. Phillips, 2001 This is the most comprehensive source of information on all the nomadic peoples of the world. Maps help you to locate these nomadic people groups; many of them unevangelized. Black and white photographs enable you to visualize them and people profiles and bibliographic data facilitate research. Back cover

Louis Owens Joe Lockard, 2019-10-01 Louis Owens' *Writing Land and Legacy* explores the wide-ranging oeuvre of this seminal author, examining Owens's work and his importance in literature and Native studies. Of Choctaw, Cherokee, and Irish American descent, Owens's work includes mysteries, novels, literary scholarship, and autobiographical essays. Louis Owens offers a critical introduction and thirteen essays arranged into three sections: Owens and the World, Owens and California, and The Novels. The essays present an excellent assessment of Owens's literary legacy, noting his contributions to American literature, ethnic literature, and Native American literature, and highlighting his contributions to a variety of theories and genres. The collection concludes with a coda of personal poetic reflections on Owens by Diane Glancy and Kimberly Blaeser. Libraries, students, scholars, and the general public interested in Native American literature and the landscape of contemporary US literature will welcome this reflective volume that analyzes a vast range of Louis Owens's imaginative fictions, personal accounts, and critical work.

Exodus Annette Hoffmann, 2020-01-20 The scientific debates on border crossings and cultural exchange between Judaism, Christianity, and Islam have much increased over the last decades. Within this context, however, little attention has been given to the biblical Exodus, which not only plays a pivotal role in the Abrahamic religions but also is a master narrative of a border crossing in itself. Sea and desert are spaces of liminality and transit in more than just a geographical sense. Their passage includes a transition to freedom and initiation into a new divine community, an encounter with God, and an entry into the Age of Law. The volume gathers twelve articles written by leading specialists in Jewish and Islamic Studies, Theology, and Literature, Art, and Film history, dedicated to the transitional aspects within the Exodus narrative. Bringing these studies together, the volume takes a double approach: one that is both comparative and intercultural. How do Jewish, Christian, and Islamic texts and images read and retell the various border crossings in the Exodus story, and on what levels do they interrelate? By raising these questions, the volume aims to contribute to a deeper understanding of contact points between the various traditions.

Finding Jesus in the Old Testament David Limbaugh, 2015-11-09 A New York Times Bestseller. In *Finding Jesus in the Old Testament*, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key and with Limbaugh as a deft guide, readers of *Finding Jesus in the Old Testament* will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title

The Emmaus Code **The Economic Value of Wilderness** ,1992 **When God Wanted to Destroy the Chosen People**
Gili Kugler,2019-06-04 According to narratives in the Bible the threats of the people s end come from various sources but the most significant threat comes as learned from the Pentateuch from God himself What is the theological meaning of this tradition In what circumstances did it evolve How did it stand alongside other theological and socio political concepts known to the ancient authors and their diverse audience The book employs a diachronic method that explores the stages of the tradition s formation and development revealing the authors exegetical purposes and ploys and tracing the historical realities of their time The book proposes that the motif of the threat of destruction existed in various forms prior to the creation of the stories recorded in the final text of the Pentateuch The inclusion of the motif within specific literary contexts attenuated the concept of destruction by presenting it as a phenomenon of specific moments in the past Nevertheless the threat was resurrected repeatedly by various authors for use as a precedent or a justification for present affliction **General**
