**People and their Pasts** P. Ashton, H. Kean, 2008-12-11 In this innovative and original collection people are seen as active agents in the development of new ways of understanding the past and creating histories for the

present Chapters explore forms of public history in which people's experience and understanding of their personal national and local pasts are part of their current lives      *The Jewish People, Past and Present*, 1948      **Sexualities: Past**

**Reflections, Future Directions** Sally Hines, Yvette Taylor, 2012-05-09 This collection examines recent theoretical and methodological debates shifts in law and policy and social and cultural changes around sexuality It sets out new ways of conceptualizing and researching sexuality and explores persistently marginalised and re traditionalised sexual practices subjectivities and identities      *The Identity of God's People and the Paradox of Hebrews* Ole Jakob Filtvedt, 2015-08-03 Does the letter to the Hebrews display Jewish or Christian identity Ole Jakob Filtvedt shows that it takes up a traditional Jewish category namely membership in God's people and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus Publisher      **Organizing Creativity** Stephan M. Schaefer, 2023-09-22

Creativity is a defining feature of contemporary work life Who has not taken part in brainstorming sessions read glossy pamphlets about innovation and creativity as important cornerstones of a new business strategy or been made aware of the importance of creative skills for one's career But what does it mean to be creative in and as an organization Organizing Creativity provides an answer to this question The book builds on the premise that creativity is essentially about ideas Every organization is dependent on valuable ideas for solving everyday problems as well as inventing new processes products or services The main argument of the book is that an analysis of organizational creativity should always account for the interdependency of context process and practice Based on cultural and processual perspectives it highlights the implications of context process and practice for different aspects of the creative process generating evaluating and facilitating ideas Furthermore it reflects on how dominant notions of creativity in the economy and society prevent transformative changes and suggests a radical transformative approach to organizing creativity as an alternative To support and illustrate its argument Organizing Creativity draws on abundant empirical examples case illustrations and seminal research from Sociology Social Psychology and Organization Studies It provides us with a multi dimensional perspective and will both further our understanding of and spark critical reflection on the complex interplay of the organizational social and cultural contexts processes and practices of organizing creativity      **Advanced Pediatric Assessment** Ellen M.
